## **Lost At Sea Ghost Ships And Other Mysteries:**

Lost at Sea Michael Goss, 2010-01-28 A mother pleads with her son not to sail on a certain steamer because she has dreamt three times in a row that the vessel will never reach its destination Modern day observers watch in awe as a ghost ship blazing from bow to stern dutifully reenacts a two hundred year old tragedy that the observers fathers and grandfathers also watched reenacted with the same sense of awe A crewman walks past a solitary figure seated in the ship s restaurant only to turn a moment later and find the restaurant empty A red glow appears in the darkness ahead of a modern warship and the faint outline of an old galleon her sails in tatters is seen approaching against the wind only to vanish a moment later before the startled eyes of observers Such strange events have been seen for centuries and continue to be reported even today by witnesses who are for the most part sober and responsible human beings In Lost at Sea folklore specialist Michael Goss and George Behe an expert on maritime disasters explore what lies behind these amazing narratives and enduring legends

**Lost at Sea** Michael Goss, 2005      *The Titanic in Print and on Screen* D. Brian Anderson, 2014-12-09 Titanic scholars contend that the demise of the unsinkable ship left more behind than a memory of April 15 1912 as an important point in history Through books films stories and songs the archetypal shipwreck has endured as a metaphor for the perils of mankind s hubris and the fallibility of technology In 1985 the discovery of the long missing wreckage two miles below the surface of the Atlantic revitalized interest in the Titanic and spawned a new generation of books films and for the first time websites and computer games James Cameron s blockbuster Titanic became the biggest movie of all time and engendered still greater popular interest in the tragic event This bibliography is a survey of the immense volume of literary dramatic and commercial endeavors that came out of history s most compelling shipwreck Organized by genre in accessible categories and short entries the book includes Titanic inspired documentaries narrative films children s books histories short stories novels plays articles essays software websites poems and songs Each entry includes a brief review bibliographic information and the technical details of the specific source The reviews include subjective analysis designed to reflect the usefulness of the source and to be of benefit to researchers and scholars Five appendices include lists of the actors appearing in more than one Titanic film brief film and television appearances of the Titanic films never or not yet released books that survived the wreck and books written by passengers

**The Titanic** Eugene L. Rasor, 2001-09-30 Promoted as virtually unsinkable the ultimate luxury liner the largest ship in the world the RMS Titanic sank on its maiden voyage in April 1912 taking some 1 500 people to their death Aboard the ship were the wealthy and famous as well as hundreds of immigrants seeking a new life in America The most dramatic marine disaster of modern times the Titanic tragedy captured the interest and imagination of the entire world The intensity of interest in the catastrophe has increased particularly after discovery of the wreck off the coast of Newfoundland in the mid 1980s The resulting literature is vast including both scholarly and popular sources Covering more than the published literature the book also surveys memorabilia artifacts cultural icons music film and exhibitions

Divided into three sections the work opens with a historiographical survey of the literature then includes descriptive lists of more peripheral material and concludes with a bibliography of 674 entries All items covered in the historiographical survey are included in the bibliography This useful guide will appeal to researchers both laymen and scholars interested in the Titanic

**Borderlands** Mike Dash,2000-11-07 Explore the Borderlands The charred remains of Helen Conway whose body exploded Was this a case of spontaneous combustion Discoveries of 130 foot long boa constrictors and twelve foot giant kangaroos What other species have gone undiscovered In England a town is pelted from the sky by hundreds of tiny rose colored frogs Is this a one time event an omen or a bizarre natural phenomenon Near death experiences lake monsters crop circles fairies visions of the Virgin Mary Using his vast research and privileged access to case files noted paranormal investigator Mike Dash has compiled this unprecedented collection of the most baffling puzzles of our time Touring the globe and sifting through a vast array of eyewitness accounts and film and photographic evidence Dash separates genuine cases from hoaxes and dares to record those macabre inexplicable and terrifying events where there is no other explanation except that what people saw heard and sometimes lived to tell about is true

**Haunted America FAQ** Dave Thompson,2015-09-01 FAQ Pop Culture Take a fast paced survey of the ghosties ghouls and associated denizens of the country s haunted history with Haunted America FAQ Tracing local ghost stories back to Native American legends and then forward through horror tales both ancient and modern the book revisits some of the best known haunted locales as well as some of the most obscure creepy places in America Delving deep into the cultural history of American hauntings Haunted America FAQ includes chapters on ghostly books movies and television Also included is an A Z of reality TV ghost hunts and a state by state gazetteer of haunted spots

