14 July – 2 September 2001

'Look at me: Fashion and Photography in Britain 1960 to the present'

Admission free

'Look at me: Fashion and Photography in Britain 1960 to the present' opens at Milton Keynes Gallery on 14 July. It includes work by 36 photographer, many leading figures in the genre of fashion photography. It also examines the ways in which a wider range of photographers, some documentary and some editorial, have used clothes as icons of expression. The significance of the magazine page and the fashion spread are acknowledged, and material from documentary archives is incorporated.

Photographs by Cecil Beaton, Norman Parkinson, Terence Donovan, Helmut Newton, Nick Knight, Juergen Teller and 2000Turner Prize winner Wolfgang Tillmans are included in the show. Visitors can re-examine fashion and photography from the Swinging Sixties to the Cool Nineties. Although separated by thirty years, these decades have many similarities - the current fascination with the fusion of fashion, design, music, film and art recurs in both.

Look at me, is a British Council exhibition, curated by Val Williams and Brett Rogers. MK G is the only venue in the UK for this exhibition, at the conclusion of its successful international tour.

Stylists have become increasingly influential in shaping fashion imagery They have moved from the backstage as unrecognised players to the frontstage of fashion becoming celebrated for their creative work as image makers for magazines advertising and fashion designers Yet little is known about the profession its diverse incarnations and its aesthetic economy Featuring contributions from leading experts and stylists this collection is the first to explore the history meaning and practice of fashion styling through interviews and historic and present day case studies Featuring in depth contributions from prominent fashion scholars chapters span historical periods cultural contexts and theoretical frameworks employing a range of methodologies in the international case studies upon which they are based Interspersed with interviews with innovative fashion stylists working today and drawing on examples from advertising the catwalk and magazines this book explores the challenges faced by stylists in a fashion system

increasingly shaped by commercial pressures and by growing numbers of collections and seasons Fashion Stylists is an invaluable resource for students and professionals interested in image making the representation of style and fashion entrepreneurship and the history of fashion professionals Layout for Graphic Designers Gavin Ambrose,Paul Harris,2018-03-08 Layout for graphic design concerns the arrangement of text and images on a page How these elements are positioned both in relation to one another and within the overall design scheme will affect how content is viewed and received Whether in print or online it is key to powerful visual communication Layout for Graphic Designers provides visual arts students with a theoretical and practical underpinning of this design subject Packed with over 200 examples from key contemporary practices and fully illustrated with clear diagrams and inspiring imagery it offers an essential exploration of the subject This third edition has been updated to include 25 new images and 6 new case studies from Lundgren Lindqvist TwoPoints Net Bruce Mau Design Non Format Mind Design and Plau **The Bus** Daniel Meadows,2011-12-31 The Free Photographic Omnibus 1973 2001 In July 1973 21 year old Daniel Meadows fresh out of art school bought a double decker bus for 360 and set off round England in search of ordinary people to photograph In the course of a 14 month journey he offered free portrait sessions in 22 different towns developing the black and white prints in a darkroom he had contrived inside the bus in which he also lived He photographed a total of 958 people alone or in groups the majority of whom remained anonymous and collected their free portraits the following day A quarter of a century later Meadows came across the bus photographs in his archive and was struck by how fresh they were After they were exhibited and appeared in a magazine he began to wonder what had happened to the people in the pictures With the help of the local press in Barrow in Furness Hartlepool and Southampton he went in search of them Many could not be found others had died but a number of people turned up to be re photographed The juxtaposition of their past and present selves in this astonishing adventure in documentary makes for a powerful pictorial history of the changing face of England the vagaries of fashion and the ravages of time Meadows interviews the sitters ordinary people from varied walks of life who talk candidly about their lives their friends their loves their families and what they feel the future holds providing a moving commentary to Meadows s own evocative journey through time **The Rise of the Stylist** Philip Clarke,2024-07-25 The Rise of the Stylist examines the social factors that contributed to the stylist becoming a key role in fashion image making The 1980s stylist is presented as a cultural intermediary and auteur as commercial compass and avant garde innovator Focusing on London from 1980 to 1990 Philip Clarke draws on oral history interviews with the young creatives who were involved in the specific subcultural scenes educational environments and new modes of publishing that informed a unique moment in British cultural life By documenting the history of the stylist in fashion and dress as well as their contribution to fields such as food photography and car manufacture this study looks beyond the style press and bridges the gap between production and promotion The Rise of the Stylist defines the specific nature of the stylist s role in relation to that of other creative occupations and locates

discussion of styling within the context of postmodern society where political shifts technological developments and changing attitudes in all fields of cultural production are reflected in the manufacture and dissemination of fashion
