Readers get the story of the Shah's political career alongside the story of his courtship and marriage to Farah Diba who became a power in her own right, the beloved family they created and an exclusive look at life inside the palace during the Iranian Revolution. Cooper's investigative account ultimately delivers the fall of the Pahlavi dynasty through the eyes of those who were there: leading Iranian revolutionaries, President Jimmy Carter and White House officials, US Ambassador William Sullivan and his staff in the American embassy in Tehran, American families caught up in the drama, even Empress Farah herself and the rest of the Iranian Imperial family. Intimate and sweeping at once, *The Fall of Heaven* recreates in stunning detail the dramatic and final days of one of the world's most legendary ruling families, the unseating of which helped set the stage for the current state of the Middle East.

The volume is divided into three sections focusing on political evolution, negotiated memories of war and national pride, and covers international wars from Afghanistan to Vietnam and German deserter monuments to Vietnamese war tourism.
