**Revelations to Go! Workbook** Brian J. Buriff, 2003-03 The Labors of Herkimer is the tale of a country boy from a small town in Iowa Herkimer Hampton When in adolescence his mother dies he is shipped off by his father Chief Justice of the Iowa Supreme Court to be ward of the judge's cousin in New York City While small in stature Herkimer has developed great physical power through a program of weight lifting and karate He has also a powerful sense of right and wrong instilled by the judge These two physical and moral strengths give him the incentive to perform several acts of heroism each echoing one of the feats of the legendary hero Hercules For instance He foils a robbery attempt at a shop where he is a summer employee emulating Hercules' killing of the Nemean lion In college he brings to judgment the campus bully Hercules' killing of the giant Anteus And later as an employee of a Wall Street firm he performs some remarkable deeds very bountiful to his employers In this age of cynicism a tale such as this must be presented as satire Still it is possible that such a young man does exist

Allen Daves, 2013-12 The book of Revelation offers us an interesting theological dilemma It states Rev 22 16 I Jesus have sent mine angel to testify unto you these things in the churches Revelation also states it is the true sayings of Jesus and that it is the testimony of Christ If this is not the gospel of Jesus Christ then what is it and should we consider it accursed testimony of an angel If it is not to be considered accursed then it cannot be some other gospel message then what was already given previously However this is the conundrum for if this is the gospel message then why do so few understand it There is a possibility which few consider but is the overall thesis of this apology The reason people don't understand revelation is because they never understood what the gospel message was in the first place In that case where does that put those who claim it is not essential for salvation Do you not find it quite curious that the most Personally given NT book By Jesus himself is the least understood and given the least importance for Salvation in Christendom There are numerous preachers and bible exegetes but as Paul said I bear them record that they have a zeal of God but not according to knowledge Most who profess the name of Christ are feeding on doctrines of devils and the ignorant There are without question many qualified teachers and scholars with many years of dedication and solid education However teachers no matter how well lettered or numbered in degrees if obtained from others who are just as equally ignorant in such matters are just blind leaders of the blind And if the blind lead the blind both shall fall into the ditch
