Revelations A Collection Of Gay Male Coming Out Stories:

Revelations Wayne Curtis, 1988 **...And Then I Became Gay** Ritch Williams-Savin, 2013-09-05 *And Then I Became Gay* is about the lives of young men who express the complications adversities and satisfactions of being a sexual outsider in North America during the 1980s and 1990s Consisting of narratives which chronicle developmental progression from first memories of being attracted to other males to a subsequent integration of their sexual identity with a personal identity this book is also unique in its cross section of men from different ethnic backgrounds Although each story in this volume has a personal meaning to the individual youth disclosing it aspects of these narratives can express a normative experience growing up gay or bisexual during the past two decades For many of the contributors and readers these stories may prove to be not only ones of coming out but coming of age **"--and Then I Became Gay"** Ritch C. Savin-Williams, 1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company *Telling Sexual Stories* Ken Plummer, 2002-11-01 This book explores the rites of a sexual story telling culture and examines the nature of these newly emerging narratives and the socio historical conditions that have given rise to them **Forging Gay Identities** Elizabeth A. Armstrong, 2002-12-15 Unlike many social movements the gay and lesbian struggle for visibility and rights has succeeded in combining a unified group identity with the celebration of individual differences *Forging Gay Identities* explores how this happened tracing the evolution of gay life and organizations in San Francisco from the 1950s to the mid 1990s **Lesbian, Gay, and Bisexual Identities Over the Lifespan** Anthony R. D'Augelli, Charlotte Patterson, 1995 Over the last fifteen years psychological research regarding sexual orientation has seen explosive growth In this book Anthony R D Augelli and Charlotte J Patterson bring together top experts to offer a comprehensive overview of what we have discovered and what we still need to learn about lesbian gay and bisexual identities Writing in clear nontechnical language the contributors cover a range of topics including conceptions of sexual identity development over the lifespan family and other personal relationships parenting and bigotry and discrimination *Lesbian Gay and Bisexual Identities Over the Lifespan* is essential reading for researchers students social scientists mental health practitioners and general readers who seek the most up to date and authoritative treatment of the subject available **Keeping Family Secrets** Margaret K. Nelson, 2022 Drawing on 160 published memoirs this book explores the costs and benefits in the post WWII period in the United States both for individuals and for families of keeping secrets about homosexuality institutionalization of children with disabilities unwed pregnancy involvement in left wing political activities adoption and Jewish ancestry *Sexual Fluidity* Lisa M. Diamond, 2008-02-28 Is love blind when it comes to gender For women it just might be This unsettling and original book offers a radical new understanding of the context dependent nature of female sexuality Lisa M Diamond argues that for some women love and desire are not rigidly heterosexual or homosexual but fluid changing as women move through the stages of life various social groups and most important different love relationships This perspective clashes with traditional views of sexual orientation as

a stable and fixed trait But that view is based on research conducted almost entirely on men Diamond is the first to study a large group of women over time She has tracked one hundred women for more than ten years as they have emerged from adolescence into adulthood She summarizes their experiences and reviews research ranging from the psychology of love to the biology of sex differences Sexual Fluidity offers moving first person accounts of women falling in and out of love with men or women at different times in their lives For some gender becomes irrelevant I fall in love with the person not the gender say some respondents Sexual Fluidity offers a new understanding of women s sexuality and of the central importance of love

Gay And Lesbian Students Hilda F. Besner,Charlotte I. Spungin,2023-01-06 In an average US secondary school 10% of the student population is homosexual yet only a small number of American school districts have taken positive steps to address the problems associated with gay and lesbian students in the predominantly heterosexual educational setting This book aims to raise awareness of the problems encountered by these adolescents in schools and of the effects of these problems on the dropout rate academic achievement substance abuse AIDS teenage pregnancy school violence and suicide Designed to promote understanding and dispel myths about gay and lesbian teenagers the volume also makes curriculum suggestions to advocate self acceptance and tolerance and to reduce homophobia among heterosexual teenagers It seeks to explain how institutional homophobia has affected the belief system and behaviour of a large segment of the American population Various themes concerning the origins of sexual development are discussed as is information concerning students who are children of gay and lesbian parents
