Moss,2024-01-05 Volume 7 of the Posen Library captures unprecedented transformations of Jewish culture amid mass migration global capitalism nationalism revolution and the birth of the secular self Between 1880 and 1918 traditions and regimes collapsed around the world migration and imperialism remade the lives of millions nationalism and secularization transformed selves and collectives utopias beckoned and new kinds of social conflict threatened as never before Few communities experienced the pressures and possibilities of the era more profoundly than the world s Jews This volume seventh in The Posen Library of Jewish Culture and Civilization recaptures the vibrant Jewish cultural creativity political striving social experimentation and fractious religious and secular thought that burst forth in the face of these challenges Editors Israel Bartal and Kenneth B Moss capture the full range of Jewish expression in a centrifugal age from mystical visions to unabashedly antitraditional Jewish political thought from cookbooks to literary criticism from modernist poetry to vaudeville They also highlight the most remarkable dimension of the 1880 1918 era an audacious effort by newly secular Jews to replace Judaism itself with a new kind of Jewish culture centering on this worldly aesthetic creativity by a posited Jewish nation and the secular modern and free individuals who composed it This volume is an essential starting point for anyone who wishes to understand the divided Jewish present *Syrian Brides* Anna Halabi,2019-05-15 This captivating collection offers insights into the lives of Syrian brides to be and married women With warmth and humor the stories reveal the oppression found in Syrian society and raise issues such as domestic violence Greek Drama V Hallie Marshall,C. W. Marshall,2020-02-06 Drawing together new research from emerging and senior scholars this selection of papers from the decennial Greek Drama V conference Vancouver 2017 explores the works of the ancient Greek playwrights and showcases new methodologies with which to study

them Sixteen chapters from a field of international contributors examine a range of topics from the politics of the ancient theatre to the role of the chorus to the earliest history of the reception of Aeschylus Oresteia Employing anthropological historical and psychological critical methods alongside performance analysis and textual criticism these studies bring fresh and original interpretations to the plays Several contributions analyse fragmentary tragedies while others incorporate ideas on the performance aspect of certain plays The final chapters deal separately with comedy naturally focusing on the plays of Aristophanes and Menander Greek Drama V offers a window into where the academic field of Greek drama is now and points towards the future scholarship it will produce
