Goliath Barbara J Yoder, 2012-10-08 We live in a spiritual war zone and we need to become a godly warrior generation that can confront the forces attempting to thwart the purposes of God for His people today Only an encounter with God will bring revolution and a supernatural faith that will apprehend the impossible Taking on Goliath inspires the believer to arise as a warrior and go into all the world and change it Blood and Fire Nigel Scotland, 2022-08-11 In this book historian Nigel

Scotland examines ten powerful revival movements that hugely impacted the social life and culture of large sections of America and the British Isles Revivals represent a high point of Christian experience renewing and empowering the life and worship of Christian communities In consequence they draw large numbers of new people to personal faith in Christ which in turn brings lasting and positive change to social life and culture In this book special attention is given to the ways in which vibrant Christian faith challenged racism fought and overcame slavery helped to birth trade unions campaigned for temperance led to a rapid growth in education from Sunday schools to universities provided equal opportunities for women and renewed family life and relationships **Elephants in the Church** George Bloomer, 2014-07-01 Where Are the Truth

Tellers Our world is facing serious problems that pose genuine threats to our safety our economy our health and our very survival Sadly partisanship and allegiances to special interests are preventing our nation from taking the needed action on such matters And where is the church at this perilous time in history Instead of proclaiming God's wisdom on the issues of our day many of us are either too blinded by political affiliations or too afraid to let our voices be heard While resisting the predictable labels of Democrat and Republican Bishop George Bloomer holds both sides accountable by boldly examining some of the most polarizing yet important issues of our time Abortion Poverty and income inequality Gay marriage Racial relations War and the military industrial complex Gun control Christians will never succeed in impacting the culture if they remain emasculated by political correctness and afraid to speak the truth Change is possible only when brave and audacious men and women are willing to confront evil and injustice through their words and their actions Now! Faith (A Sojourners Guide to the Fourth Dimension) Colin Lambert, 2018-04-18 This book is about friendship with the Holy Spirit submission to the Lord Jesus Christ and principles that will produce fruit in a believer's life It is about faith principles and the outworking of

Daniel G. Caram,2015-09-18 Rev Caram s commentary on the history of the Church is designed for ordinary people who desire to learn more about their Christian heritage The early Church had gradually departed from the pattern taught to them by the apostles and fell away into an era that history has termed the Dark Ages However Rev Caram shows what brought the Church into the light of truth and how the world is still looking for those who are valiant for the truth and not afraid to proclaim it EVANGELISM - The Responsibility of the Church in the 21st Century Dr. Michael McKinney,2006-04-27 The church s mission has not changed in 2000 years Churches need to become hubs for the training of evangelists and marketplace leaders rather than entertainment centers It s time for leadership to wake up and realize prosperity without purpose is creating a climate change in our churches apathy and lukewarmness Refocus your vision Refire your passion for souls Wake up the mission is still as important as ever *In Awe in Argentina* Rocky Grams,2006 Read exciting testimonies about miracles that are taking place in Argentina and how God not only has a plan of revival for this country but for other countries 022X Argentina Faith Reads David Rainey,2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction
