rest of the social scene at Octavian Country Day School an exclusive private girls school in Westchester County New York Massie knows you d give anything to be just like her Dylan Marvil Massie s second in command who divides her time between sucking up to Massie and sucking down Atkins Diet shakes Alicia Rivera As sneaky as she is beautiful Alicia floats easily under adult radar because she seems so sweet Would love to take Massie s throne one day Just might Kristen Gregory She s smart hardworking and will insult you to tears faster than you can say my haircut isn t ugly      **Invasion of the Boy Snatchers** Lisi Harrison,2008-08-01 The holidays are over and Massie s room is chock full of new things from Santa jeans sweater and a new roommate Once Claire unpacks Massie s room feels more crowded than a Zac Posen sample sale But what s worse Claire isn t the only person moving into Massie s territory Alicia s hot cousin Nina shows up from Spain and starts edging in on all the Briarwood boys including Massie s crush Will Nina with her super tight mall clothes make every boy in Westchester fall in love with her Or will Massie toss her out faster than last season s Sevens jeans The social minefields of Westchester County s most privileged middle school girls drive the page turning action of this addictive series set in New York City s most elite suburban county The Clique the only thing harder than getting in is staying in      **Monster High: Back and Deader Than Ever** Lisi Harrison,2012-05-01 The RADs are free and Draculaura Lala is flashing her fangs with pride But when Daddy Drac pays her a surprise visit everything goes batty Mr D thinks RADs should have their own school but Lala isn t ready to give up the rights they fought so hard for It s father against daughter in a battle for Salem s student body Despite the many challenges Lala is determined to save Merston High But she might die twice while trying      Crossing Textual Boundaries in International Children's Literature Lance Weldy,2011-01-18 As the first part of the title indicates my interest in looking at intertextuality and transformation still maintains a prominent place throughout this book as well If we believe that no text is an island then we will understand that the relationships between and within texts across the years become a fascinating place for academic inquiry I included the word boundaries into the title because we never get tired of voicing our opinions about texts which traverse relegated boundaries such as genre or medium Not only am I interested in discussing what these changes across boundaries mean socially historically and culturally but also what they mean geographically which accounts for the second part of my title I am very excited that this book will be placing even more emphasis on children s literature in an international scene than my first book did in the sense that I have added more scholars on an international level I hesitate to list the nationalities of all of the contributors here because quite a few have themselves crossed international boundaries in different ways by either studying abroad or finding permanent residency in foreign countries Nevertheless the writers have lived extensively in or identify as being from Australia Canada England Finland Germany Greece Iceland Ireland Israel Norway Spain Sweden Turkey the United States of America and Wales
