Help to Grow Dr. Sunday Odii, 2022-01-27 Many children of God would agree that God doesn't require a lot of pageantry and hoopla first to answer a truly heartfelt prayer neither does he want us to badger Him repeatedly before He grants our requests HELP to GROW is a

book that reflects a confirmation that salvation is the work of God through grace as opposed to being earned. It underscores the fact that salvation does not start and end at the point when we surrender our lives to Christ. It sure is a work that continues till we are fully conformed to the image of Christ Jesus. This is only possible through spending quality time in the place of sincere prayer and jealously guarding your salvation daily until death comes or at rapture whichever happens first. Therefore this book is a powerful prayer guide that practically teaches how to pray, offers its readers a hands-on approach to praying the Scripture and contains over 300 prayer points and prophetic declarations. This book has been divided into two independent parts. The first centred on praying the scripture, raising prayer points on various aspects of life's issues as well as a few intercessory prayers for special persons. The second part of the book contains 12 Nuggets which offers practical and fascinating individual vignettes that will help believers through God's Grace to grow in their walk with Christ Jesus and guard their salvation spiritually in this side of eternity. These Nuggets are a collection of Scriptural truths that can guide fledgling believers in Christ as we approach the end times to ensure we don't grow complacent and lax in our devotion. This book is written to share both personal and other people's experience where possible to encourage believers to be mindful of subtle pitfalls, little foxes that are lurking around the corners of our lives which if not properly and intentionally identified and worked upon could potentially derail our journey. The goal is that the impact will be enormous and eternal for everyone who reads this book and purposefully works it out. Help to Grow is an easy to read and implement intelligent submission. I recommend you read this book as it will impact or transform your prayer and family life and help solidify your relationship with God.
