NEKOMONOGATARI (WHITE) NISIOISIN, 2019-10-08 Launching into new territory that the author hadn't mapped out when he embarked on the series NEKOMONOGATARI White tells the tale of heroine Tsubasa Hanekawa from her own perspective in her own voice if that can hold true for a damaged soul who depending on who you're asking suffers from a split personality or a supernatural aberration The bone chilling brokenness of her household where father and mother and daughter keep three separate sets of cookware in the same kitchen and only ever prepare their own meals and the profound darkness nurtured in the genius schoolgirl's heart come to life if that is the word through her self vivisection As for our customary unreliable narrator Araragi we seem to learn revealing tidbits about him now that we have an outside view of him at last while his lady friends Senjogahara Hachikuji et al freed from his predilection for proudly inane banter show subtly new faces to us via their female interlocutor Welcome to the Second Season

ONIMONOGATARI NISIOISIN, 2019-10-08 It like the dark that makes up most of the cosmos is not an aberration Nonbeing can swallow you whole yet if anything it's the anti aberration Darkness in fact is the Law an executioner from whom a mark can try to run and hide but only for so long When it comes

calling the fortunate just might have the time to say goodbye And the Darkness is here now Before ever visiting Japan to find a place to die four centuries indeed before her failed suicide attempt the legendary vampire Kisshot literally stepped foot on the land of the rising sun with an epic jump that ended a lonely sojourn in Antarctica It was back in those days that the proud noble created her first thrall It was then too that she first met the Darkness Having messed with a more recent past with her help and returning to the present to reunite with two more characters that look like little girls but are actually his elders Thrall No 2 Araragi reclaims the mic only to cede it in large part to the bloodsucking demon who goes by Shinobu these days Her story though may not even be the most poignant one told herein
