The Lost Tribes of Israel Tudor Parfitt, 2002 Tudor Parfitt examines a myth which is based on one of the world s oldest mysteries what happened to the lost tribes of Israel Christians and Jews alike have attached great importance to the legendary fate of these tribes which has had a remarkable impact on their ideologies throughout history Each tribe of Israel claimed descent from one of the twelve sons of Jacob and the land of Israel was eventually divided up between them Following a schism which formed after the death

of Solomon ten of the tribes set up an independent northern kingdom whilst those of Judah and Levi set up a separate southern kingdom In 721BC the ten northern tribes were ethnically cleansed by the Assyrians and the Bible states they were placed in Halah and in Habor by the river of Gozan and in the city of Medes The Bible also foretold that one day they would be reunited with the southern tribes in the final redemption of the people of Israel Their subsequent history became a tapestry of legend and hearsay The belief persisted that they had been lost in some remote part of the world and there were countless suggestions and claims as to where **Anglo-Israel** William Henry Poole,1889 **Lost Tribes of Israel** George S. McAchran,1993 *In the Footsteps of the Lost Ten Tribes* Avigdor Shachan, Laurence Becker, David Itzkowitz, 2013-04-03

In the year 722 BCE the Israelite masses were taken by the Assyrian army and led off to exile The legends surrounding the whereabouts of these Ten Lost Tribes are so numerous so persuasive and so enchanting there is hardly a place under the sun that has not been searched by explorers in their quest to uncover their True journey and location When the longing for their lost far away brothers overwhelmed the communal heads and rabbis of the remaining tribes of Judah Benjamin and Levi composed letter and sent them out by messenger to the Ten Tribes These messengers generally vanished as well and all traces of them seem to have disappeared in a cloud of uncertainty and mystery Dr Shachan has followed in the footsteps of these messengers and returned He tells us of the people of Pashtunistan in Afghanistan which is made up of tribal clans whose names and genealogies relate to the Ten Tribes He has rediscovered the remnants of the Nephtalite kingdom and pinpointed the location of the Ten Tribes in central Asia He has found traces of the kingdom of Kaifeng in China He has documented the path of the Ten Tribes through India and followed them to Japan even including a glossary of Hebrew terms used in Japanese Today relics of the culture customs and commandments of the Mosaic Law are still in evidence among different nations and tribes Ten of millions of inhabitants of the world still claim that they are descendants of the Ten Tribes 2 700 years after their exile *The Lost Ten Tribes* Joseph Wild,1879 *The History of the Ten "Lost Tribes": Anglo-Israelism Examined* David Baron,2024-08-20

Benjamin,2001 **The Ten Lost Tribes** Rev. Joseph Wild,2014-12-11 This book details the scriptures that apply to the Lost Tribes of Israel It shows how many of them went to Ireland England and other European regions It also covers the great pyramid Bible prophecy and the throne of David A great resource for learning about the British Israel connection *The Ten Lost Tribes* Charles River Charles River Editors,2014-09-19 Includes pictures Includes Biblical passages and Assyrian accounts of the deportation of the Israelites Includes a bibliography for further reading I counted as spoil 27 280 people together with their chariots and gods in whom they trusted I formed a unit with 200 of their chariots for my royal force I settled the rest of them in the midst of Assyria I repopulated Samaria more than before I brought into it people from countries conquered by my hands I appointed my commissioner as governor over them and I counted them as Assyrians Sargon II Assyrian king In the 8th century BCE one of the most important provinces within the Assyrian Empire was Samaria Also known as Israel Samaria repeatedly rebelled against their Assyrian overlords but in 722 the Assyrians overran Samaria once and for all killing countless numbers and sending most of the rest of its inhabitants into forced exile The events of Samaria s fall were chronicled in the Assyrian annals from the reign of Sargon II and the Old Testament and although the two sources present the event from different perspectives they corroborate each other for the most part and together present a reliable account of the situation The end result was that 30 000 Israelites were forcibly deported from the region a tactic the Assyrians found so effective that they would continue to use it against other conquered enemies until the fall of their own empire The Assyrians forced exile of the Israelites was not the only time such a fate had befallen them as made clear by Babylonian accounts and the Biblical account of the Exodus out of Egypt but it was that exile that permanently scattered most of the legendary 12 tribes of Israel and the fate of the 10 lost tribes has interested people ever since The patriarchal stories in Genesis explain the following about the origin of the tribes of Israel The patriarch Jacob whose name was later changed to Israel Gen 32 28 was himself the son of Isaac and the grandson of Abraham He had 12 sons who are the eponymous ancestors of the 12 tribes of Israel Genesis lists the 12 sons according to their mothers Jacob had five sons with his first wife Reuben Simeon Levi Judah and Issachar Leah s maid Zilpah bore another two sons to Jacob Gad and Asher His second wife Rachel also bore only two sons Joseph and Benjamin as did her maid Bilhah Dan and Naphtali The simple version of the Ten Lost Tribes is that modern Jewish communities are composed of the descendants of two of these 12 tribes because Cyrus the Great allowed these tribes to return to Judah from their captivity in Babylon However the location and fate of the remaining 10 tribes deported by the

Assyrians from the northern kingdom of Israel two centuries earlier remains a mystery and it is this mystery that lies at the heart of the search for the Ten Lost Tribes The Ten Lost Tribes looks at what is known and unknown about the missing tribes of Israel and speculation as to their fate Along with pictures of important people places and events you will learn about the Lost Tribes of Israel like never before in no time at all *The Lost Tribes of Israel* Reader Harris,1941 [The Lost Tribes of Israel; Or, Europe and America in History and in Prophecy](#) C.
