Season of the Dead Paul R. Seibert, 2003-07-03 It is the year of the true millennium and Jon Erik a twelve hundred year old Master Vampire has tracked his creator Nestasia to the Crescent City of New Orleans With less than a week away from the Wiccan New Year Halloween and the beginning of the Season of the dead travelers from around the world are preparing for this year's celebration to be one of the biggest in history Everyone that is except Jon Erik He has come to town with one sole intention to exact his form of Viking retribution against his creator for killing his men 1200 years ago and damning his soul to an unspeakable immortality on earth That is until he meets Jennifer a captivating single mother trying to raise her son and struggling to make ends meet Yet like the city she has lived in all of her life she too has her own rich history with the occult and unbeknownst to her or anyone else a royal bloodline courses through her veins As a descendant of a very ancient and powerful legacy of witches she is beset with a destiny that will bind her to one of the world's oldest and most dire prophecies Living in New Orleans she thinks that she has seen just about everything however nothing in her wildest imagination could have ever prepared her for what she is about to experience after she meets Jon Their relationship along with the kidnapping of her son by his creator will stir emotions in them both long since forgotten and some possibly even stronger than his own desire for revenge With only less than a week before the ritual Jon and Jennifer are in a race against time to stop Nestasia from enacting her plans knowing all too well that their failure will not only mean the death of her son but with the summoning of Lilith and the fulfillment of the ancient prophecies the end of all new born life all together Now they are all that stands between humanity and a literal Hell on Earth where mankind will be left as slaves to watch on helplessly as they are slaughtered as food and amusement for the Immortals

The Tales of Zitreg M. Geritz, 2024-12-28 The stories circulating about the existence of a secret of an accursed cave hidden deep in the forest have always attracted the attention and curiosity of fearless men who have tried in vain to locate its exact position Its access is protected as is the secret it guards a Library guarded by Zitreg the keeper of all the knowledge and magic it contains who possesses the ability to discern the true potential behind certain creatures lost in the current of their lives but all with something special The brave

adventurers seekers and all manner of things who've found him and the Library are given a choice either continue on their current paths or choose to become Sages giving up the lives they once knew in exchange for embracing a new beginning. However soon all the chosen ones find themselves on the verge of war against an enemy that moves in the shadows and is hidden in plain sight. One that is as formidable as intangible. M. A. Geritz's career as an author or rather the moment when almost without realizing it he undertook his path as a novelist began during the screening of *Revenge of the Sith*. From that point forward the author embarked on a personal journey searching for fresh tales, tactics, turns, schemes, and philosophical ideas. His journey led him to immerse himself initially in the works of renowned authors such as Tolkien and Lewis, then Rowling and Sanderson, and ultimately to Oda and Kishimoto. Awestruck by their craftsmanship and attention to detail, he eventually began creating his own stories. His time at Rollins College helped him realize his true potential thanks to some teachers who taught him how to write a good story while sticking to the original concept. Subsequently following a decade-long journey into fiction, he crafted his own unique world, creating *The Tales of Zitreg*. **Lost Souls: Dead Lands** Jordan Weisman, Mel Odom, 2011-05-10 Two months have passed since the events of *Burning Sky* and things have changed for Nathan Richards. Incensed by Kukulcan's victory and the unexpected loss of his mother, he refuses to play *The Game* until he knows what the stakes are until he meets a girl named Mavis in the field museum who died mysteriously at the Chicago Columbian Exposition more than 100 years ago. With the help of Alyssa and his friends, he will have to immerse himself in the Chicago Expo and the deep rivalry between Thomas Edison and Nikola Tesla to learn Mavis's forgotten secret. This time though, Nathan might have an advantage. Ah Puch, the Mayan god of the underworld, has offered Nathan his assistance against Kukulcan, no strings attached. **Spinegrinder** Clive Davies, 2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available today, a fan of horror and exploitation movies isn't necessarily educated on paths well trodden. Universal classics, 1950s monster movies, Hammer, as once they were. They may not even be born and bred on *DAWN OF THE DEAD*. In fact, anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing *MYSTICS IN BALI* and *S.S. EXPERIMENT CAMP* long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called godfather of gore, carries the same stripes as Alfred Hitchcock, master of suspense. *SPINEGRINDER* is one man's ambitious, exhaustive, and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won't care to write about. One opinion, 8,000 reviews or thereabouts. **City by the Bay: Approximately Dead** John B. Miller Jr., 2019-02-15 Oftentimes the intentions of honest and law-abiding people are subjugated by the elements of the occupations that they pursue. Why would a skilled precision machinist want to give up on that life track to pursue a career of violence and danger in the slimy and violent world of the criminal underbelly of a large metropolitan city? Seeking out the answers to questions that many would

rather leave unanswered is a skill learned the hard way for a new private eye Without the tools of a skilled assassin the strength of a professional leg breaker or the general pugilistic abilities of a common street thug Rex Bonner charts his way through the streets and alleys of his town to locate the center of the crux of his case and bring it to a client's approval dodging hurdles and parrying threats along the way as others get the chance to pay the piper for the life they chose and the horror that fills it

String City Graham Edwards, 2019-03-05 The Universe is made of string When the knots tighten the Cosmos quakes It's a tough job being a gumshoe in an interdimensional city full of gods living concepts and weirder things Good thing I'm a stringwalker able to jump between realities It started when I was hired to investigate an explosion at a casino A simple heist I thought but it turned into a race to stop the apocalypse So I rolled the dice and now I'm up against the ancient Greek Titans an interdimensional spider god and a mysterious creature known as the Fool I'm going to need more than just luck to solve this one If I fail all things in all realities could be destroyed Just another day in String City

Sun Ra's

Chicago William Sites, 2021-01-11 Sites provides crucial context on how Chicago's Afrocentrist philosophy, religion, and jazz scenes helped turn Blount into Sun Ra. Chicago Reader. Sun Ra (1914-1993) was one of the most wildly prolific and unfailingly eccentric figures in the history of music. Renowned for extravagant performances in which his Arkestra appeared in neo-Egyptian garb, the keyboardist and bandleader also espoused an interstellar cosmology that claimed the planet Saturn as his true home. In *Sun Ra's Chicago*, William Sites brings this visionary musician back to earth, specifically to the city's South Side, where from 1946 to 1961 he lived and relaunched his career. The postwar South Side was a hotbed of unorthodox religious and cultural activism. Afrocentric philosophies flourished; storefront prophets sold dream book bibles, and Elijah Muhammad was building the Nation of Islam. It was also an unruly musical crossroads where the man then known as Sonny Blount drew from an array of intellectual and musical sources, from radical nationalism and revisionist Christianity and science fiction to jazz, blues, Latin dance music, and pop exotica, to construct a philosophy and performance style that imagined a new identity and future for African Americans. *Sun Ra's Chicago* shows that late twentieth-century Afrofuturism emerged from a deep utopian engagement with the city and that by excavating the postwar black experience of Sun Ra's South Side milieu, we can come to see the possibilities of urban life in new ways. Four stars. Sites makes the engaging argument that the idiosyncratic jazz legend's penchant for interplanetary journeys and African American utopia was in fact inspired by urban life right on Earth.
