Lords Prayer Through North African Eyes A Window Into Early Christianity:

The Lord's Prayer Through North African Eyes Michael Joseph Brown, 2004-11-22 Demonstrates the importance of social location and cultural presuppositions in the interpretation of cultic texts and acts **Early Christian Discourses on Jesus' Prayer at Gethsemane** Karl Olav Sandnes, 2015-12-22 From early on Christians passed down the account of Jesus's agony at the prospect of his own death and his prayer that the cup should pass from him Gethsemane Yet this is a troublesome aspect of Christian tradition Jesus was committed to his death but as it approached he prayed for his escape even as he submitted himself to God's will Ancient critics mocked Jesus and his followers for the events at Gethsemane The hero failed to meet the cultural standards for noble death and masculinity As such this story calls for further reflection and interpretation The present book unfolds discourses from the earliest centuries of Christianity to determine what strategies were developed to come to terms with Gethsemane *True to Our Native Land, Second Edition* Brian K. Blount, Gay L. Byron, Emerson B. Powery, 2024-10-22 True to Our Native Land is a pioneering commentary on the New Testament that sets biblical interpretation firmly in the context of African American experience and concern In this second edition the scholarship is cutting edge updated and expanded to be in tune with African American culture education and churches The book calls into question many canons of traditional biblical research and highlights the role of the Bible in African American history accenting themes of ethnicity class slavery and African heritage as these play a role in Christian Scripture and the Christian odyssey of an emancipated people Dictionary of Theologians Jonathan Hill, 2010-03-25 An exhaustive guide to every significant Christian theologian who lived from the first century to 1308 the year in which John Duns Scotus died The dictionary encompasses the Catholic Orthodox Nestorian and Monophysite traditions including information not previously available in English Thoroughly indexed the dictionary incorporates common variants of names and concepts which will help and direct the reader The main criterion for inclusion has been contribution to the development of Christian theology Sub criteria by which that is measured include above all originality and influence on later figures With over 290 entries the dictionary provides a handy summary of theologians' lives and writings together with recent scholarship as well as an up to date definitive bibliography listing primary texts translations and secondary literature in the major western European languages Useful for all levels of academia no other text matches the depth of the dictionary's bibliographies The unprecedented thoroughness of Hill's compilation provides an essential resource for studies at all levels on such a large and varied range of Church thinkers **The Moral World of James** James Riley Strange, 2010 In The Moral World of James James Riley Strange compares the moral system in the Epistle of James with other Greco Roman and Judaic texts The author of the epistle prescribed moral practices in a world in which other people both pagan and Jewish had long been expressing similar concerns and more would continue to take up the task centuries after Christianity was well established in the Roman Empire In this fresh and thick analysis Strange's systemic comparison of texts among them works of Plato Plutarch Epictetus

and Aelius Aristides as well as Greek Magical Papyri tractates of the Mishnah and the Community Rule of the Dead Sea Scrolls reveals how James's vision of a distinctive way of community life was both part of and distinct from the moral and religious systems among which it emerged

Tertullian the African David E. Wilhite, 2011-06-24 Who was Tertullian and what can we know about him This work explores his social identities focusing on his North African milieu Theories from the discipline of social cultural anthropology including kinship class and ethnicity are accommodated and applied to selections of Tertullian's writings In light of postcolonial concerns this study utilizes the categories of Roman colonizers indigenous Africans and new elites The third category new elites is actually intended to destabilize the other two denying any essential Roman or African identity Thereafter samples from Tertullian's writings serve to illustrate comparisons of his own identities and the identities of his rhetorical opponents The overall study finds Tertullian's identities to be manifold complex and discursive Additionally his writings are understood to reflect antagonism toward Romans including Christian Romans which is significant for his so called Montanism and Romanized Africans While Tertullian accommodates much from Graeco Roman literature laws and customs he nevertheless retains a strongly stated non Roman ness and an African ity which is highlighted in the present monograph

Holmas, 2011-03-17 This is a comprehensive study of the literary function of prayer in Luke Acts employing narrative critical methodology and focusing on the theme's relation to Luke's historiographical aims Holmas asserts that the distribution of strategically placed prayer notices and prayers throughout Luke Acts serves a twofold purpose First it is integral to Luke's project of authenticating the Jesus movement as accredited by Israel's God Holmas shows that Luke presents a consistent pattern of divine affirmation and redemption attending the tenacious prayers of the faithful ones throughout every major phase of his narrative in turn demonstrating continuity with the pious Israel of the past Secondly most importantly the ultimate purpose of Luke's emphasis on prayer is didactical In Luke's gospel Jesus summons his disciples and implicitly his readers to confident and persistent prayer before the Eschaton assuring them of God's readiness to answer their entreaties Luke's historical account as a whole provides narrative reinforcement of this affirmation Just as God has been consistent in responding to the diligent prayers of his faithful ones in recent history satisfying and fulfilling Israel's hopes for redemption in the Jesus movement he will assuredly secure ultimate vindication at the end of time for those who persist in prayer It was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches The Early Christianity in Context series a part of JSNTS examines the birth and development of early Christianity up to the end of the third century CE The series places Christianity in its social cultural political and economic context European Seminar on Christian Origins and Journal for the Study of the Historical Jesus Supplement are also part of JSNTS
