Lord's 1946-1970 Diana Rait Kerr, Ian Peebles, 1971 **Walter Robins: Achievements, Affections and Affronts** Brian Rendell, 2013-02-01 Three initials before his surname public school and varsity connections Middlesex player then captain England player then captain MCC committee man Test selector To the average cricket follower of his time R W V Robins 1906 1968 seemed to be a typical big noise at Lord's But the detail of his life is far more interesting than that Born the son of a Post Office clerk in working class Stafford his family moved to London when he was fourteen Walter's mother talked Highgate School into taking him on as a pupil where he starred in the school's cricket and football teams His cricket reputation underpinned by energy and commitment got him into Middlesex sides in the summer he left school His sporting reputation followed him to Cambridge where he was helped by a scholarship seemingly contrived out of thin air He rewarded his supporters with sporting rather than academic achievements and then joined the ranks of Sir Julien Cahn's cricket playing employees fitting in football for the Corinthians and the odd appearance in the League Marriage yielded a job in insurance underwriting and allowed him to play regular county cricket His enthusiastic batting dynamic fielding and sharply spun leg breaks brought him representative match opportunities and eventually Test games Committee places followed and his combative but cheerful manner found him friends including a regular correspondence with Don Bradman and exasperated enemies including Enid Blyton He led Middlesex in the Brylcreem summer of 1947 Brian Rendell here reports on a man who wanted cricket to be as exciting as football *Frank and George Mann: Brewing, Batting and Captaincy* Brian Rendell, 2015-11-01 Father and Son Middlesex and England Beer and Skittles Fame and Fortune Between them Frank and George Mann achieved in varying measure all these word pairs in the first half of the twentieth century They both captained Middlesex to the County Championship and led successful England sides on tours to South Africa Until the takeover frenzy of the 1970s the family's highly successful brewery business based in East London was a leading player in the social fabric of southern England Mann's Brown Ale can still be found on supermarket shelves today Both served in Britain's armed forces outside its shores Both filled middle order batting positions for county and country they took catches often painfully at mid off and every so often they sent down a few deliveries to help bring a match to its conclusion Frank's mighty hitting emptied beer tents sometimes to the detriment of sales of his brewery's products George's management skills were brought to bear on the administration of English cricket Using material from a wide range of sources Brian Rendell here brings together a story far larger than the 20 000 first class runs they scored between them *The Test Match Special Book of Cricket Quotes* Dan Waddell, 2017-05-25 Collecting hundreds of quips and quotes and beautifully illustrated throughout The Test Match Special Book of Cricket Quotes is a cricket fan's indispensable guide to bats beards boundaries and bowls From witty sayings and wise words to doubles entendres and legendary moments from cricketing history you'll find the perfect line for every occasion I've never got to the bottom of streaking Jonathan Agnew On the first day Logie decided to chance his arm and it

came off Trevor Bailey Bill Frindall has done a bit of mental arithmetic with a calculator John Arlott Strangely in slow motion the ball seemed to hang in the air for even longer David Acfield I m not into caps with lots of diamonds on them like KP James Anderson How can you tell your wife you are just popping out to play a match and then not come back for five days Rafa Benitez on test cricket I don t think we choked this time We never played well enough to choke Craig Matthews Flintoff starts in his shadow beside him Where else would it be Henry Blofeld I once delivered a simple ball which I was told had it gone far enough would have been considered a wide Lewis Carroll *Jack Robertson and Syd Brown: More Than Just The Warm-Up Act* Chris Overson,2013-05-01 North London cricket followers turned to their morning newspapers for eleven summers in 1939 and from 1946 to 1955 to see how Robertson J D and Brown S M had fared as the Middlesex opening batsmen They were not often disappointed The pair opened the batting 366 times and their partnerships put on 14 116 runs reaching 100 runs or more on 35 occasions As memories of their endeavours fade cricket enthusiasts nowadays have perhaps typecast them as the warm up act to the prodigious talents of Bill Edrich and Denis Compton But they were more than that Even that curmudgeonly old critic E M Wellings thought Jack a beautifully fluent stroke maker and Syd a splendid county batsman He thought selectors looked too hard for flaws in Jack s top class batting technique thus restricting him to 11 test matches and he reckoned Syd to be among the finest fielders in the deep Using material from a wide range of sources Chris Overson here writes on their early influences their almost simultaneous start at Lord s in 1934 their inevitable cricketing ups and downs often in those days before crowds of 10 000 or more and their lives after they had left the field of play Now the War Is Over Paul Addison,2012-11-29 An excellent book Angus Calder London Review of Books First published in 1985 based on an acclaimed BBC TV series Paul Addison s *Now The War is Over* examines the great changes in British society that followed hard upon what had been the most destructive war ever known years of recovery and reform as Britain was reshaped by high ideals and a collective desire to enjoy the fruits and opportunities of peacetime Labour was elected in 1945 on a wave of what Addison calls Forties collectivism Soon Britons would have the benefits of Beveridge s Welfare State new housing secondary education for all and in July 1948 the dawning of the National Health Service But new interests in consumerism and the pursuit of affluence were also emerging and as Addison shows in this rich and fascinating study would prove just as influential as the efforts of government Bradman Charles Williams,2013-07-11 A masterly portrait of cricket s supreme batsman and Australia s greatest hero Uniquely among biographers of Don Bradman Charles Williams sets his subject s cricketing achievements within the context of a crucial period in the history of modern Australia a time when as the country felt her way towards something that the world would recognise as nationhood Bradman became a focus for national aspirations a figure of unique status Brilliantly revealing the phenomenon of Bradman s cricketing genius and the tensions that genius created for the man his family team mates and the game s administrators Williams story is as much about Australia as it is a great Australian **Patriots** Richard Weight,2013-10-17 Who are the British today For nearly three

