the STFU describes the racial and social climate that shaped the union's emergence places the union's rise and decline within the context of 1930s politics and outlines the legacy of this remarkable organization **Sharecropper's Troubadour** M. Honey, 2013-11-19 Folk singer and labor organizer John Handcox was born to illiterate sharecroppers but went on to become one of the most beloved folk singers of the prewar labor movement This beautifully told oral history gives us Handcox in his own words recounting a journey that began in the Deep South and went on to shape the labor music tradition *There Is a Deep Brooding in Arkansas* Scott W. Stern, 2025-01-28 A sweeping study of sexual assault trials in the Jim Crow South detailing the racial and economic inequities of rape law and the resistance of ordinary women In the early years of the twentieth century Mississippi County Arkansas was a brutal and profitable place Home to starving landless farmers the county produced almost 2 percent of the entire world's cotton It was also the site of two rape trials that made national headlines an accusation that sent two Black men almost certainly innocent to death row and the case of two white men almost certainly guilty who were likewise sentenced to death but who would ultimately face a very different fate Braiding together these stories Scott W. Stern examines how the Jim Crow legal system relied on selectively prosecuting rape to uphold the racial gender and economic hierarchies of the segregated unequal South But as much as rape law was a site of oppression it was also Stern shows an arena of fierce resistance Based on deep archival research this kaleidoscopic narrative includes new information about the early career of Thurgood Marshall who called one of the Mississippi County trials worse than any we have had as yet and the anti rape activism of Maya Angelou who came of age in Arkansas and whose decision to write about her own sexual assault helped shape a burgeoning movement **Driven to the Field** David A. Davis, 2023-02-21 *Driven to the Field* traces the culture of sharecropping crucial to understanding life in the southern United States from Emancipation to the twenty first century By reading dozens of works of literature in their historical context David A. Davis demonstrates how sharecropping emerged endured for a century and continues to resonate in American culture Following the end of slavery sharecropping initially served as an expedient solution to a practical problem but it quickly developed into an entrenched power structure situated between slavery and freedom that exploited the labor of Blacks and poor whites to produce agricultural commodities Sharecropping was the economic linchpin in the South's social structure and the region's political system race relations and cultural practices were inextricably linked with this peculiar form of tenant farming from the end of the Civil War through the civil rights movement *Driven to the Field* analyzes literary portrayals of this system to explain how it defined the culture of the South revealing multiple genres of literature that depicted sharecropping such as cotton romances agricultural uplift novels proletarian sharecropper fiction and sharecropper autobiographies important works of American literature that have never before been evaluated and discussed in their proper context **Mean Things Happening in this Land** H. L. Mitchell, 2014-10-22 A rare firsthand chronicle of one of the most racially progressive unions in twentieth century America When during the Great Depression tenant farmers and sharecroppers were pushed off the land

they had worked but never owned many sought power in numbers by organizing unions In 1934 seven black men and eleven white men organized the Southern Tenant Farmers Union Socialist Harry Leland Mitchell was one of those men Mean Things Happening in This Land is his autobiographical account of SFTU struggles against poverty New Deal agencies communists and above all the southern planter class to achieve economic justice in the cotton fields In addition to its original foreword by renowned socialist intellectual Michael Harrington this edition contains a new preface by Samuel Mitchell and the author's posthumous corrections and additions The Farm Security Administration and Rural Rehabilitation in the South Charles Kenneth Roberts, 2024-01-12 This book fills an important void in the historical literature on New Deal reform and significantly updates Sidney Baldwin's 1968 book on the FSA Through the lens of the programs of the FSA Charles Kenneth Roberts does an excellent job of relating how New Deal programs attempted to rehabilitate poor rural southerners Aaron D Purcell author of Arthur Morgan A Progressive Vision for American Reform As the roaring twenties turned into the depressed thirties southern farmers far removed from the urban prosperity Americans had enjoyed during the 1920s heyday found already difficult farming conditions greatly intensified by the onset of the Great Depression Agricultural incompetence plagued the rural South through the misuse of land depletion of natural resources and a system of single crop farming that failed to adequately provide for growing families on small farms especially in the cotton producing Southeast Poverty and desperation came to define the farming communities of the rural South both in reality and in Americans' collective consciousness In The Farm Security Administration and Rural Rehabilitation in the South Charles Kenneth Roberts traces the administrative and political history of the Farm Security Administration FSA and reconciles the administration's goals with Franklin D Roosevelt's overall vision for the New Deal Roberts takes a grassroots approach to dissecting the FSA's history While other studies have focused on FSA photography or community building or even policy making in terms of top down government directives Roberts focuses on the people and state governments who faced an immediate need to aid southern farmers within their own borders and to boost their states crumbling agricultural economic bases Roberts focuses on rural rehabilitation as a key aspect of the FSA and defines the agency's legacy not in terms of its failures but rather in terms of an idealistic program whose modest successes were ultimately too few to effect real change for southern farmers Though Roosevelt failed to adequately recognize the plight of the southern farmer and political infighting hindered many of the administration's goals the creation of the FSA stands as one of the first efforts to provide sustained relief to struggling southern farmers In light of other federal programs of the era the FSA may seem like a mere footnote to the New Deal outside of its small but revered photography program But as Roberts shows the FSA's legacy has endured to the present day Charles Kenneth Roberts is a lecturer in history at Georgia Perimeter College His articles have appeared in the *Alabama Review* *Southern Historian* and *Agricultural History* *Critical Race Judgments* Bennett Capers, Devon W. Carbado, R. A. Lenhardt, Angela Onwuachi-Willig, 2022-04-21 By re writing US Supreme Court opinions that implicate critical dimensions of

racial justice Critical Race Judgments demonstrates that it s possible to be judge and a critical race theorist Specific issues covered in these cases include the death penalty employment voting policing education the environment justice housing immigration sexual orientation segregation and mass incarceration While some rewritten cases Plessy v Ferguson which constitutionalized Jim Crow and Korematsu v United States which constitutionalized internment originally focused on race many of the rewritten opinions Lawrence v Texas which constitutionalized sodomy laws and Roe v Wade which constitutionalized a woman s right to choose are used to incorporate racial justice principles in novel and important ways This work is essential for everyone who needs to understand why critical race theory must be deployed in constitutional law to uphold and advance racial justice principles that are foundational to US democracy **Fiber Optics** ,1984 *Norman Thomas* Raymond F.
