Brannon,2022-08-05 The Story of Revelation The Bible s Climactic Book Unraveled in a Modern Easy to Understand Story Guide By Patrick J Brannon Why is Revelation so hard to understand Why is it so confusing Why do people have so many contradicting beliefs Why can t I just read it and understand the actual order of events Answer the story telling style used in the Books of Revelation is not the same one we use today When we try to place our modern style onto the Bible s ancient style the result is utter confusion The Story of Revelation takes the mystery and confusion out of the End Times Timeline Using an easy to understand chapter by chapter breakdown of the book of Revelation the End Times will take shape before you like you have never seen It will satisfy your desire to understand Biblical events while using the story telling style you have always used In The Story of Revelation learn about The Bible s Ancient Story Telling Style And how it s different today s When the Rapture Takes Place You may be in for a shock The Arrival of the Antichrist It s probably not when you think When the Wrath of God Actually Occurs Revelation specifically takes you What the Return of Jesus Looks Like Hold onto your seats And Much Much More Take the guesswork out of Revelation s timeline so you do not miss anything Grab your bible and learn the order of End Time events as told by Jesus Himself **Revelation Bible Study The Last Seven Years** Kathleen Dalton,2015-07-02 My goal for this chapter by chapter Bible study in Revelation is that we will be overtaken with that sitting in the back seat are we there yet longing that will only go away once we see the arrival of Jesus Christ into our world for the second time in history The first time He came as a baby The second time oh my Let s think of world history as a stage and imagine there are a series of curtains on that stage curtains that are fairly see through so that as each curtain is removed the

one person standing on the stage gets easier and easier to see That may help us realize what has been happening since the creation of the world and what will be happening as the events of Revelation unfold Every event points to Jesus Every mercy every disaster every judgment every moment of grace all of them reveal Jesus to us more and more and more until finally we see Him clearly in Revelation Chapter 19 mounted on a white horse returning to be King over the world that was made for Him

Revelation Revealed Dr. Paul A Vallee,2019-11-22 In popular culture the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity s enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and crisis In Revelation Revealed Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today s readers This book is the culmination of forty years of biblical study The content was originally presented to a live audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming

Revelation J.E. Gulbrandsen,2019-05-15 Revelation is possibly the most controversial book in the bible Some famous theologians have even suggested to remove it from the bible cannon because it is so hard to understand I will argue it is not that difficult to make sense of as long as we manage to place it on Gods timeline in history and understand Gods relation and reaction to an unrepentant Israel If we allow the bible text to be our theology in stead of trying to fit the bible into our theology it all comes together nicely It is Jesus speaking in Revelation It is not a book to be ignored but to be studied diligently It helps us understand where we are in history on Gods timeline The book in front of you is a commentary to the essential message chapter and verses in the biblical book Revelation You can not fully understand who Jesus is until you understand Revelation Suddenly the overall message of the bible comes together Exciting This book is for bible readers that would like to be challenged and to understand the bigger picture of what God is trying to teach us through his word If you on the other hand have a theology cemented in cherry picked bible verses and religious denominational tradition this book most likely is not for you
