Reviving the Stones David L. Hocking, 1991-01-01 Reviving a Generation Duerre Thomas, 2006-03 *Impact Leadership* Kenneth Jones, 2019-12-05 Every leader realizes that there will be obstacles to cross over conflicts to resolve and more than likely opposition to face as part of achieving one's purpose complete organizational goals and the success of individual or church vision Nehemiah provides for us an excellent example of one who was able to accomplish his God given vision in the face of opposition obstacles and conflict Throughout this book we see his strategy of responding instead of reacting to challenging circumstances the actions of others and the obstacles he faced If you are facing challenges today as a leader in your church or organization these principles will enhance your ability to lead and win Biblical Theology of Life in the Old Testament Albert J. Coetsee, Francois P. Viljoen, 2021-11-30 Life is a primary theme in Scripture expressed in the rich diversity of the various books corpora and genres of Scripture Much has been published on what Scripture teaches about life and death To date however no comprehensive biblical theology in which the concept of life is traced throughout the different books and corpora of the Old and New Testament has been published It is this lacuna that this book aims to fill assuming that such an approach can provide a valuable contribution to the theological discourse on life and related concepts The primary aim of this book is to give an indication of the different nuances of the concept of life in the various books and corpora of the Old and New Testament by providing the reader with a book by book overview of the concept of life in Scripture The secondary aim is to give an indication of the overall use and function of the concept of life in the Old Testament the New Testament and Scripture as a whole The latter is provided by using the findings of the book by book overview of the concept of life in Scripture to draw the lines together Rebuild: Restoring Your God-Given Identity Marilyn Hickey, 2022-11-14 God created you in His image and endowed you with unique talents attributes and giftings specific to His call on your life In this book Marilyn Hickey will show you how to walk in the confidence of your God given identity by studying the rebuilding of the walls of Jerusalem by Nehemiah See how the 12 gates of Jerusalem's wall represent different areas of your identity and learn when they should be open and when they should be closed Discover how the children of Israel shrugged off the nay sayers to fulfill their destinies and how you can do the same thing in your life Rebuild Restoring Your God Given Identity also looks at other biblical greats and some not so greats like Joshua Gideon David Samson Abraham and Sarah Eli Hannah Samuel Elijah Peter Barnabas and Mark God has given you the potential for a wonderfully unique and healthy identity so that you can live out His kingdom purpose for your life with boldness and confidence Discover the principles of restoring the walls of your identity through the help of our Savior and find success by allowing Him to rebuild the broken places in your life Stones for Bread A. A. Clines,1990-02-01 Readerly questions are raised when readers are explicitly and programmatically brought into the process of interpreting texts Traditionally the reader and readerly interest and identities have been screened out when we have set about interpreting texts and we have set our sights

on attaining an interpretation that should be as objective as possible Things are rather different now Not only is quest for objective interpretation seen as chimeric but the rewards of unabashed readerly interpretations that foreground the process of reading and the context of the reader have now been shown to be very well worth seeking That reader response approach characterizes this collection of six essays prefaced by an introduction to reader response criticism The essays for the most part read in their original form to meetings of the Society of Biblical Literature are What Does Eve Do To Help and other Irredeemably Androcentric Orientations in Genesis 1-3 What Happens in Genesis The Ancestor in Danger But Not the Same Danger The Old Testament Histories A Reader's Guide Deconstructing the Book of Job and Nehemiah Memoir The perils of Autobiography one of the liveliest writers on the Old Testament What Does Eve Do To Help does not disappoint and at times is hilariously funny C S Rodd Expository Times **Preacher and Homiletic Monthly**, 1920 **The Homiletic Review**, 1920 **Metropolitan Pulpit and Homiletic Monthly**, 1920 **National Message and Banner**, 1928

Illuminating Counsel Jonathan Teram, 2020-12-18 Illuminating Counsel How the Least Holy Books of the Hebrew Bible Explore Life's Most Important Issues is a study of eleven books of the Hebrew Bible known collectively as the Ketuvim or Writings Judaism considers these books to be less holy than the other books of the Hebrew Bible Most people don't even know the Jewish order of the books of the Hebrew Bible is different than the Christian order Many people seem to think the Hebrew Bible is antiquated and has little relevance to modern life Even Christians who value the Hebrew Bible as Holy Scripture tend to favor the New Testament Herein it is argued that the least holy books of the Hebrew Bible are life-changing pieces of literature Their poetry and prose cover virtually every emotion every behavior and every aspect of the human condition They are as relevant to the committed nonreligious as they are to the religious So if you want to plunge the depths of literary sublimity if you want to explore what it means to be human to struggle with your mortality to go through death's dark valley and come out on the other side to confront your pain and in so doing find healing then I invite you to read on and discover how the Hebrew Bible illuminates counsel *Bible pictures for little people, illustrating Old Testament scenes and incidents* Harry (uncle, pseud), 1884 **Literary Study of the Bible** Christopher Hodgkins, 2019-02-21 The most comprehensive and accessible introduction to scriptural art yet written Literary Study of the Bible An Introduction approaches each book of the Bible including several of the apocrypha with non-sectarian literary questions exploring the meanings that the Bible reveals when we read it like a poem narrative or play As a unique hybrid of introductory guide essential handbook historical survey and absorbing commentary this book fills a gap in literary Bible study with its fresh perspectives on the biblical writers many arts Readers will engage in wide range of textual approaches and interpretive traditions through this broadly informed accessibly written text Dr Christopher Hodgkins has taught Literary Study of the Bible for 25 years over which time he has field tested the many lenses of genre image language characterization plot and craft used throughout this book Tracing the sources composition and influences of the Biblical text this book places the Bible

in a tradition of ancient near eastern Hebrew and Hellenistic literary art giving new depth to the way we understand the familiar stories of scripture Unlike other literary introductions to the Bible this book uniquely combines these elements Approaches the Bible as a richly collaborative and coherent work of literary art exploring how earlier books influence the creation and interpretation of later ones Provides illuminating commentary supplemented by explanatory textboxes maps illustrations and study questions to enhance interest and expand learning Introduces poetic and narrative devices like doubling juxtaposition and irony within the context of scriptural art and editorial design Gives extensive attention to each biblical book resulting in the most comprehensive introduction to literary Bible study to date Presents these materials through an accessible and lively text permeated with references to both high and popular culture Literary Study of the Bible will be a welcome addition to personal school college and congregational libraries as well as an excellent text for students of the Bible in both secular and faith based settings Great Preaching on Revival ,1997
