

THE NAZI OCCUPATION OF CRETE 1941-1945

G.C. KIRIAKOPOULOS

Nazi Occupation Of Crete 1941 1945

Puja Mehta

Nazi Occupation Of Crete 1941 1945:

The Nazi Occupation of Crete G. C. Kiriakopoulos, 1995-09-30 After a ten day hard fought battle against the German invader Crete lay conquered However Cretan resistance was so fierce that with the battle concluded the Nazi conqueror was intent on punishing the entire Cretan population The German Occupation Rule on Crete 1941-1945 Marlen von Xylander, 2023 In contrast to the Greek mainland the Nazis occupied most of Crete between 1941 45 After the German troops defeat in North Africa Crete was turned into a fortress This study examines the goals methods and effectiveness of the German occupation policy the reactions of the Cretan administration and of the population in particular and also describes the opponents combat operations The study is based not only on written papers documents and files of Greek Cretan British and German origin but also on letters manuscripts expos es and interviews by and with contemporary witnesses *The German Secret Field Police in Greece, 1941-1944* Antonio J. Muñoz, 2018-03-04 The Geheime Feldpolizei Secret Field Police was the political police force of the German Army during World War II Its members were drawn from both the regular German police including detectives and various Nazi security organizations The goals of the GFP were numerous and included protecting important political and military leaders investigating black market activities as well as acts of sabotage and espionage locating deserters examining anti German activists and hunting down partisans While performing these duties GFP members immersed themselves in criminal activities This book focuses on the function of the GFP in Greece compared to that of the GFP elsewhere in Europe **The Church of Greece under Axis Occupation** Panteleymon Anastasakis, 2014-12-15 Axis forces Germany Italy and Bulgaria occupied Greece from 1941 to 1944 The unimaginable hardships caused by foreign occupation were compounded by the flight of the government days before enemy forces reached Athens This national crisis forced the Church of Greece an institution accustomed to playing a central political and social role during times of crisis to fill the political vacuum Led by Archbishop Damaskinos of Athens the clergy sought to maintain the cultural spiritual and territorial integrity of the nation during this harrowing period Circumstances forced the clergy to create a working relationship with the major political actors including the Axis authorities their Greek allies and the growing armed resistance movements especially the communist led National Liberation Front In so doing the church straddled a fine line between collaboration and resistance individual clerics for instance negotiated with Axis authorities to gain small concessions while simultaneously resisting policies deemed detrimental to the nation Drawing on official archives of the Greek Ministry of Foreign Affairs the British Foreign Office the U S State Department and the Greek Holy Synod alongside an impressive breadth of published literature this book provides a refreshingly nuanced account of the Greek clergy s complex response to the Axis occupation of Greece during World War II The author s comprehensive portrait of the reaction of Damaskinos and his colleagues including tensions and divisions within the clergy provides a uniquely balanced exploration of the critical role they played during the occupation It helps readers understand how and why traditional institutions such as

the Church played a central social and political role in moments of social upheaval and distress. Indeed, as this book convincingly shows, the Church was the only institution capable of holding Greek society together during World War II. While *The Church of Greece under Axis Occupation* elucidates the significant differences between the Greek case and those of other territories in Axis-occupied Europe, it also offers fresh insight into the similarities. Greek clerics dealt with many of the same challenges clerics faced in other parts of Hitler's empire, including exceptionally brutal reprisal policies, deprivation, and hunger, and the complete collapse of the social and political order caused by years of enemy occupation. By examining these challenges, this illuminating new book is an important contribution not only to Greek historiography but also to the broader literatures on the Holocaust, collaboration, and resistance during World War II, and church-state relations during times of crisis.

Historical Dictionary of World War II Anne Sharp Wells, 2013-12-24 This dictionary covers the complex and costly conflict that began when Germany, ruled by Adolf Hitler and the Nazi Party, invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 May 1945, leaving much of the European continent in ruins and its population devastated. The war against Germany, Italy, and the other European Axis members was fought primarily in Europe, the Mediterranean, the Middle East, East and North Africa, and the Atlantic Ocean. The Axis powers were defeated by the Allies, led by the Grand Alliance of Great Britain, the United States, and the Union of Soviet Socialist Republics. The *Historical Dictionary of World War II* relates the history of this war through a chronology, an introductory essay, maps, and photos, and an extensive bibliography. The dictionary section has more than 300 cross-referenced entries on the countries and geographical areas involved in the war, as well as the nations remaining neutral, wartime alliances, and conferences. Significant civilian and military leaders and major ground, naval, and air operations are also covered. This book is an excellent access point for students, researchers, and anyone wanting to know more about World War II.

