Losing The Weight Of The World:

The Weight Of It All Brenda Krick, 2018-01-19 Unlocking Your True Identity and Destiny In a time when the world has been on a path of removing God from many places and many things this book reveals what happens when you invite Him in Partnering with the Lord changes everything The One who created you knows your true identity and destiny He knit within you many gifts talents and abilities that you will need in this lifetime In order to accomplish the good plans He alone has predestined for each one of us we must tap into what has been deposited This book is a testimony of the depth of God's love and healing power and how He once invited in changed my life completely The person I had become was shaped by my life's experiences whether good bad or ugly Although this book is written from my experience when I asked the Lord to help me with my lifelong physical weight issue He revealed how just this one thing interwoven and connected to everything else in my life has kept me from who He created me to be As I partnered with Him he unraveled the weight of it all and revealed what needed to be addressed in my life in order for me to come into my God given identity and destiny Yours may not be a physical weight issue but the path to healing is still the same God created you and He is the One who deposited those things you would need He has good plans for your life Allow Him to reveal your true identity and destiny when you come out from under the weight of it all
