Nobody is ineligible per se except strong silent men Nominees are however required to pass certain tests whose nature is sufficiently indicated by the fact that a certain distinguished explorer came to grief through accepting and smoking a powerful Trichinopoly cigar as an accompaniment to a 63 port On the other hand dear old Sir Roger Bunt the coster millionaire who won the 20 000 ballot offered by the Sunday Shriek and used it to found his immense catering business in the Midlands was highly commended and unanimously elected after declaring frankly that beer and a pipe were all he really cared for in that way As Lord Peter said again Nobody minds coarseness but one must draw the line at cruelty On this particular evening Masterman the cubist poet had brought a guest with him a man named Varden Varden had started life as a professional athlete but a strained heart had obliged him to cut short a brilliant career and turn his handsome face and remarkably beautiful body to account in the service of the cinema screen He had come to London from Los Angeles to stimulate publicity for his great new film Marathon and turned out to be quite a pleasant unspoiled person greatly to the relief of the club since Masterman s guests were apt to be something of a toss up There were only eight men including Varden in the brown room that evening This with its panelled walls shaded lamps and heavy blue curtains was perhaps the cosiest and pleasantest of the small smoking rooms of which the club possessed half a dozen or so The conversation had begun quite casually by Armstrong s relating a curious little incident which he had witnessed that afternoon at the Temple Station and Bayes had gone on to say that that was nothing to the really very odd thing which had happened to him personally in a thick fog one night in the Euston Road *Lord Peter Views the Body* Dorothy L.
