Howell,2017-02-08 What does it look and feel like to be worshipful Can we find a way to worship in such a robust thoughtful way that when we aren't in worship the worship might linger and invigorate us Is it possible to live in the world doing the dishes listening to music being stuck in traffic enmeshed in a thicket of meetings at work with a serene abiding sense of God's presence despite all the racket that we might do whatever we do for God and sense God's presence And maybe more importantly could all we do between Sundays grocery shopping paying bills listening to music taking a walk visiting aging parents actually enrich and inform what we do on Sunday morning making worship itself more vigorous profound just plain real and memorable and thus heightening the likelihood that the worship will linger through the rest of the week This book is about living a worshipful life understanding why we do what we do in Sunday morning worship and then re-enacting those moods and actions all week long The Discovery of the Secret Gospel of the Rich and Powerful Gary Tutty,2020-06-29

Have you ever wondered from just what gospel our political leaders who proudly proclaim they are devout Christians get their inspiration when they espouse hate and intolerance and seek revenge on anyone who disagrees with them How about those self-proclaimed devoted Christian business leaders who work hard to increase profits by suppressing their workers wages and denying them benefits What about those fiery evangelical preachers who are complicit in the actions of these leaders by their avid support or even their silence Wonder no longer In this satirical novel *The Discovery of the Secret Gospel of the Rich and Powerful the Gospel of Saint Avarice* you will meet Brett a young man who is introduced to that very gospel by his billionaire father You encounter the Jesus these leaders are emulating He is a Jesus who teaches his apostles to mock others to never admit guilt and to create their own version of the truth With our discovery of this new Jesus known only to the most rich and powerful until now we begin to realize that these leaders have been emulating Jesus all along and actually are doing God's work after all The Works of Charlotte Elizabeth [pseud.]: Judæa capta. Andrea Mardegan draws upon the rich spiritual writings of St Josemaria Escriva to illustrate how divine filiation which is the center of the spiritual life and the source of Christian joy consists of an intimate relationship between each member of the faithful and God the Father through Jesus Christ In these meditations the reader is drawn in the contemplation that God is always with him or her watching over his children with infinite love and mercy Through prayer this awareness of divine filiation grows inside transforming the reader into a child of God in the very image of Christ St Josemaria Escriva was born in Spain in 1902 and was ordained a priest in 1926 In 1928 he received the divine inspiration to found Opus Dei a Catholic organization of lay people and priests who try to grow close to God through their ordinary lives St Josemaria died in 1975 and was canonized by Pope St John Paul II in 2002
