Revelation And The Bible:

A Bible Handbook to Revelation Mal Couch, Foreword by John F Walvoord Leading evangelical educators discuss the text of Revelation and the issues that most interest twenty first century readers and students Includes a verse by verse explanation and background analysis

Revelation Revealed Dr. Paul A Vallee,2019-11-22 In popular culture the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity s enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and crisis In Revelation Revealed Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today s readers This book is the culmination of forty years of biblical study The content was originally presented to a live audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming

Revelation Bible Study The Last Seven Years Kathleen Dalton,2015-07-02 My goal for this chapter by chapter Bible study in Revelation is that we will be overtaken with that sitting in the back seat are we there yet longing that will only go away once we see the arrival of Jesus Christ into our world for the second time in history The first time He came as a baby The second time oh my Let s think of world history as a stage and imagine there are a series of curtains on that stage curtains that are fairly see through so that as each curtain is removed the one person standing on the stage gets easier and easier to see That may help us realize what has been happening since the creation of the world and what will be happening as the events of Revelation unfold Every event points to Jesus Every mercy every disaster every judgment every moment of grace all of them reveal Jesus to us more and more and more until finally we see Him clearly in Revelation Chapter 19 mounted on a white horse returning to be King over the world that was made for Him

Gulbrandsen,2019-05-15 Revelation is possibly the most controversial book in the bible Some famous theologians have even suggested to remove it from the bible cannon because it is so hard to understand I will argue it is not that difficult to make sense of as long as we manage to place it on Gods timeline in history and understand Gods relation and reaction to an unrepentant Israel If we allow the bible text to be our theology in stead of trying to fit the bible into our theology it all comes together nicely It is Jesus speaking in Revelation It is not a book to be ignored but to be studied diligently It helps us understand where we are in history on Gods timeline The book in front of you is a commentary to the essential message chapter and verses in the biblical book Revelation You can not fully understand who Jesus is until you understand Revelation Suddenly the overall message of the bible comes together Exciting This book is for bible readers that would like to be challenged and to understand the bigger picture of what God is trying to teach us through his word If you on the other hand have a theology cemented in cherry picked bible verses and religious denominational tradition this book most likely is not for you *Thoughts on Revelation* John Campbell,2024-01-12 Reprint of the original first published in 1874 **The Story of Revelation** Patrick J. Understanding the Book of Revelation Dr. Gordon L.

Boggs,2019-03-06 The Book of Revelation has been a mystery to many people for many years One of the basic roadblocks to understanding the Book of Revelation has been the fact that there is no Temple in Jerusalem The Temple was destroyed in AD 70 so for almost two thousand years since the Book of Revelation was written there has been no Temple in Jerusalem Nevertheless John the author of Revelation was instructed to Measure the Temple Revelation 11 1 8 Daniel spoke of how the Anti Christ would Stop the Daily Sacrifices at the Temple Daniel 12 4 13 Paul spoke of how the Anti Christ would sit as God in the Temple of God and proclaim that he was God 2 Thessalonians 2 1 5 Jesus spoke of the coming Tribulation and mentioned the Abomination of Desolation which occurs inside the Temple Mathew 24 15 21 Mark 13 14 19 But from AD 70 until May 1948 Neither the Temple nor the Nation of Israel existed This book will walk you through the exact Sequences of when each Biblical Event occurs and give you the exact Bible References so that you can see the actual Biblical Sequence of Events for yourself The First Chapter will close with a List of 12 Events all in Sequence all with actual Bible References The Final Chapter will close with a List of over 100 Events all in Sequence all with actual Bible References If you ever wanted to know
