exactly alike However basic principles are reflected here which recur in all genuine spiritual awakenings. The sense of need effectual prayer confession and repentance imparting of new life infilling of the Holy Spirit and compulsion to tell the good news to others these are relevant to every age The authors of these stories are well qualified to speak having experienced the events which they describe Henry C James an alumnus was himself converted during the revival of 1950 and Paul Rader student leader on the Asbury campuses was an active participant in the 1958 awakening They are thus enabled through their close association with these revivals to transmit much of the moving drama of those days It is my hope that those who read these pages will catch something of the spirit which motivated its writing But even more I trust that many will be inspired to pray to work and to believe God for revival today The power of God is the same The conditions for revival have not changed We are the only variable factors in experiencing greater things than described in these pages Trusting that this book will be used to open our eyes I join the Psalmist in praying Wilt thou not revive us again that thy people may rejoice in thee Psalms 85 6 Robert E Coleman PhD Sollie E McCreless Professor of Evangelism Asbury Theological Seminary CONTENTS Introduction Preface 1 My Pepole 2 A Needy People 3 A Praying People 4 A Spirit Possessed People 5 A Witnessing People 6 Transformed Persons 7 Patterns and Problems 8 Evaluation 9 Sequel **Seeking Him** Nancy Leigh DeMoss, Tim Grissom, 2009-09-23 Revival is not just an emotional touch but a complete transformation It can happen in your heart in your home in your church in your world Seeking Him is a 12 week interactive study on personal revival Get ready to experience the freedom and joy of an honest and humble heart true repentance God's amazing grace genuine holiness a clear conscience radical forgiveness sexual purity and walking in the Spirit Each week includes five days of individual study guestions for group discussion and interaction testimonies of changed lives and Making it Personal questions and exercises God says that if you seek Him you will find Him What are you waiting for Mountaintop Moments Ed Robb, 2019-08-06 Mountaintop moments those moments when we experience the power love and grace of God in a way difficult to capture with words They give us a sense of God's presence in our lives and often change our perspective of who God is and who we are In this book Dr Ed Robb connects personal mountaintop experiences in our spiritual life with the mountains in the Old and New Testament and the events related to this sacred places Additional components for a six week study include a DVD featuring Dr Ed Robb and special guest as well as a comprehensive Leader Guide The Power of Surrender Michael Catt, 2010-02 Michael Catt senior pastor of Sherwood Baptist Church and executive producer of hit films Facing the Giants and Fireproof believes the word revival has been used in so many ways as to lose its meaning altogether The Power of Surrender his third book in the ReFRESH series after The Power of Desperation and The Power of Persistence reminds the church that revival really means 1 focusing on confession and cleansing 2 making repentence and restoration a priority and 3 walking in the fullness of the Holy Spirit and abiding in Christ Surrender is the key to revival which is the key to spreading the gospel Catt has witnessed the fruits of these disciplines at his congregation firsthand We are now seeing people walk through the baptismal waters

The Great Revival John B. Boles, 2021-12-14 Drawing upon the religious writings of southern evangelicals John Boles asserts that the extraordinary crowds and miraculous transformations that distinguished the South's First Great Awakening were not simply instances of emotional excess but the expression of widespread and complex attitudes toward God Converted southerners were starkly individualistic interested more in gaining personal salvation in a hopelessly evil world than in improving society As Boles shows in this landmark study the effect of the Revival was to throw over the region a conservative cast that remains dominant in contemporary southern thought and life
