Willa Cather Empar Barranco Ureña, 2011-11-28 L'estudi descobreix una artista que va saber combinar les tècniques i els interessos de les avantguardes del seu temps i les tècniques i els interessos de l'argument i la narrativa domèstica. L'aprofundiment en l'obra narrativa de Cather es realitza de manera cronològica si bé els dos criteris que més pes han tingut en la divisió que Empar Barranco proposa són l'actitud de l'escriptora cap a l'ambient domèstic i el to general de les narracions. **Claiming Home, Shaping Community** Gloria H. Cuádriz, Yolanda Flores, 2017-11-07 To offer testimonio is inherently political a vehicle that counters the hegemony of the state and illuminates the repression and denial of human rights. Claiming Home Shaping Community shares testimonios from and about the lives of Mexican origin people who left the rural agricultural Imperial and San Joaquin Valleys to pursue higher education at a University of California campus. While symbolically their journeys embody the master narrative of the American Dream Claiming Home Shaping Community does not echo the rags to riches trope reified in dominant culture but rather it asserts the need to rehumanize the purpose and heart of education. In each chapter the narrators illustrate myriad supports that allowed them to move forward on their academic and professional journeys hard work affirmative action inclusionary practices mentors and their communities cultural wealth. Each trajectory is unique but put together as a collection the commonalities emerge. Denoting a sense of political and social urgency that responds to the current accentuated economic disparities between the haves and the have nots these essays illuminate the broader societal benefits of federal legislation and resources for state funded public higher education and policies that broaden access and resources. By telling their stories the contributors seek to empower others on their journeys to and through higher education.
