Give Your All to God Morris Williams,2019-03-22 God instructs us to give our whole life to him as a holy and living sacrifice But how do we do this What does it mean to truly surrender your life to God as a sacrifice One great way is to pattern yourself after Israel s offerings Give Your All to God focuses on the burnt offering and explains how while the people of Israel used a physical animal as a sacrifice today we offer every part of our lives to God And just as the physical offering was divided into five parts and burned up completely we can take this unique example and apply it to our own sacrifice of our heart soul strength mind and everything else Author Morris Williams presents sixteen worship behaviors that we can offer to God every day enabling us to be a complete and total offering to God You must give your all to God and doing so is what pleases him as you follow his instructions And likewise surrendering fully to God is part of his plan of salvation through Jesus Christ the ultimate sacrifice who died for you so you could become a valued member of God s family

**Where God's People Are Going, Life Giving Messages** Lyle McTeer,2012-10 For many years the church has prayed for revival to come never knowing or understanding how God might answer that prayer Today we are witnessing the greatest shaking that we have ever known and on a world wide scale As financial institutions become bankrupt and many lose jobs land and homes the awakening that we once prayed for has come Everything that can be shaken is and this scenario is causing even the weakest links within the soul of man to rise up as God becomes our only hope But what will become of it all and how will we survive Where God s People are Going is like an oracle from the Lord He tells us in His word that My sheep hear My voice and I know them and they follow Me John 10 27 Until we come to know the Lord s voice our relationship and our knowledge of Him is vague at best The life giving messages in this book are just that messages that bring life to dark situations and answers to life s questions about today and what is yet to come My questions to the Lord often reflect the times in which we live as I ask the simple question why

God Didn't Do It; He Only Signed Off On It Christiana I. Chineme,2010-02 As humans things happen to us sometimes that we cannot fully understand We desire to explain them when from human perspective there s no explanation that really exists Our perplexion at things of that nature are not just about when they happen to us but also the things we witness in the world around us They oftentimes shake the foundations of our faith in God to the core But as much as not knowing hurts at no time

should our reaction be to accuse God for things we don't understand? Rather we should know that God is not always the architect of all our problems and that He might not always save us from people that live to harm us or bless us the way we want because we take a stand with Him. His promise however is one thing and that is that He'll work it all out for HIS OWN ENDS even the wicked for a day of disaster. Proverbs 16:4b. However your pain occurred, God's declared intentions are that He'll use all of your problems any which way they present to work out His will for your life. The deaths of some of the people that went before us is proof that for reasons best known to Him, God at times chooses not to deliver people that take a stand with Him. And it's not because He hated such people but because of what He already planned to use the situation for.

**As Silver Refined** Kay Arthur, 2011-07-19. What Can You Do When Life Doesn't Turn Out Like You Planned? How do you respond when your husband or wife tramples your emotions? When your boss fires you unexpectedly? When you lose your life's savings? When the child you've loved and prayed for turns his back on you and your values? When disappointments like these smash their way into your life, you may want to scream. How could God let this happen? But what if God didn't just let it happen? What if the things you call disappointments are really His appointments? Events He is using to make you more like Christ? What if your circumstances are actually the flames of His grace intended to melt and burn away the undesirable elements in your life, leaving you pure and radiant like refined silver? You can be defeated by life's unavoidable disappointments or you can become stronger because of them. Life's disappointments can send you on a dangerous downward spiral into discouragement, depression or even despair. But in this eye-opening book, Kay Arthur guides you to biblical truths that will help you break that cycle and instead embrace disappointment as the cleansing fire God uses to make you as silver refined, a reflection of His goodness. Now includes a 16-week Bible study.

*The Blessings of Poverty* Diane Boone, 2013-07-25. To begin with, please understand that I do realize how paradoxical the title of this work may seem. In fact, I can hear the astonished question you may be asking just now: Poverty, a blessing? How can that be? Well, let's go to the dictionary and see if the definition of the word blessing can help answer that question. In Webster's New Collegiate Dictionary, we find the following entry next to the word blessing: a thing conducive to happiness or wellbeing. Most of us are so focused on the happiness part of the definition that we only see God's hand of blessing when we're happy; we forget that not everything conducive to our wellbeing makes us feel happy. Just as a loving parent will bless their child with both comforts and discipline, so God blesses us with both comforts and challenges. As I look at the lives of my family and myself, I can see

how God has strengthened our walk with Him through our financial struggles Because of this fact I say with assurance that financial struggles can be used of the Lord to truly bless us Next I want to ask you to take my use of the word poverty with the proverbial grain of salt as my intent is to use the term in a very tongue in cheek manner Ive actually heard of individuals complaining because they have to choose between landscaping their newly built home or taking a second vacation this year or lamenting the fact that times are so hard they have to cut their annual vacation to Hawaii from the usual four weeks to only two weeks The truth is many many people sharing our world would be ecstatic to have the standard of living that most of us are enjoying So viewed from their perspective wouldnt it seem that if we have a roof over our heads proper clothing to wear and eat three meals a day were doing pretty well for ourselves Its also true that God has spread His children throughout the world in different cultures with different gifts and with different incomes There is nothing wrong with having a comfortable income or owning lovely things And there is certainly nothing wrong with working hard to provide for your family In fact many Godly people mentioned in scripture had a great deal of wealth Abraham Isaac Joseph Job King David and Joseph of Arimathia are just a few that spring to mind There are also many Godly people mentioned in scripture who had very little wealth Mary Joseph the beggar Lazarus the widow with her two mites and our Lord Himself There is nothing inherently more spiritual with one state or the other Those with wealth need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me and how successful Ive been And its been very interesting for me to realize that those with modest incomes also need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me getting along on a small income must somehow make me more spiritual than the wealthy Did you know that when the Lord was on earth one of His most frequent topics of discussion was money He never condemned wealth He condemned the preoccupation with wealth and the belief that a persons worth or security comes from amassing huge amounts of wealth Regardless of whether we have a large amount of this worlds goods or a small amount it all belongs to God We need to use whatever we do have to further Gods kingdom and honor Him by caring for our families and reaching out to those in need And all of us need to embrace the truths found in Matthew 6 25 34 and find our security in the wonderful care of our loving Heavenly Father I myself was raised in a Christian home by parents who were quite well off financially I just never realized it until I was almost finished with high school Im sure this is partly because Im not a very visual person so I tended not to notice or compare things as much as others But I really think that it was