Kidnap in Crete Rick Stroud, 2014-09-11 This is the story of how a small SOE unit led by Patrick Leigh Fermor kidnapped a German general on the Nazi-occupied island of Crete in 1944. For thirty-two days, they were chased across the mountains as they headed for the coast, and a rendezvous with a Royal Navy launch waiting to spirit the general to Cairo. Rick Stroud, whose *Phantom Army of Alamein* won plaudits for its meticulous research and its lightness of touch in the telling, brings these same gifts to bear in this new project. From the adrenalin rush of the kidnapping to the help provided by the Cretan partisans and people, he explains the overall context of Crete's role in World War Two and reveals the devastating consequences of this mission for them all. There have been other accounts, notably *Ill Met By Moonlight* by William Stanley Moss, Leigh Fermor's second in command, which was later made into a Powell and Pressburger film starring Dirk Bogarde, but *Kidnap in Crete* is the first book to draw on all the sources, notably those in Crete, as well as SOE files and the accounts, letters, and private papers of its operatives in London and Edinburgh.

Battles that Changed History Spencer C. Tucker, 2010-11-11 This encyclopedic collection of more than 200 of the most decisive and important battles throughout world history gets a fresh

interpretation by a noted military historian The mythic and doomed stand of the 300 Spartans at Thermopylae the siege of Carthage in 149 146 BCE which ended with Rome destroying the city and enslaving the entire remaining Carthaginian population the Battle of Hastings in 1066 arguably the most important battle ever on English soil the Battle of Trenton that saved the American Revolutionary cause and established the military reputation of General Washington the firebombing of Tokyo on the night of March 9 10 1945 that destroyed one quarter of the city All of these conflicts and hundreds more played a crucial role in defining the direction of history and the evolution of human society This text provides high school level readers with detailed descriptions of the battlefield actions that have played the greatest parts in shaping military history and human existence Special attention is paid to the greater historical context and significance of each battle especially in relation to other events

War in the Balkans Richard C. Hall, 2014-10-09 This authoritative reference follows the history of conflicts in the Balkan Peninsula from the 19th century through the present day The Balkan Peninsula which consists of Albania Bulgaria Romania Moldova and the former Yugoslavia resides in the southeastern part of the European continent Its strategic location as well as its long and bloody history of conflict have helped to define the Balkans role in global affairs This singular reference focuses on the events individuals organizations and ideas that have made this region an international player and shaped warfare there for hundreds of years Historian and author Richard C Hall traces the sociopolitical history of the area starting with the early internal conflicts as the Balkan states attempted to break away from the Ottoman Empire to the assassination of Archduke Franz Ferdinand that ignited World War I to the Yugoslav Wars that erupted in the 1990s and the subsequent war crimes still being investigated today Additional coverage focuses on how these countries continue to play an important role in global affairs and international politics

Greece: A Jewish History K. E. Fleming, 2024-11-01 This innovative soundly researched work has filled a long standing need for the story of Greek Jewry to be told fully Jewish Book World K E Fleming s *Greece a Jewish History* is the first comprehensive English language history of Greek Jews and the only history that includes material on their diaspora in Israel and the United States The book tells the story of a people who for the most part no longer exist and whose identity is a paradox in that it wasn t fully formed until after most Greek Jews had emigrated or been deported and killed by the Nazis For centuries Jews lived in areas that are now part of Greece But Greek Jews as a nationalized group existed in substantial number only for a few short decades from the Balkan Wars 1912 13 until the Holocaust in which more than eighty percent were killed *Greece a Jewish History* describes their diverse histories and the processes that worked to make them emerge as a Greek collective It also follows Jews as they left Greece as deportees to Auschwitz or migr s to Palestine Israel and New York s Lower East Side In such foreign settings their Greekness was emphasized as it never was in Greece where Orthodox Christianity traditionally defines national identity and anti-Semitism remains common An excellent effort to explain the quandary of the Jews of Greece during the country s turbulent 200 year history Jay Levinson Jewish Tribune Until the appearance of Fleming s work there was no overarching account of the Jewish

experience in modern Greece and this book fills that lacuna extremely well Alexander Kitroeff American Historical Review