*On Board RMS Titanic* George Behe,2012-02-29 It would make the stones cry to hear those on board shrieking Daniel Buckley third class passenger For the first time in this moving new book Titanic s passengers and crewmen are permitted to tell the story of that lamentable disaster entirely in their own words Included are letters postcards diary entries and memoirs that were written before during and immediately after the maiden voyage itself Many of the pre sailing documents were composed by people who later lost their lives in the sinking and represent the last communications that these people ever had with their friends and loved ones at home The subsequent letters and postcards give an unparalleled description of the events that occurred during the five days that Titanic was at sea and the correspondence by survivors after the tragedy describes the horror of the disaster itself and the heartbreak they experienced at the loss of those they loved This poignant compilation by Titanic expert George Behe also contains brief biographies of the passengers and crewmen victims as well as survivors who wrote the documents in question

**Encyclopedia of Spirits and Ghosts in World Mythology** Theresa Bane,2016-03-24 Of all the anomalous phenomenon reported ghost sightings are by far the most common The words ghost and spirit are used interchangeably in American English but in other cultures the lingering souls of the departed are not to be confused with ancestral spirits demonic spirits numens or poltergeists This

encyclopedia lists hundreds of entities of the spirit realm from aatxe to zuzeca from world mythology and folklore **Angels in the Trenches** Leo Ruickbie, 2018-11-08 After a miraculous escape from the German military juggernaut in the small Belgian town of Mons in 1914 the first major battle that the British Expeditionary Force would face in the First World War the British really believed that they were on the side of the angels Indeed after 1916 the number of spiritualist societies in the United Kingdom almost doubled from 158 to 309 As Arthur Conan Doyle explained The deaths occurring in almost every family in the land brought a sudden and concentrated interest in the life after death People not only asked the question If a man die shall he live again but they eagerly sought to know if communication was possible with the dear ones they had lost From the Angel of Mons to the popular boom in spiritualism as the horrors of industrialised warfare reaped their terrible harvest the paranormal and its use in propaganda was one of the key aspects of the First World War Angels in the Trenches takes us from defining moments such as the Angel of Mons on the Front Line to spirit communication on the Home Front often involving the great and the good of the period such as aristocrat Dame Edith Lyttelton founder of the War Refugees Committee and the physicist Sir Oliver Lodge Principal of Birmingham University We see here people at every level of society struggling to come to terms with the ferocity and terror of the war and their own losses soldiers looking for miracles on the battlefield parents searching for lost sons in the sance room It is a human story of people forced to look beyond the apparent certainties of the everyday and this book follows them on that journey Chasing Icebergs Matthew H. Birkhold, 2023-02-07 A deeply intelligent and engrossing narrative that will transform our relationship with water and how we view climate change The global water crisis is upon us 1 in 3 people do not have access to safe drinking water nearly 1 million people die each year as a result Even in places with adequate freshwater pollution and poor infrastructure have left residents without basic water security Luckily there is a solution to this crisis where we least expect it Icebergs frozen mountains of freshwater are more than a symbol of climate change In his spellbinding Chasing Icebergs Matthew Birkhold argues the glistening leviathans of the ocean may very well hold the key to saving the planet Harvesting icebergs for drinking water is not a new idea But for the first time in human history doing so on a massive global scale is both increasingly feasible and necessary for our survival Chasing Icebergs delivers a kaleidoscopic history of humans relationship with icebergs and offers an urgent assessment of the technological cultural and legal obstacles we must overcome to harness this freshwater resource Birkhold takes readers around the globe introducing them to a colorful cast of characters with wildly different ideas about how and if humans should use icebergs Sturdy bureaucrats committed to avoiding another Titanic square off against iceberg cowboys who wrangle the frozen beasts for profit Entrepreneurs selling luxury iceberg water for an eye popping price clash with fearless humanitarians trying to tow icebergs across the globe to eradicate water shortages Along the way we meet some of the world s most renowned scientists to determine how industrial scale iceberg harvesting could affect the oceans and the poles And we see firsthand the looming conflict between Indigenous peoples like the Greenlandic Inuit with claims to

