Dhanapala and His Times: A Socio-Cultural Study Based Upon His Works Ganga Prasad Yadava,2003-06-30 Social History of Assam is that controversial work which created a sensation in the entire country for over two years before the beginning of Assam Movement since publication of its summary in the Journal of Historical Research Dibrugarh University in 1977 It is a pioneering work on the changes in the social structure of Assam in the British period on the background of preBritish social system The book presents on the basis of primary data the social dynamics which ushered in a new egalitarian and cosmopolitan social structure in Assam which constitutes the present North East India It analyses many of the roots of present social and political upheavels which are recurrent in present times all over the North East and has brought about the new states of the North East The Philosophy of Welfare Economics of Dr.Amartya Sen and Jain

Philosophy Dr. K R Shah,2011-02-09 The subject of discussion in this book is the philosophy of welfare Economics The collective choice and the subjects of freedom through development are discussed in welfare economics Inequality is to be reduced and basal equality has to be evolved to aid human welfare The entitlement approach is the only solution for poverty and famine All four subjects are woven in philosophical thought by Dr Amartya Sen for the wellbeing of people The book is a humble attempt at dealing with the subject of human welfare through religion Killing is rampant in one or another form The mantra of non violence is the most valuable message to the world The concept of non killing is brought to light with the ancient agamic text of ACHARANG SUTRA The view of Mahatma Gandhi on Ahimsa non violence is compared with the Jain religious principle in modern context It is important to be tolerant and to be able to understand others view points in the present situation This is possible through Anakantvada of Jain religion The non possessiveness of materialistic items and wealth are important issues discussed in the book The Karma deeds are an important factor in ones life Karma is solely responsible for the uplift or downfall of the human soul Jain religion works for the wellbeing of the human soul **Indian**

Religions , Hinduism and the Ethics of Warfare in South Asia Kaushik Roy,2012-10-15 This book challenges the view common among Western scholars that precolonial India lacked a tradition of military philosophy It traces the evolution of theories of warfare in India from the dawn of civilization focusing on the debate between Dharmayuddha Just War and Kutayuddha Unjust War within Hindu philosophy This debate centers around four questions What is war What justifies it How should it be waged And what are its potential repercussions This body of literature provides evidence of the historical

evolution of strategic thought in the Indian subcontinent that has heretofore been neglected by modern historians Further it provides a counterpoint to scholarship in political science that engages solely with Western theories in its analysis of independent India s philosophy of warfare Ultimately a better understanding of the legacy of ancient India s strategic theorizing will enable more accurate analysis of modern India s military and nuclear policies *Perspectives in Indian History* M. Jankiraman Ph.D.,2020-11-03 *Perspectives in Indian History* deals with the history of India from 10 000 BC until 1857 AD It delves into the story of the Indus Saraswati civilization and the development of the Vedas Such a book has been written for the first time wherein India s history has been analyzed from the early Hindu period Hitherto most history books have emphasized the Muslim period or the British period These have been written by Muslim historians or European colonists which was often skewed by their fundamental bias that no civilization could equal their own During this retelling the author covers the interesting aspects of each age starting with the Ramayana He then examines hotly debated issues like whether Alexander the Great won or lost in India The author carries out an analysis of the causes of the conquest of India by the Muslims The author analyses detailed battleplans of major battles which affected India s history like Panipat Plassey and many others and discusses the weaponry and tactics used in these wars *The Anthropology of Eastern Religions* Murray J. Leaf,2014-05-21 The world s great religions depend on traditions of serious scholarship dedicated to preserving their key texts but also to understanding them and therefore to debating what understanding itself is and how best to do it They also have important public missions of many kinds and their ideas and organizations influence many other important institutions including government law education and kinship *Anthropology of Eastern Religions Ideas Organizations and Constituencies* is a comparative survey of the world s major religious traditions as professional enterprises and often as social movements Documenting the principle ideas behind eastern religious traditions from an anthropological perspective Murray J Leaf demonstrates how these ideas have been used in building internal organizations that mobilize or fail to mobilize external support **On the Nature of Ecological Paradox** Michael Charles Tobias,Jane Gray Morrison,2021-05-18 This work is a large powerfully illustrated interdisciplinary natural sciences volume the first of its kind to examine the critically important nature of ecological paradox through an abundance of lenses the biological sciences taxonomy archaeology geopolitical history comparative ethics literature philosophy the history of science human geography population ecology epistemology anthropology demographics and futurism The ecological paradox suggests that the human biological and from an insular perspective successful struggle to exist has come at the price of isolating H sapiens from life sustaining ecosystem services and far too much of the biodiversity with which we find ourselves at crisis level odds It is a paradox dating back thousands of years implicating millennia of human machinations that have been utterly ruinous to biological baselines Those metrics are examined from numerous multidisciplinary approaches in this thoroughly original work which aids readers particularly natural history students who aspire to grasp the far reaching dimensions of the Anthropocene as it affects every facet of

human experience past present and future and the rest of planetary sentience With a Preface by Dr Gerald Wayne Clough former Secretary of the Smithsonian Institution and President Emeritus of the Georgia Institute of Technology Foreword by Robert Gillespie President of the non profit Population Communication ████████████████████ Piotr Balcerowicz,2003-01-01 The present collection of Essays in Jain Philosophy and Religion contains contributions of world acclaimed scholars in jain studies As a through and critical research work in the field of Jaina exploration of the history and background of the exchange of ideas between the Jainas and other systems of thought in India the book will prove to be a rare document Each of the four main sections of the present volume pertains to an important aspect within Jaina studies **Analysis of the Bhikkhu**
