Book Award for Contemporary Spirituality Christ's bodily resurrection is the foundation of Christian faith at least it is supposed to be But how often do we really consider what that means *Living Resurrected Lives* explores what it would take for Christians to understand and believe so clearly in resurrection both Christ's glorification and the promise of our own that our lives would be radically transformed by that faith right now We take a daringly integrated approach balancing careful consideration of sacred Scripture with attention to history theology and personal contemplative practice We offer arguments to re establish a firm bedrock for belief in the Gospel accounts suggest a new theological perspective that integrates scientific insights into quantum uncertainty with reflections on the malleable nature of identity and provide heart stirring guided meditations for daily practice We elucidate St Paul's teachings on the transformation of the body and grapple with age old conundrums about decaying corpses and the continuity of personal identity What dies What lives on We revisit early Christian intuitions about the sublime qualities of the glorified body and explore how we might cultivate such qualities through our own individual practice Thus we propose an embodied resurrection mysticism that can permeate every moment of our lives *Living in the Light* Derrick McCarson, 2013-05-24 The letters of John are some of the most simple yet

profound texts in the New Testament The Apostle John wrote three epistles at the close of the first century to counteract the heresy of Gnosticism and to focus on what it meant to know God by walking in His light He contrasted the Christian life in stark opposites light and darkness love and hatred truth and lies life and death In *Living in the Light* Derrick McCarson reveals the heart of John's message salvation is not found in hidden secret knowledge but in the fellowship of Christ Moreover the evidence of salvation is seen by loving others abiding in the truth and obedience to God's commands *Living in the Light* is a verse by verse commentary on the epistles of John This volume is ideal for believers who are looking to go deeper in their discipleship with Christ With an emphasis on practical application and precise exposition this book will enhance the reader's personal Bible study *The Living Church*, 1946 **Make me to know Vol I-VI** Author Melissa White, *Living Hope for the End of Days* John S.