hundred years British national identity was a unifying force in times of glory and despair It has now virtually disappeared In Patriots Richard Weight explores the decline of Britishness and the rise of powerful new identities in England Scotland Wales and Ireland Based on a wealth of original research it is scholarly in depth and scope yet never departs from a thoroughly readable and entertaining style Here are the themes of Orwell s *The Lion and the Unicorn* stretched over the subsequent sixty years and widened to embrace the whole United Kingdom Brimming with zest and feel this is politico cultural history at its best Peter Hennessy Wide ranging intelligent sensible and important Max Hastings Sunday Telegraph A marvellously rich ambitious and at times iconoclastic study by a young historian of how in the broadest sense national identity in Britain has changed in the last 60 or so years David Kynaston Financial Times A major work the fruit of long research wide reading and hard thinking engagingly written bubbling with fresh ideas Stephen Howe Independent *The Earth is the Lord's* John L. Ruth,2001 John Landis Ruth adds folk memory to extensive documentation and careful explanation of key beliefs and practices in this 360 year story of faith in Lanacaster County An indispensable source with lists of early immigrants congregations ordinations and conference officers up to 1977 and a general chronology *Bureaucrats and Leadership* K. Theakston,1999-12-07 The book uses a biographical approach to analyse the potential for forms of and constraints upon bureaucratic leadership in modern government Case studies written by experts in the different fields assess the impact of particular officials operating in Whitehall the United States federal government the health service local government and Europe The book brings together an innovative methodology with a wide policy coverage **The Royal Opera House in the Twentieth Century** Frances Donaldson,2011-09-28 The Royal Opera House Covent Garden is home of two of the most famous opera and ballet companies in the world In this official history Frances Donaldson discusses Covent Garden s many legendary achievements Der Rosenkavalier with Lotte Lehmann the unparalleled partnership of Fonteyn and Nureyev the recent Otello with Domingo She follows the attitude of the English to opera and their Opera House and the crusade for opera to be sung in English She looks at the internal politics and at the often charismatic personalities who have worked at the Opera House Thomas Beecham George Solti Maria Callas Tito Gobbi Ninette de Valois and Frederick Ashton Underlying the story despite the many successful seasons are the ever present problems of financial support and uncertainty of the future The history is superbly well documented from the Royal Opera House archives Comments from journalists of the time whose critical reviews sometimes led to singers of international acclaim refusing to return to Covent Garden lend spice to this fine analysis of administrative and artistic management at the Garden **Lords Through Time** Anthony Meredith,2012-04-15 This fascinating selection of photographs traces some of the many ways in which Lord s has changed and developed over the last two centuries **Historical Dictionary of the Olympic Movement** Ian Buchanan,Bill Mallon,2005-11-15 The Olympic Games brings together thousands of athletes competing in over 40 sports and representing over 200 nations But that is just the surface for none of this would be possible without the constant efforts of an incredible organization consisting of tens of

thousands of sports lovers united in sports associations National Olympic Committees and the International Olympic Committee The third edition of this fascinating book deals with both levels of the competition the competitive side and the administrative side The dictionary includes hundreds of entries on the major sports more outstanding athletes participating countries and numerous bodies in the organization as well as successive generations of officials starting with the founder Pierre de Coubertin But that is not all Two chronologies trace the history of the Olympic movement back to the Ancient Olympiad first celebrated in Greece in 776 B C as well as all of the modern Games up to Athens in 2004 The appendixes then provide elusive facts on the Games the officials the torchbearers and the top Olympic medal winners A bibliography is included to allow further research Reviews of the Previous Edition Buchanan and Mallon provide comprehensive clearly written and well organized historical information about the Olympic movement Highly recommended Choice most useful for quick lookups and is the only one to have most information on individual athletes Reference Books Bulletin *Lord Devlin* Justice John Sackar,2020-10-29 Lord Devlin was a leading lawyer of his generation Moreover he was one of the most recognised figures in the judiciary thanks to his role in the John Bodkin Adams trial and the Nyasaland Commission of Inquiry It is hard then to believe that he retired as a Law Lord at a mere 58 years of age This important book looks at the life influences and impact of this most important judicial figure Starting with his earliest days as a schoolboy before moving on to his later years the author draws a compelling picture of a complex brilliant man who would shape not just the law but society more generally in post war Britain **An Almanack for the Year of Our Lord ...** Joseph Whitaker,1911 The Statesman's Yearbook 2007 B.
