Wedding Made in Heaven Sherry England, 2006-07 Many Christians are not familiar with ancient Jewish customs and so they can sometimes miss what the Bible says Jesus told the people of his day God s plan of salvation through their wedding customs What if Jesus told the plan of salvation as though it were a wedding of today How would it affect believers Social Issues *If Not "Pre-Trib Rapture," Then What?* Teri Sue Riddering TH.D., 2020-01-22 This book is a careful attempt to explore and fill in the picture of the eschatological puzzle using the entire Biblical Scripture cohesively within a conceptual framework of two peoples Jew and Christian who are His people of the New Covenant Jer 31 31 Matt 2 28 united under one Messiah as one new man Eph 2 15 Using solid hermeneutical practices the author attempts to disprove some major aspects of the Pretribulational Rapture theory because it produces a distorted picture of future events regarding the relationship between Jews and Christians She has organized prophetic past present and future events into a logical and coherent sequence that more closely resembles historical reality and God s eternal plans At the end she highlights some of the similarities between Christian and Jewish eschatologies and then describes the final outcome of God s purposes with mankind while offering some suggestions as to what Christians can do as they await victoriously for the converging of both eschatologies and the fulfillment of all things *Bible Prophecy Under Siege* Ron Rhodes, 2024-02-13 Understanding and Answering False Claims about Prophecy Many people today cast doubt on the promises God gives his church in Bible prophecy as predicted by Scripture itself Scoffers will come in the last days with scoffing following their own sinful desires They will say Where is the promise of his coming 2 Peter 3 3 4 Bible Prophecy Under Siege provides a thorough survey of the misunderstandings and misguided thinking people sometimes have about the last days Prophecy expert Ron Rhodes offers you careful guidance through these differing viewpoints and you will learn the ways Bible prophecy is under siege and how to respond to false claims biblically gain helpful historical insights about the rapture and other prophetic issues be emboldened to hold firmly to prophetic biblical truth during trying times be encouraged to live with conviction rooted in God s Word With

a perspective grounded in the Bible you will be equipped to discern flawed views on prophecy rest secure in immovable truth and grow in anticipation of the day when Christ will make all things new *Matters of Consequence* Dr. Rick Young, 2018-02-22 *Matters of Consequence* Critical Eschatological Issues Impacting Endtime Preparation is the authors dissertation for a doctor of philosophy in eschatology from the Luder Wycliffe Theological Seminary Endicott New York Dr Rick Young applies the proven methods of emergency preplanning and crisis management to better prepare Christians for the prophetic end time events foretold in the Bible By means of developing the worst case scenario concept he challenges the reader to think through countermeasures for that vital preparation In this way eschatology actually becomes practical

LIFESAVER: Rescuing God's People from the PTR Ship John F. Finkbeiner, 2013-03-31 Nothing is more crucial to survival during the dark days ahead than knowing the truth While lies evil schemes and frauds increase daily one book the Bible stands in stark opposition to deceit God s Word shines as a beacon of light directing the storm tossed wayfarer safely to the peaceful shore *LIFESAVER* was written to expose the hypocrisy the abuse of trust and the fatal flaws in modern American Christianity s most popular and trumpeted position on the end times the Pre tribulation rapture PTR view Twenty five 25 powerful arguments called Torpedoes are launched from *LIFESAVER* s pages each argument sufficient to sink the PTR ship before it invites the innocent to board her for its last doomed voyage Without malice angry rhetoric or unfair personal attacks chapters such as *The Rapture Isn t Next Good Fiction* *Desertion* and *No Trouble* dissect the clever speech remove the fa ade and expose the holes in an interpretation of prophecy that will not hold water The only weapon used by *LIFESAVER* in this

war of ideas is Scripture that is rightly interpreted Though shooting torpedoes at the flaws fallacies and inaccuracies in the PTR ship must be done LIFESAVER has another purpose The author not only goes after the easy to target weak supporting pillars of PTR such as any moment rapture and Christians will escape the Tribulation but he provides a thoroughly rational and solidly Biblical alternative for Christians to embrace the Pre wrath rapture position What LIFESAVER wants to alert every sincere believer to is that there is a true Biblical eschatology Doctrine of Last Things that surfaces when objectively utilizing the Five Basic Rules of Bible Interpretation Sadly because it threatens their power and prestige knowledge of the Pre wrath rapture view is the very thing the PTR elite tries to undermine with distortions or attempts to hide by shutting it out of the debate As time runs out on this present age the Spirit is awakening those who belong to God It is time for the saints to understand what is false and what is genuine Since Christ is coming soon his people are not only to grasp what he has taught but to proclaim his plan of salvation that was revealed by the prophets Deliverance will come to those prepared to weather the most severe challenges that believers of any generation have ever faced LIFESAVER alongside the Bible will help make the difference between catastrophe and triumph between despair and everlasting joy or between falling short and being an over comer It is time for truth not feel good theology It is time for strong faith It is time for LIFESAVER

