LEON MORRIS

# Revelation An Introduction And Commentary

**Craig R. Koester**

## **Revelation An Introduction And Commentary:**

**The Book of Revelation** Leon Morris,1987 Provides a section by section commentary on the New Testament book of Revelation featuring discussion of primary themes individual verses and problems of interpretation and including information on authorship date and historical background

**Revelation** Ian Paul,2018-07-31 The Book of Revelation is a fascinating piece of Scripture as well as an extraordinary piece of literature In this Tyndale Commentary Ian Paul takes a disciplined approach to the text paying careful attention to the ways that John draws from the Old Testament Additionally Paul examines how the original audience would have heard this message from John and then draws helpful comments for contemporary reflection

**Revelation** Leon L. Morris,2009-09-26 The book of Revelation is I fear a very neglected book Its symbolism belongs to the first century not to our own age says Leon Morris in the preface to his commentary on Revelation Here he explains the significance of the symbolism and shows the bearing of the message of Revelation on the problems of the day in which it was written The original unrevised text of this volume has been completely retypeset and printed in a larger more attractive format with the new cover design for the series The Tyndale New Testament Commentaries have long been a trusted resource for Bible study Written by some of the world s most distinguished evangelical scholars these twenty volumes offer clear reliable and relevant explanations of every book in the New Testament These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means The introduction to each volume gives a concise but thorough description of the authorship date and historical background of the biblical book under consideration The commentary itself examines the text section by section drawing out its main themes It also comments on individual verses and deals with problems of interpretation The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today

*Revelation* Ian Paul,2018 The book of Revelation is the most developed example of a scriptural writer wrestling with the ideological implications of the gospel and engaging with an opposing system in the light of what God has done in Jesus It is an apocalypse a letter and a prophecy Ian Paul gives disciplined attention to the text examines how John draws on the Old Testament indicates how his message would have communicated and been understood in its first century context and makes connections with our contemporary world

*Introduction and Commentary, Revelation* Homer Hailey,1992

*The Revelation of St. John* Leon Morris,1979

*Revelation* Craig R. Koester,2014-09-30 In this landmark commentary Craig R Koester offers a comprehensive look at a powerful and controversial early Christian text the book of Revelation The author provides richly textured descriptions of the book s setting and language making extensive use of Greek and Latin inscriptions classical texts and ancient Jewish writings including the Dead Sea Scrolls Rather than viewing Revelation as world negating Koester focuses on its deep engagement with social religious and economic issues while addressing the book s volatile history of interpretation The result is a groundbreaking study that provides bold new insights and sets new directions for the continued appreciation of this text

[An Introduction to](#)

Revelation Gilbert Desrosiers, 2004-10-01 The interpretation of the book of Revelation has always aroused controversy and its use and abuse during periods of rapid change has often been a cause for great concern This volume is intended for students of biblical studies attempts a responsible reading of Revelation Desrosiers presents the reader with both the tools and the information required to understand the many approaches that may be taken to interpreting the book and leads the reader toward a sound interpretation

**Revelation** Alan F. Johnson, 2017-03-07 Continuing a Gold Medallion Award winning legacy the completely revised Expositor's Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor's Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions key words and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors who Believe in the divine inspiration complete trustworthiness and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition thoughtful discussion and ease of use look no further than The Expositor's Bible Commentary

**The Final Prophecy of Jesus** Oral E. Collins, 2007-06-01 This commentary is the first major work on the book of Revelation in many years that expounds the historicist interpretation The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century The reasons for the current disaffection are too complex to address in a few words but it is the author's conviction that from the standpoint of sound principles of biblical hermeneutics the historicist interpretation is still the most creditable approach for an accurate understanding of this the last book of the Bible and the final prophecy of Jesus

Revelation Grant R. Osborne, 2023-10-17 The Book of Revelation contains some of the most difficult passages in Scripture Grant Osborne's commentary on Revelation interprets the text while also introducing readers to the perspectives of contemporary scholarship in a clear and accessible manner Osborne begins with a thorough introduction to Revelation and the many difficulties involved in its interpretation He discusses authorship date of writing and the social and cultural setting of the work He also examines elements that complicate the interpretation of apocalyptic literature including the use of symbols and figures of speech Old Testament allusions and the role of prophetic prediction Osborne surveys various approaches commentators have taken on whether Revelation refers primarily to the past or to events that are yet future Rather than exegeting the text narrowly in a verse by verse manner Osborne examines larger sections in order to locate and emphasize the writer's central

