Loreto And The Holy House:

The Legend of Our Lady of Loreto Anna Maria Domenella, Alessandra Borroni, 2021-07-06 The Holy House of Nazareth where the Virgin Mary lived and later lived Jesus with his family at the end of the eleventh century was transported to Italy where he is currently located The legend of this passage still fascinates young and old It says that the Holy House arrived in Loreto on the wings of the angels The volume rich in illustrations and texts recreates the evocative and delicate atmospheres of the mysterious journey of the Black Madonna The book suitable for readers of all ages is the first of the series Divine Stories that aims to pass down in a simple and immediate way stories legends beliefs that belong to the tradition *Loreto and the Holy House* Godfrey E. (Godfrey Edward) Phillips, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Loreto and the Holy House* Godfrey E. Phillips, Brother Hermenegild, 2014-11-20 IN reply to a petition made to him by the Bishops of the Province of Piceno in which Loreto stands our Holy Father Pope Benedict XV has issued a Decree dated April 12 1916 ordering the Feast of the Translation of the Holy House to be henceforth observed each year on the loth of December in all the Dioceses and Religious Congregations of Italy and the adjacent isles Moreover by the same Decree he grants permission for the extending of the festival to all other Dioceses and Religious Congregations on its being applied for by the Ordinaries The

Pontiff expressly grounds the granting of this favour on the acknowledged pre eminence of the Loreto Sanctuary it being as the preamble states the House itself translated from Palestine by the ministry of Angels in which was born the Blessed Virgin Mary and in which the Yord was made flesh In view of this decisive pronouncement of the reigning Pontiff as to the peculiar sanctity of the Loreto Shrine it is hoped that the following account of that peculiarly sacred shrine and of its wondrous history on which the writer has been engaged for several years will be welcomed by many and especially by those to whom the attacks of critics on the Holy House have given pain The groundlessness of those attacks and the solidity of the foundation on which the Loreto tradition rests are here he trusts made plain It was a special encouragement to him in his pursuance of the work to receive through his Superior the blessing on it of the late saintly Pope Pius X a few weeks before his death In obedience to the Decrees of Pope Urban VIII he unreservedly sublnits what he has written to the judgment of the Holy See especially with reference to the luentioning of any occurrence as miraculous

The Miraculous Flying House of Loreto Karin Vélez,2018-12-11 In 1295 a house fell from the evening sky onto an Italian coastal road by the Adriatic Sea Inside awestruck locals encountered the Virgin Mary who explained that this humble mud brick structure was her original residence newly arrived from Nazareth To keep it from the hands of Muslim invaders angels had flown it to Loreto stopping three times along the way This story of the house of Loreto has been read as an allegory of how Catholicism spread peacefully around the world by dropping miraculously from the heavens In this book Karin V lez calls that interpretation into question by examining historical accounts of the movement of the Holy House across the Mediterranean in the thirteenth century and the Atlantic in the seventeenth century These records indicate vast and voluntary involvement in the project of formulating a branch of Catholic devotion V lez surveys the efforts of European Jesuits Slavic migrants and indigenous peoples in Baja California Canada and Peru These individuals contributed to the expansion of Catholicism by acting as unofficial authors inadvertent pilgrims unlicensed architects unacknowledged artists and unsolicited cataloguers of Loreto Their participation in portaging Mary s house challenges traditional views of Christianity as a prepackaged European export and instead suggests that Christianity is the cumulative product of thousands of self appointed editors V lez also demonstrates how miracle narratives can be treated seriously as historical sources that preserve traces of real events Drawing on rich archival materials **The Miraculous Flying House of Loreto** illustrates how global Catholicism proliferated through independent initiatives of untrained laymen