icebergs and the private corporations that stand to reap massive profits As Birkhold shepherds readers from Connecticut to South Africa from Newfoundland to Norway to Greenland and beyond he unfurls a visionary argument for cooperation over conflict It s not too late for icebergs to save humanity But we must act fast to form a coalition of scientists visionaries engineers lawyers and diplomats to ensure that the Cold Rush doesn t become a free for all **The Titanic on Film** Linda Maria Koldau,2014-01-10 The narrative surrounding the Titanic s voyage collision and sinking in April 1912 seems tailor made for film With clear categories of gender class nationality and religion the dominating Titanic myth offers a wealth of motifs ripe for the silver screen heroism melodrama love despair pleasure pain failure triumph memory and eternal guilt This volume provides a detailed overview of Titanic films from 1912 to the present and analyzes the six major Titanic films including the 1943 Nazi propaganda production the 1953 Hollywood film the 1958 British docudrama A Night to Remember the 1979 TV production S O S Titanic the 1996 mini series Titanic and James Cameron s 1997 blockbuster By showing how each film follows and builds on a pattern of fixed scenes motifs and details defined as the Titanic code this work yields telling insights into why this specific disaster has maintained such great relevance into the 21st century **Premonitions of the Titanic Disaster** Terry Keefe,2021-03-28 Passengers cancelling their tickets for Titanic s maiden voyage out of apprehension a famous social reformer who died on Titanic warned in 1911 that he would be in danger from water in April 1912 inhabitants of the remote islands of Fiji aware of the sinking before reports of the collision reached the Pacific a dying girl who on 14 April 1912 sees a big ship sinking in the water and mysteriously knows the name of the violinist in Titanic s orchestra These are just a few of the numerous claims to psychic foreknowledge of the ship s sinking Within days of the widely publicised disaster of 1912 stories began circulating of extraordinary omens and individuals who supposedly had supernatural premonitions of the disaster Furthermore four fictional works one dating as far back as twenty six years came to be seen as anticipating the disaster Between 1960 and 2006 five major commentators published extended analyses of the alleged premonitions none of which is now easily accessible to an English readership This book examines them all in detail The whole treatment of the matter opens up fascinating questions concerning the paranormal but also raises and leaves unresolved crucial issues specific to premonitions and how they can be legitimately examined Readers are left to make their own judgement on Titanic premonitions **Encyclopedia of American Literature of the Sea and Great Lakes** Jill B. Gidmark,2000-11-30 The sea and Great Lakes have inspired American authors from colonial times to the present to produce enduring literary works This reference is a comprehensive survey of American sea literature The scope of the encyclopedia ranges from the earliest printed matter produced in the colonies to contemporary experiments in published prose poetry and drama The book also acknowledges how literature gives rise to adaptations and resonances in music and film and includes coverage of nonliterary topics that have nonetheless shaped American literature of the sea and Great Lakes The alphabetical arrangement of the reference facilitates access to facts about major literary works characters authors themes vessels places

and ideas that are central to American sea literature Each of the several hundred entries is written by an expert contributor and many provide bibliographical information While the encyclopedia includes entries for white male canonical writers such as Herman Melville and Jack London it also gives considerable attention to women at sea and to ethnically diverse authors works and themes The volume concludes with a chronology and a list of works for further reading

**Voices from the Carpathia: Rescuing RMS Titanic** George Behe,2015-05-04 When Titanic began sending out distress calls one of the first to reply was the Cunard liner Carpathia As it turned out Carpathia was the only vessel to reach the scene in time to save the lives of any of Titanic s passengers and after she arrived in New York reporters crowded the pier and vied with each other to obtain interviews with the survivors of the disaster In their zeal to interview survivors though the reporters brushed past other people who could have provided their own eyewitness accounts namely Carpathia s own passengers largely left to their own devices as to how and when they discussed their participation in events A few wrote letters to relatives others wrote accounts intended for publication The author s collection of these rare written accounts and interviews sheds new light on the tragic way the lives of so many were impacted by the loss of the largest passenger liner in the world

**The Mysterious Paths Of Versailles** Mark Lamont,2017-11-30 On August 10 1901 two English ladies decided to visit the Palace of Versailles for what was anticipated to be an ordinary day of sightseeing However on that fateful day a series of mysterious encounters occurred When the ladies visited Queen Marie Antoinette s Petit Trianon both were later convinced they had stepped back in time to the eighteenth century One of the ladies even believed she had witnessed the queen herself Were the ladies encounters a case of mistaken identity and confusion or did they unknowingly step back in time to walk along paths from a bygone era at Versailles

**Mists of the Sea: Unsolved Mysteries** Pasquale De Marco,2025-07-19 Mists of the Sea embarks on a captivating voyage into the enigmatic realm of marine mysteries where legends and unexplained phenomena collide Delve into the depths of the unknown where lost ships and ghostly apparitions haunt the imagination Discover the tales of vanished vessels such as the Mary Celeste and Flight 19 and ponder the enduring enigma of Amelia Earhart s disappearance Unravel the secrets of sea monsters and mythical creatures from the legendary Kraken to the elusive Loch Ness Monster Explore the captivating world of mermaids and sea serpents and question the existence of Megalodon a prehistoric predator rumored to roam the depths Journey through the chilling accounts of cursed voyages and haunted vessels including the infamous Flying Dutchman and the tragic fate of the Titanic Encounter the haunting tales of the Andrea Doria and the mysterious SS Ourang Medan a ship lost to the depths of the sea Dive into the depths of mysterious shipwrecks and underwater ruins and uncover the stories behind the wreck of the Lusitania and the discovery of the Titanic Explore the enigmatic Yonaguni Monument a submerged city or natural formation Journey to the ruins of Nan Madol an ancient Pacific civilization lost to time Seek hidden treasures and sunken riches and uncover the legends of Captain Kidd s buried treasure and the Spanish treasure galleon the Atocha Discover the Black Swan a shipwreck with a mysterious cargo and join the quest
