Psychics, Sensitives and Somnambules Rodger I. Anderson,2015-01-27 Claimants of paranormal abilities have always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory making the work ideally suited as a permanent reference

**Immortal Longings** Trevor Hamilton,2015-12-01 Immortal Longings FWH Myers and the Victorian search for life after

death is the first full length biography of Frederic W H Myers leading figure in the Society for Psychical Research and friend and associate of Browning Gladstone Ruskin Tennyson Swinburne Henry James Prince Leopold and other influential Victorians The book offers a fascinating insight into a key period in the development of Victorian thought Among many things it covers 1 Extraordinary Phenomena Myers investigated extraordinary phenomena much of which is still reported today out of body experiences and astral projection near death experiences poltergeists gurus like Madame Blavatsky claiming strange powers mediums both private and public and haunted houses for example the giant warrior haunting a chateau near Heidelberg the Cheltenham Ghost that was seen by a considerable number of people and the odd doings at Ballechin House in Scotland which caused a scandal in the press 2 Life After Death Investigations Myers believed he had virtually proved life after death by a the link he thought established between hundreds of apparitions and living or dead human beings b the messages that the outstanding mediums Mrs Piper and Mrs Thompson gave him from his first great love Annie and his intimate friend and co worker Edmund Gurney which contained information the medium could not know and was delivered in a way highly characteristic of the personality concerned 3 Automatic Writing Some researchers have claimed that he has returned after death and proved his continued existence through the automatic writings of a number of mediums in England America India These writings continued for thirty years 4 Romance Suicide There is also love tragedy and jealousy in Myers life His first great love Annie a married woman committed suicide and Myers wife a rather possessive person tried to prevent any detail about this being made public after his death even though the relationship was platonic This inhibited the work of researchers who were trying to verify the post mortem communications from Myers since for many years they could not check the facts 5 Credibility Myers researches led him to forming a view about human personality and psychology which Aldous Huxley has said is much richer than Freud s

William Crookes (1832-1919) and the Commercialization of Science

William H. Brock, 2016-12-14 William Crookes long life was one of unbroken scientific and business activity culminating in his appointment as President of the Royal Society in 1913 Throughout his career he was an important science journalist the discoverer of thallium the inventor of the radiometer investigator of cathode rays and the vacuum a spectroscopist of significance in rare earth chemistry and a spokesman for a chemical solution to the problems with the world s food supplies He was also and perhaps most controversially an occultist who played a significant role in spiritualism in the 1870s and was involved with D D Home Browning s Mr Sludge and other notable mediums of the day Previous literature on Crookes has tended to focus on his involvement with the spiritualists sometimes to the detriment of his many scientific achievements This the first biography of William Crookes gives us the whole man one of the most complex public and interesting figures in the history of science Professor Brock guides us through the abundant catalogue of Crookes accomplishments placing his scientific activities in the context of the business of making a living from science something that Crookes did principally as a science journalist and editor with his Chemical News the model for today s Nature and by business enterprises ranging from

water analysis sewerage schemes and goldmining to the design of electric light bulbs We also see Crookes in the lab as an independent researcher and learn the processes behind his discovery of thallium his investigations into matter and energy and his crucial work on cathode rays We see the public man the celebrity who was much sought after for his opinions on the latest discovery and who was widely regarded as Britain s leading scientist at the beginning of the twentieth century Scientist spiritualist entrepreneur Sir William Crookes extraordinary life and many endeavours provide a unique window into Victorian and Edwardian science and industry      **The Bridge Between Two Worlds** Abby A. Judson,1996-09      **The Ghost Hunters** Peter Underwood,1985 A leading psychical researcher takes an in depth look at ghost hunters both past and present Who are these intrepid explorers of the unknown How do they probe and examine the realms of the seemingly inexplicable What are their conclusions In fascinating detail Peter Underwood profiles the lives and adventures of some of the most famous names in psychical investigation      *Music, Witchcraft and the Paranormal* Melvyn J. Willin,2005 A series of essays on parapsychology and psychical research with special reference to the importance of music in paganism and witchcraft The author investigates the use of music in telepathic contact using controlled experiments He looks at mediums who claim contact with dead composers and people who have heard ghostly music are also examined      The Dictionary of the Esoteric Nevill Drury,2004-01-01 With over 3000 cross referenced entries this is an invaluable reference to the mystical and esoteric traditions It gives succinct definitions in the fields of magic hermeticism alchemy spiritualism parapsychology eastern and western mysticism mind and consciousness research divination tarot and a variety of less well known subjects It also features biographies of leading figures in the field with details of their lives philosophies and writings from astrologer Evangeline Adams to the prophet Zarathustra
