

# The Mass Media

- The mass media is an important linkage institution. However, its political role has not been reflected on AP U.S. Government and Politics exams. Of the 360 released multiple-choice questions, less than 10 focused on the mass media. Of the 44 free-response questions asked between 1999 and 2009, just 2 have focused on the mass media. Given this minimal coverage, do not spend too much of your time reviewing the mass media.. All of the key points asked thus far are included in this chapter
