Spence-Jones,1883 Motherhood Inspiration: Praying Your Way through Healthy Parenting Whitnie Steele,2023-08-14 The journey of motherhood is different from one household to another Yet what remains the same is that at some point throughout this journey all moms reach a point of uncertainty a season where they can no longer control the outcome of their youth s decisions Motherhood Inspiration Praying Your Way through Healthy Parenting is birthed from the heart of a praying mother who found herself in this same scenario The daily devotions in this book include a ray of prayers such as gratitude of motherhood identity and forgiveness issues health and financial blessings down to the breaking of generational curses Some

of these prayers deal with you moms because truth be told we cannot expect to see changed behavior or results in our children's lives until we first take accountability and transform our own lives. The scriptures provided correspond to the prayer of the day. The activities supplied correspond to that of which we are devoting our hearts and minds to. As the author of this book, it is my deepest wish that these devotions bring you solace through your darkest situations, hope in your seasons of despair, and empowerment to be the change your children need. From one mother to another, I encourage you to pray your way through healthy parenting.

[The Power of Submission](#) Kim V.E. Sands, 2011-07-29 Create or modify your HTML page in the text box. Click Show Page to see your page in the frame to the right. At the root of most of the problems we face in our lives today is disobedience. God is calling his people to fulfill his will and walk in the power of his word, and if we are willing to respond, then we must embrace submission. The very word and concept of submission has been tainted to the point that many despise and scorn it. In this book, you will discover that submission is not to be rejected; it is power. Power to change your life, marriage, family, job, community, and ministry. But more than anything, it will change your relationship with God. Each chapter will offer revelation, inspiration, motivation, and testimonies of real-life struggles and victories. If you only read a few books this year, make sure one of them is [The Power of Submission](#). In this book, submission is given physical expression by the woman. Nonetheless, its message is for men, leaders, or anyone who desires a more committed and powerful walk with God. If you need a fresh Word, a wake-up call in your spirit, or passion to push to the finish line, then pick up this book and prepare to be inspired by the power of submission.

Watching for the Morning Vaneetha Risner, 2025-05-06 Have your tears lasted more than a night as you've been watching for the morning? Does the waiting feel too hard, and God too distant? Waiting, watching, hoping—these words describe how Vaneetha lived for years after her once comfortable life dissolved in front of her. She pleaded with God to fix her situation and stop the pain in the midst of an escalating illness, the death of a child, and an unwanted divorce. But instead of

doing what she asked for God gave her something even more wonderful He offered Himself This devotional will help you find hope in whatever you're facing today as it grapples with the inevitable questions How do we embrace the present moment with its pain and imperfections instead of just waiting for our problems to disappear How do we live with uncertainty trusting that God is doing something beautiful in what appears to be an empty silence How do we wait for God satisfied in him alone without insisting on the outcome we want These 90 devotions are for anyone who is waiting in the dark wondering when life will get better Some reflections will encourage you to press on some will help you process your losses others will make you laugh and still others will show you the gift of lament in both its grittiness and grace Ultimately they're all intended to draw you closer to the God who is always for you who is nearer than you know and loves you more than you can imagine Weeping may last for the night but joy comes in the morning Psalm 30:5
