Navarro, 2017-04-12 The world is a darker place than what we could perceive from our well lit cities and Lucas knows this better than anybody else This sombre character has travelled to all corners of the world hunting the results of the humanity's bad actions the demons However suddenly his life will take an unexpected turn when media announces that in Jerusalem an Arabic boy is considered the new Messiah Will it be true that he is the God's second son who has come to redeem again our sins For a long time the human being has looked up to the sky and has asked God to save us and to forgive us for our human sins That divine mercy has been always directly related with the image of Jesus Christ but is the world ready for the arrival of a new saviour Are the western religions authentic trade companies of faith ready Or maybe they fear that the new Messiah expels again the merchants from the temple The hunter will be involved in a dangerous battle in which his enemies will not be just the inhabitants of the Avern He will also have to defend himself against the fanatic components of an ancient

Christian organisation of warriors who vowed to fight against the Lucifer's army. However, the current corruption in the Vatican curia will turn them into even more dangerous enemies than the angels of night to which he is used to fight. Now only God will be able to recognise his own people.

Twisted Prey John Sandford, 2018-04-24 Lucas Davenport confronts an old nemesis now a powerful U.S. senator in this thrilling 1 New York Times bestselling new novel in the Prey series. Lucas Davenport had crossed paths with her before. A rich psychopath Taryn Grant had run successfully for the U.S. Senate where Lucas had predicted she'd fit right in. He was also convinced that she'd been responsible for three murders though he'd never been able to prove it. Once a psychopath had gotten that kind of rush though he or she often needed another fix so he figured he might be seeing her again. He was right. A federal marshal now with a very wide scope of investigation he's heard rumors that Grant has found her seat on the Senate intelligence committee and the contacts she's made from it to be very useful. Pinning those rumors down was likely to be just as difficult as before and considerably more dangerous. But they had unfinished business he and Grant. One way or the other he was going to see it through to the end.

Mr. Nice Guy Jennifer Miller, Jason Feifer, 2018-10-16 Named one of Cosmopolitan's Best Books of 2018. From the husband and wife writing duo Jennifer Miller and Jason Feifer comes Mr. Nice Guy, a funny and all too real comedy about the pursuit of success in life and love in today's working world. Lucas Callahan, a man who gave up his law degree, fiancée and small town future for a shot at making it in the Big Apple. He snags an entry level job at Empire magazine believing it's only a matter of time before he becomes a famous writer. And then late one night in a downtown bar he meets a gorgeous brunette who takes him home. Carmen Kelly wanted to be a hard hitting journalist only to find herself cast in the role of Empire's sex columnist thanks to the boys club mentality of Manhattan magazines. Her latest piece is about an unfortunate and unsatisfying encounter with an awkward and nerdy guy who was nice enough to look at but horribly inexperienced in bed. Lucas only discovers that he's slept with the infamous Carmen Kelly that is his own magazine's sex columnist when he reads her printed take down. Humiliated and furious he pens a rebuttal and signs it Nice Guy. Empire publishes it and the pair of columns go viral. Readers demand more. So the magazine makes an arrangement. Each week Carmen and Lucas will sleep together and write dueling accounts of their sexual exploits. It's the most provocative sexual relationship any couple has had but the columnist lovers are soon engaging in more than a war of words. They become seduced by the city's rich and powerful, tempted by fame and more attracted to each other than they're willing to admit. In the end they will have to choose between ambition, love and the consequences of total honesty.

From the books and movies that inspired George Lucas to imagine the Star Wars universe to early screenplay drafts that were never filmed to short biographies of many people who made key contributions to the movies' success, Star Wars FAQ explores every aspect of the original Star Wars trilogy: Star Wars: The Empire Strikes Back and Return of the Jedi. Along the way, it unearths underreported stories and illuminating minutiae often skimmed over or completely ignored in other histories of the legendary film series. Highlights include details about the Star Wars Holiday Special, the Ewok TV movies, the rise of Star Wars fiction, and its importance in the revival of the franchise, and the wave of Star Wars imitators and parodies that flooded theaters and TV screens in the late 1970s and early 1980s, along with dozens of rare publicity stills and photographs of vintage memorabilia. Offering an original analysis of the series' enduring appeal and cultural impact, Star Wars FAQ tells a story as thrilling and action-packed as the movies themselves, with bold characters facing apparently insurmountable odds, full of frantic chases, narrow escapes, daring victories, and tragic setbacks, culminating in an unlikely triumph that changed the course of the galaxy or, at least, of Hollywood.