message and the theology found therein Throughout he presents his conclusions in an accessible manner When dealing with particularly problematic sections he considers the full range of suggested interpretations and introduces the reader to a broad spectrum of commentators Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective *Revelation* Craig R. Koester,2014 In this landmark commentary Craig R Koester offers a comprehensive look at a powerful and controversial early Christian text the book of Revelation The author provides richly textured descriptions of the book s setting and language making extensive use of Greek and Latin inscriptions classical texts and ancient Jewish writings including the Dead Sea Scrolls Rather than viewing Revelation as world negating Koester focuses on its deep engagement with social religious and economic issues while addressing the book s volatile history of interpretation The result is a groundbreaking study that provides bold new insights and sets new directions for the continued appreciation of this text Publisher s website **The Book of Revelation** George Wesley Buchanan,1993-01-01

*Revelation 1-5, Volume 52A* Dr. David Aune,2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author s own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author s notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary All Things New Gene L. Green,Stephen T. Pardue,K.

K. Yeo, 2019-09-30 The Christian faith presents a distinctive vision of last things that God in Christ aims to reconcile the world to himself and through his Spirit and a new people to set all things to right This good news is for all nations and peoples but for too long the Christian doctrine of eschatology has focused on debates and arguments rooted solely in the Western church In All Things New leading theologians and biblical scholars from Africa Asia Latin America and North America offer readers a glimpse of how Christians around the globe are perceiving and describing the Christian hope The result is a remarkably refreshing and distinctive vision of eschatology guaranteed to raise new questions and add new insights to the global church's vision of the eschaton

"Those Who Call Themselves Jews" Philip L. Mayo, 2006-08-01 The nature of Jewish Christian relations at the end of the first century has been a subject of serious study and considerable debate The time between 70 and 150 CE is held to be a volatile time in that Jewish Christian relations were quickly although not uniformly deteriorating This is a time referred to as the partings of the ways when the church was emerging as a religion apart from Judaism Although it has often been neglected in this study of particular interest is the Apocalypse of John since it was written in this dark and turbulent time in Jewish Christian relations John who is a Jewish Christian is writing to what are likely predominantly Gentile churches At first he appears to deny the very name Jew to his ethnic kin while accusing them of belonging to Satan 2 9 3 9 Nevertheless he does not abandon his own Jewish background and theology He makes broad use of the Hebrew Scriptures and Jewish cultic imagery while maintaining a Christian understanding that Jesus is the fulfillment of God's redemptive plan What is of particular interest is how he adopts and adapts this imagery and language and applies it to the church It is John's mix of Jewish imagery with a Christian message that may provide some insight into his perspective on the relationship between these two increasingly polarized sects What exactly this perspective is constitutes the subject of the present discussion

**Revelation Verse by Verse** Grant R. Osborne, 2016-11-09 Revelation is like no other book in the New Testament Its bizarre images need explaining even for seasoned Bible readers but when we turn to biblical scholars we find that they don't all agree In Revelation Verse by Verse Grant R Osborne offers a clear exposition of the book that takes seriously both its first century context and what it means today Where he disagrees with other interpretations of particular images he briefly mentions them but remains focused on the text throughout Rather than being a book that stirs up fear Revelation is instead a hopeful and even devotional book focused on the certainty of God's bringing his plans to completion the futility of Satan and his plans and the glory of the Lamb Revelation Verse by Verse is the first volume in the Osborne New Testament Commentaries a new series from noted Bible scholar Grant R Osborne directed toward pastors and committed laypeople

The Descent of the New Jerusalem Andreas Hoek, 2003 This study applies discourse analysis to the book of Revelation and offers thus a novel approach to an important biblical text The object of examination is the last of John's visions in his Apocalypse Rev 21 1 22 5 a text famous for its biblical theological density and for the great problems of literary and exegetical quality revealed by the history of exegesis The author accurately defines his text concept explains what he

means by discourse analysis of the text and states its phases of application He evaluates recognized exegetes of the Apocalypse and then moves on to his analysis of the pericope 21 1 22 5 Seven macro sentences are marked out and explained The novelty of the method applied yields a fresh and invigorating exegesis through a distinctive adherence to the literary data of the text while observing unusual alertness toward verb tenses The Expository Times James Hastings, Ann Wilson Hastings, Edward Hastings, 1894 Reading Revelation C. Marvin Pate, 2009-05-01 Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns

Right here, we have countless book **Revelation An Introduction And Commentary** and collections to check out. We additionally allow variant types and then type of the books to browse. The adequate book, fiction, history, novel, scientific research, as with ease as various other sorts of books are readily understandable here.
