Dick, 2025-05-15 Loretta Young 1913 2000 was an Academy Award winning actress known for devout Catholicism and her performances in *The Farmer's Daughter* *The Bishop's Wife* and *Come to the Stable* and for her long running and tremendously popular television series *But That Was Not the Whole Story* *Hollywood Madonna* explores the full saga of Loretta Young's professional and personal life She made her film debut at age four became a star at fifteen and many awards and accolades later made her final television movie at age seventy six This biography withholds none of the details of her affair with Clark Gable and the daughter that powerful love produced Bernard F. Dick places Young's affair in the proper context of the time and the choices available to women in 1935 especially a noted Catholic like Young whose career would have been in ruins if the public knew of her tryst With the birth of a daughter who would have been branded a love child Loretta Young reached the crossroads of disclosure and deception choosing the latter path That choice resulted in an illustrious career for her and a tortured childhood for her daughter *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr **Orry Kelly, Miss Weston's Protégé** Robert Parkinson, 2017-10-16 Orry Kelly Miss Weston's Protégé tells the incredible story of one of Hollywood's greatest designers Using never before seen materials photographs and letters Robert Parkinson has compiled years of research into one of the most detailed accounts of Orry Kelly's history Born in Kiama in December 1897 Orry Kelly moved to Sydney as a young man to seek a theatrical career and to study painting Though unsuccessful on the stage he could not be dissuaded from his dream of stage fame Eleanor Weston a well known Kiama businesswoman encouraged Kelly to move to the US where he found his calling designing scenes and costume for film television and the stage Over the course of his career Orry Kelly worked for all of the major studios including Warner Brothers Paramount and Fox dressing many of the well known female stars in some 312 films Though always widely renowned in Hollywood Kelly did not gain his fame in Australia until after his death in 1964 As biographies of movie stars began to appear in the 1980s his fashion styling and costume design came to be highly regarded and worthy of study across several universities and colleges **Television: A Biography** David Thomson, 2017-03-28 The invention or the quaint piece of furniture wandered into our lives in the 1940s as a primitive plaything a clever if awkward addition to the household It was expensive unreliable and a bit of an invalid *Television A Biography* In just a few years what used to be an
