Lost Mines Treasures Of The Pacific:

Buried Treasures of the Pacific Northwest W. C. Jameson, 2006-01-30 Do Indians living today know the location of the supposedly cursed Lost Gold of Devil's Sink Did Sir Francis Drake bury millions of dollars worth of ancient Incan treasures Has anyone found the box of gold coins buried by a reputed giant in the Washington rain forest Is there a noble family's fortune buried near an old log cabin in the Cascades *Lost Mines and Treasures of the Pacific Northwest* Ruby El Hult, 1957 Where to look for lost gold mines and treasure in Oregon Washington and Idaho *Lost Mines and Buried Treasures of the West* Thomas Probert, 1977 This large easy to use volume lists the works of more than eleven hundred different authors covering thousands of stories of lost mines and buried treasures supposedly located in fifteen Western and Southwestern states and in Mexico In addition to being a boon to those adventurers who are tempted to search for lost mines and buried treasures it will be an important basic research tool for historians geologists geographers anthropologists archaeologists and folklorists and it will be useful in identifying the man treasure hoards and mining claims all the way from the Lost Adams Diggings in Arizona to the Stagecoach in Wyoming The information given in this important bibliography was acquired through perusal of an unusually large number of books newspapers magazines unpublished manuscripts deposits in private and public libraries holdings of various historical foundations and governmental records and archives The task took Mr Probert three full years of steady patient work Many of these stories of lost mines and buried treasures have resulted in the discovery of some that are rarely acknowledged largely because as Mr Probert points out those who have been so fortunate as to find the pot of gold at the end of the rainbow have deemed it wiser and much safer to keep their own counsel Book jacket **Treasure Hunter** W.C. Jameson, 2014-11-05 W C Jameson was an active treasure hunter for more than fifty years He has fallen from cliffs had ropes break during climbs been caught in mine shaft cave ins contended with flash floods been shot at watched men die and had to deal with rattlesnakes water moccasins scorpions and poisonous centipedes He has fled for his life from park rangers policemen landowners competitors corporate mercenaries and drug runners He has also discovered enough treasure to pay for his own house and finance his and his children's education With his enigmatic treasure hunter partners Slade Stanley and Poet Jameson's stories are worthy of an Indiana Jones film except that they are all true

Craig Gaines,2022-07-11 Track pirate gold and misplaced riches across 168 counties in this comprehensive guide to the lost treasures of Texas Countless fortunes have disappeared into the vast expanse of the Lone Star State The history of the coast is cluttered with shipwrecks like that of the 1554 Spanish fleet Even when pirates such as Jean Laffite managed to get their ill gotten gains ashore their loot vanished just as completely as if it had sunk beneath the waves Entire mines including the ventures of Jim Bowie and San Saba Presidio have been reclaimed by the earth The unmarked caches of bandits like Jesse James and Pancho Villa still bedevil the dreams of treasure seekers today W Craig Gaines reveals what has been lost what has been found and what remains to be recovered Lost Bonanzas of Western Canada Garnet Basque,1996 The book contains 13 true stories of lost mines buried treasure and outlaw loot from British Columbia Alberta and the Northwest Territories This collection of stories is unlike most Although many of the stories themselves are not new in the past most authors have merely glamorized the possibility that the treasure existed This author has gone far beyond that spending the time and research necessary trying to establish whether or not the treasure did in fact exist whether the people places and events actually existed It was a complicated process given the number of years that had passed Authenticating them however did not detract from the stories This collection will stir the adventuresome spirit in any reader
