**Los Angeles** Writers' Program (U.S.). California, 1941      Los Angeles - a Guide to the City and Its Environs - American Guide Series U.S. Federal Works Agency, 1941      *Los Angeles*, 1951      Los Angeles; A Guide to the City and Its Environs Writers' Program California, 2018-10-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Los Angeles* Writers' Program (U.S.). California, Southern, 1951      **Los Angeles** Workers of the Writer's Program, 1951      Los Angeles Federal Writers' Project, 1941      Los Angeles Federal Writers' Project of the Works Progress Administration of Northern California, 1951      **Los Angeles** WPA Writers' Program of the Work Projects Administration in Southern California, 1941      Los Angeles Writers' Program (Calif.), 1951      **Los Angeles in the 1930s** WPA Writers' Program of the Work Projects Administration in Southern California, 2011-04-05 Previously published New York Hastings House 1941 under the title *Los Angeles a guide to the city and its environs* as part of the American guide series      Los Angeles Writers' Program (Calif.), 1941      **Popular Culture in the Age of White Flight** Eric Avila, 2006-04 In *Popular Culture in the Age of White Flight* Eric Avila offers a unique argument about the restructuring of urban space in the two decades following World War II and the role played by new suburban spaces in dramatically transforming the political culture of the United States Avila's work helps us see how and why the postwar suburb produced the political culture of balanced budget conservatism that is now the dominant force in politics how the eclipse of the New Deal since the 1970s represents not only a change of views but also an alteration of spaces George Lipsitz author of *The Possessive Investment in Whiteness*      **Adult Catalog: Authors** Los Angeles County Public Library, 1970      *The Urban Community* Nels Andersen, 2013-03-07 Part of the *Sociology of the City* series originally published in 1959 this volume looks at the urban community bringing together rural and urban sociology It advises that areas need to be looked at in terms the way of the life of the inhabitants and not by size and that urban sociology needs to assume a more global perspective not just locally      *The Shaping of America: A Geographical Perspective on 500 Years of History* D. W. Meinig, 1986-01-01 Volume one examines how an immense diversity of ethnic and religious groups ultimately created a set of distinct regional societies Volume two emphasizes the flux uncertainty and unpredictability of the expansion into continental America showing how a multitude of individuals confronted complex and problematic issues      **The New Deal** Kathryn Flynn, 2009-09 2008 marks the 75th

anniversary of the New Deal the series of programs initiated by President Franklin Delano Roosevelt to help Americans recover during the Great Depression Programs such as the Civilian Conservation Corps the Civil Works Administration and the Works Progress Administration gave hope support and encouragement to millions of Americans Several New deal programs including Social Security continue to help Americans today      **American Higher Education** John R. Thelin, 2017-02-17 The latest book in the Core Concepts in Higher Education series brings to life issues of governance organization teaching and learning student life faculty finances college sports public policy fundraising and innovations in higher education today Written by renowned author John R Thelin each chapter bridges research theory and practice and discusses a range of institutions including the often overlooked for profits community colleges and minority serving institutions A blend of stories and analysis this exciting new book challenges present and future higher education practitioners to be informed and active participants capable of improving their institutions      *Boyle Heights* George J. Sánchez, 2022-07-12 The radical history of a dynamic multiracial American neighborhood When I think of the future of the United States and the history that matters in this country I often think of Boyle Heights George J Sánchez The vision for America's cross cultural future lies beyond the multicultural myth of the great melting pot That idea of diversity often imagined ethnically distinct urban districts the Little Italys Koreatowns and Jewish quarters of American cities built up over generations and occupying spaces that excluded one another But the neighborhood of Boyle Heights shows us something altogether different a dynamic multiracial community that has forged solidarity through a history of social and political upheaval Boyle Heights is an in depth history of the Los Angeles neighborhood showcasing the potent experiences of its residents from early contact between Spanish colonizers and native Californians to the internment of Japanese Americans during World War II the hunt for hidden Communists among the Jewish population negotiating citizenship and belonging among Latino migrants and Mexican American residents and beyond Through each period and every struggle the residents of Boyle Heights have maintained remarkable solidarity across racial and ethnic lines acting as a unified polyglot community even as their tribulations have become more explicitly racial in nature Boyle Heights is immigrant America embodied and it can serve as the true beacon on a hill toward which the country can strive in a time when racial solidarity and civic resistance have never been in greater need      Catalog of Copyright Entries.
