Los Halcones Dorados De Pancho Villa:

Los Halcones Dorados de Pancho Villa Carlos H. Cantu, 2003-07 Estas cualidades conducen a Los Demonios Voladores a la Primera Guerra Mundial los unen para integrar un Circo Aéreo y finalmente a volar como mercenarios para Pancho Villa Encontrando su causa noble convierten cinco aviones obsoletos en aeronaves capaces de realizar memorables hazañas Implacable la muerte se lleva a cinco de ellos y solo sobrevive Frank para disputarle honor y gloria a Antonio un aviador mexicano y el amor de la hermosa Florentina La pugna romántica no se resuelve hasta la última página del libro que además traza un vigoroso y veraz retrato del legendario Pancho Villa The Life and Times of Pancho Villa Friedrich Katz, 1998-10-01 Alongside Moctezuma and Benito Juárez Pancho Villa is probably the best known figure in Mexican history Villa legends pervade not only Mexico but the United States and beyond existing not only in the popular mind and tradition but in ballads and movies There are legends of Villa the Robin Hood Villa the womanizer and Villa as the only foreigner who has attacked the mainland of the United States since the War of 1812 and gotten away with it Whether exaggerated or true to life these legends have resulted in Pancho Villa the leader obscuring his revolutionary movement and the myth in turn obscuring the leader Based on decades of research in the archives of seven countries this definitive study of Villa aims to separate myth from history So much attention has focused on Villa himself that the characteristics of his movement which is unique in Latin American history and in some ways unique among twentieth century revolutions have been forgotten or neglected Villa's División del Norte was probably the largest revolutionary army that Latin America ever produced Moreover this was one of the few revolutionary movements with which a U.S. administration attempted not only to come to terms but even to forge an alliance In contrast to Lenin Mao Zedong Ho Chi Minh and Fidel Castro Villa came from the lower classes of society had little education and organized no political party The first part of the book deals with Villa's early life as an outlaw and his emergence as a secondary leader of the Mexican Revolution and also discusses the special conditions that transformed the state of Chihuahua into a leading center of revolution In the second part beginning in 1913 Villa emerges as a national leader The author analyzes the nature of his revolutionary movement and the impact of Villismo as an ideology and as a social movement The third part of the book deals with the years 1915 to 1920 Villa's guerrilla warfare his attack on Columbus New Mexico and his subsequent decline The last part describes Villa's surrender his brief life as a hacendado his assassination and its aftermath and the evolution of the Villa legend The book concludes with an assessment of Villa's personality and the character and impact of his movement *Pancho Villa's Golden Hawks* Carlos H.
