Revelations of Divine Love Julian of Norwich, 2015-05-14 All shall be well and all shall be well and all manner of thing shall be well Julian of Norwich is one of the most celebrated figures of the English Middle Ages She is esteemed as one of the subtlest writers and profoundest thinkers of the period for her account of the revelations that she experienced in 1373 Julian lived as an anchoress in Norwich and after recovering from a serious illness she described the visions that had come to her during her suffering She conceived of a loving and compassionate God merciful and forgiving and believed in our ability to reach self knowledge through sin She wrote of God as our mother and embraced strikingly independent theological opinions This new translation conveys the poise and serenity of Julian s prose style to the modern reader It includes both the short and long texts written twenty years apart through which Julian developed her ideas In his introduction Barry Windeatt considers Julian s astonishingly positive vision of humanity and its potential for spiritual transformation ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more Bulletin , 1902 **Revelations of Divine Love (Royal Collector's Edition) (Case Laminate Hardcover with Jacket)** Julian Of Norwich, 2024-10-22 Revelations of Divine Love by Julian of Norwich is a medieval Christian mystical text notable for being the earliest surviving book written in English by a woman It details sixteen mystical visions or shewings that Julian experienced in 1373 while on her deathbed After recovering Julian documented these visions in a short manuscript known as the Short Text Over the following decades she expanded upon her reflections producing the more extensive Long Text both of which were written in Middle English The

work gained renewed interest centuries after Julian's death. Her writings were preserved through various manuscripts with the Long Text first published in 1670 by Benedictine monk Serenus de Cressy. The 19th century revival of her work led to multiple reprints and in 1901 Grace Warrack's translation introduced Julian's insights to a wider 20th century audience. Revelations of Divine Love continues to be studied for its profound spiritual reflections and historical significance in Christian mysticism. This case laminate collector's edition includes a Victorian inspired dust jacket. **Miraculous** Kevin

Belmonte, 2012-10-01 For thousands of years the hope of heaven has called to people through miracles. When we stop to consider their stories God's voice calls to us as well. In our age of constant innovation, technological achievement and the sad tendency to see ourselves as the captains of our fate, we may be tempted to make little time for miracles or give little credence to them. But to live our lives without a sense of the miraculous is to live impoverished lives. Our word for miracle comes from the Latin word *mirari* to wonder. And well might we wonder when we consider the nature of miracles and their purpose. It is here that a grand conversation beckons. God has been our help in ages past. He is our hope for years to come. To learn of holy events and people supremely to look upon the Savior is to see the power of God and how He has always sought to draw us to Himself. He is our eternal home. Miracles point the way there. Look at a night sky studded with numberless constellations of stars. Each is a celestial shard of glory bestowing glimpses of the eternal. Miracles in Scripture are like the stars. They like the heavens declare the glory of God. In these pages are scenes and lives touched by eternity, settings of almighty declaration, moments marked by deliverance by mercy or visionary unfoldings of God's divine intent. Kevin Belmonte provides learned insight into the profoundly important history of miracles. *Miraculous* is a richly researched text of wondrous things that have taken place from ancient times to the present. *Sarah Osborn's World* Catherine A. Brekus, 2013-01-08 In

1743 sitting quietly with pen in hand Sarah Osborn pondered how to tell the story of her life, how to make sense of both her spiritual awakening and the sudden destitution of her family. Remarkably the memoir she created that year survives today as do more than two thousand additional pages she composed over the following three decades. *Sarah Osborn's World* is the first book to mine this remarkable woman's prolific personal and spiritual record. Catherine Brekus recovers the largely forgotten story of Sarah Osborn's life as one of the most charismatic female religious leaders of her time while also connecting her captivating story to the rising evangelical movement in eighteenth century America. A schoolteacher in Rhode Island, a wife and a mother, Sarah Osborn led a remarkable revival in the 1760s that brought hundreds of people, including many slaves, to her house each week. Her extensive written record encompassing issues ranging from the desire to be born again to a suspicion of capitalism provides a unique vantage point from which to view the emergence of evangelicalism. Brekus sets Sarah Osborn's experience in the context of her revivalist era and expands our understanding of the birth of the evangelical movement, a movement that transformed Protestantism in the decades before the American Revolution.

McCray, 2019-10-16 Few have consoled the church as ably as the fourteenth century mystic Julian of Norwich However her prophetic gifts have received little scholarly attention Drawing on contemporary homiletical theory and the history of Christian spirituality Donyelle C McCray presents Julian as a preacher examining the apostolic dimensions of Julian's vocation as an anchoress and highlighting the steps she took to align herself with renowned preachers like Saint Cecelia Mary Magdalene and the apostle Paul Like Paul Julian saw Jesus' body as her primary text placed human weakness at the center of her theology and used her own confined body as a rhetorical tool Yet she navigated a web of censorship that threatened to silence her To voice her convictions Julian developed a novel approach to authority and exploited the fluidity of the medieval English sermon genre McCray charts this process revealing Julian as a central personality in the history of preaching whose best contemporary parallels operate outside the pulpit in august figures like retreat leader Evelyn Underhill gospel singer Mother Willie Mae Ford Smith and street preacher Reverend Billy
