won't you Bunker asked Bunny smiling at the tall boy Cause we'll sit just as still as anything added Sue And I won't touch the steering wheel not once promised Bunny I guess you'd better not not after you once got almost run away with in the big ark said Bunker I should say not Oh please let us come with you begged Sue We want awful much to ride in the ark Bunker While the two children were talking to the tall boy another little girl had crawled under the fence from the street and was now standing near Bunny and his sister She was Sadie West one of Sue's chums and when she heard Bunny's sister begging for a ride in the ark Sadie said Oh Sue is he going to take your Noah's ark away I wouldn't let him if I were you It isn't Noah's ark at all Sue explained We call the big automobile that we had such a long ride in the ark It looks a little like a Noah's ark but it's bigger and we can all get in it she added Oh exclaimed Sadie I thought Bunker meant he was going to take your little ark and all the wooden animals away she added Not this time said Bunker Blue Your father sent me up Bunny to get the big auto the ark as you call it It's got to be fixed and I'm to drive it to the shop over at East Milford That's why I came up Where's your mother I want to tell her I'm taking away the ark so she won't think some tramps or some gypsies have run off with it I'll call her Sue said while Bunny kept on brushing the tiny whittlings from his jacket and short trousers And there was a queer look on the face of Bunny Brown

for her to never leave her There were obstacles that I had to overcome but in 1637 I made her my wife After she was changed we discovered that Julie could sense feelings My life now had purpose she was everything and she felt the same for me Together we worked at healing both Demons and Humans Normally that is where it would stop we change our mate but Julie and I were different In 1665 the plague had hit London The Vampire returned and so did the Guard Julie had noticed a young man who was angry lonely and deeply upset with himself His family became ill with the plague Julie and I nursed them until their eventual deaths The young man Jonathon became more emotional and was on a path of self destruction he had an ability that he