Walls, 2007-12-03 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise In addition to its popular resurgence in recent years some of the world's most important theologians have returned eschatology to its former position of prominence The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence A MURDER OF CROWS CHARLES E. Marshall, 2007-04-11 Beginning in 1976 with the first issue of the journal *Studies in Medievalism* all things medieval and the concept of medievalism became a hot topic in culture studies Medievalism examines how different groups individuals or eras use and shape the image of the Middle Ages differentiating between historical knowledge of the Middle Ages and what we have made the period out to be The 13 essays in this book explore the medieval invasion of today's media and consider the various ways from film and print to websites and video games that the Middle Ages have been packaged for consumption Essays encompass diverse theoretical perspectives and are grouped loosely around distinct functions of medievalism including the exposure of recent social concerns the use of medieval images in modern political contexts and the medieval's influence on products of today's popular culture The legitimization of the study of medievalism and the effect of medievalism on the more traditional subject of medieval studies are also discussed Instructors considering this book for use in a course may request an examination copy here Bible Prophecy for Everyone Tim LaHaye, 2016-03-01 This book by bestselling

Tim LaHaye contends that his bestselling Left Behind series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections The Left Behind Sensation Putting Tim LaHaye s Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter Readers will learn to develop a simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society **The Posttribulational Rapture of the Church** Bruce Tucker,2001-12-17 There are numerous texts written about the rapture and the end times A brief excursion to your local Christian bookstore will provide ample evidence of the interest in this topic From time to time people will attempt to give their text a twist or a slant in order to make their text different from the others Nevertheless most books about the rapture present the standard pretribulational argument and their unique nesses rest primarily in the contemporary issues which have stimulated the renewed discussion New developments in the Middle East will usually generate a new set of books Today the New World Order Y2K and even El Nino have provided fresh grist for predicting an imminent rapture The interest enthusiasm publications and even movies about the rapture are still increasing A series of fictional novels about the tribulation period are cranked out monthly Recent Hollywood motion pictures including Left Behind are based upon this This book is different for several reasons It does not emphasize any contemporary issue or current events which relate to the pretribulational scenario Instead it will spend its energies on specific biblical principles and doctrines and leave the application of those doctrines to the reader What is more unique is that this book promotes a posttribulational rapture a position which is different from most of the other books and it critiques the theology of the pretribulational rapture which is the foundation for most of the other texts Books which promote a posttribulational rapture are few indeed and they are often too technical for the average lay person There is a need for a book which is a comprehensive look at the rapture question and yet attempts to keep the language more understandable To achieve the goal of being comprehensive this book is divided into three parts 1 a critique of the major arguments for a pretribulational rapture 2 an analysis of the major biblical sections which discuss the rapture and 3 a selective commentary on the Book of Revelation The first section defines and

evaluates the major pretribulational arguments These arguments are repeated time and again in books promoting a pretribulational rapture They are significant because they either help sustain a pretribulational rapture if justified or they weaken it significantly if not The church is not destined for wrath The rapture must be imminent The distinction between the church and Israel The posttribulationists spiritualize the Bible The types and parables teach a pretribulational rapture The differences between the rapture and second coming The second part of the book is an exposition of the major sections of the Bible which discuss the rapture As the first part writes from the perspective of systematic theology the second part deals with biblical theology The Bible is evaluated independently from a system of theology and attempts to interpret the major texts on the rapture Here are the passages to be addressed The rapture passages in the Gospels The rapture passages in First and Second Thessalonians The rapture passages in First Corinthians The rapture passages in Second Peter The third part focuses upon the Book of Revelation No discussion of the issue of the rapture or eschatology could be complete without including a discussion on this book This book is both complicated and controversial and my intent is not to write a complete commentary about Revelation but only to discuss what is necessary to

The Time Is Near Ian Foley, 2014-10-02 Evidence is accumulating that the current global civilization we enjoy is rapidly moving toward a crisis of expensive resources water security global warming and potential military conflict centred in the Middle East The Bible suggests that God anticipated the situation we see today as an inevitable outcome of our selfishness and greed In this first of two volumes author Ian Foley proposes the idea that the decline and collapse of this civilisation is part of the end time picture that the Bible gives The Old Testament book of Daniel lays out the first half of this picture starting from the Jewish exile to Babylon at the beginning of the sixth century BC and tracing the rise and fall of ancient empires It then introduces the founder of the final empire which will be completed when Jesus returns Through all this history Daniel depicts the tiny nation of Israel surviving exactly as the prophet Jeremiah predicted Like an unfolding detective story Gods drama is revealed piece by piece so that we gradually come to understand up until the fall of the Roman Empire with the final exciting revelation in Daniel 11 12 completing the picture This study begins to reveal why there is so much confusion with our end time theologies and suggests a new revelation that is clearer and less ambiguous integrating the books of Daniel and Revelation into a single unambiguous message