A Handful of Mischief Donat Gallagher, Ann Pasternak Slater, John Howard Wilson, 2011-04-18 A Handful of Mischief New Essays on Evelyn Waugh is a collection of essays based on presentations at the Evelyn Waugh Centenary Conference at Hertford College Oxford in 2003 There are twelve different essays by authors from various countries including Australia Canada Russia the United Kingdom and the United States The essays cover a wide range of material from Waugh's early novel Black Mischief 1932 to his last travel book A Tourist in Africa 1960 In addition to essays on well known novels such as Scoop 1938 Brideshead Revisited 1945 and Helena 1950 the collection includes papers on Waugh's library his changing conception of Oxford his writing about religious conversion and his role in the British evacuation of Crete in 1941 The authors approach Waugh and his work in various ways and innovative essays explore sovereignty post colonialism and adaptation for radio Contributors Baron Alder Peter G Christensen Robert Murray Davis Marcel DeCoste Patrick Denman Flanery Donat Gallagher Irina Kabanova Dan S Kostopulos Lewis MacLeod John W Mahon Richard W Oram Ann Pasternak Slater John Howard Wilson

Resistance Halik Kochanski, 2022-05-24 WINNER OF THE 2023 WOLFSON HISTORY PRIZE New Yorker Best Books of 2022 This is the most comprehensive and best account of resistance I have read It addresses the story with scholarly objectivity and an absolute lack of sentimentality So much romantic twaddle is still published it is marvelous to read a study of such breadth and depth which reaches balanced judgments Max Hastings The Sunday Times UK Resistance is the first book of its kind a monumental history that finally integrates the many resistance movements against Nazi hegemony in Europe into a single sweeping narrative of defiance To resist therefore But how when and where There were no laws no guidelines no precedents to show the way Dutch resister Herman Friedhoff In every country that fell to the Third Reich during the Second World War from France in the west to parts of the Soviet Union in the east a resistance movement against Nazi domination emerged And every country that endured occupation created its own fiercely nationalist account of the role of homegrown resistance in its eventual liberation Halik Kochanski's panoramic prodigiously researched work is a monumental achievement the first book to strip these disparate national histories of myth and nostalgia and to integrate them into a definitive chronicle of the underground war against the Nazis Bringing to light many powerful and often little known stories Resistance shows how small bands of individuals took actions that could lead not merely to their own deaths but to the liquidation of their families and their entire communities As Kochanski demonstrates most who joined up were not supermen and superwomen but ordinary people drawn from all walks of life who would not have been expected least of all by themselves to become heroes of any kind Kochanski also covers the sheer variety of resistance activities from the clandestine press assistance to Allied servicemen evading capture and the provision of intelligence to the Allies to the more violent manifestations of resistance through sabotage and armed insurrection For many people resistance was not an occupation or an identity but an activity a person would deliver a cache of stolen documents to armed partisans and then

seamlessly return to their normal life For Jews under Nazi rule meanwhile the stakes at every point were life and death resistance was less about national restoration than about mere survival Why resist at all Who is the real enemy What kind of future are we risking our lives for These and other questions animated those who resisted With penetrating insight Kochanski reveals that the single quality that defined resistance across borders was resilience despite the constant arrests and executions resistance movements rebuilt themselves time and time again A landmark history that will endure for decades to come Resistance forces every reader to ask themselves yet another question this distinct to our own times What would I have done

The Arecibo Antenna Helias Doundoulakis,2022-02-22 The Arecibo Radio Telescope Arecibo has made amazing findings that would otherwise have remained undiscovered Yet Arecibo s inception is shrouded in mystery unknown is the true story behind its creation secret for all these years Until now In his final book Helias Doundoulakis demystifies Arecibo for the novice from dreams to drawings The chronological account of the iconic telescope is made plain for all to see which spanned six decades Read how his brother George Doundoulakis undertook its conception and fielding finally winning patent rights for his brother Helias CIA director William Casey and Gus Michalos Follow the inseparable brothers on their journey of courage inspiration and brilliance that advanced the design of Arecibo and inspired generations of space scientists for years to come

Escape Artist Peter Monteath,2018-07-30 The never before told story of World War II escape artist extraordinaire Johnny Peck In August 1941 an eighteen year old Australian soldier made his first prison break an audacious night time escape from a German prisoner of war camp in Crete Astoundingly this was only the first of many escapes An infantryman in the 27 Battalion Johnny Peck was first thrown into battle against Italian forces in the Western Desert Campaigns against Hitlers Wehrmacht and Luftwaffe in Greece and Crete followed When Crete fell to the Germans at the end of May 1941 Peck was trapped on the island with hundreds of other men On the run they depended on their wits the kindness of strangers and sheer good luck When Pecks luck ran out he was taken captive by the Germans then the Italians Later after his release from a Piedmontese jail following the Italian Armistice of 1943 and at immense risk to his own life Peck devoted himself to helping POWs cross the Alps to safety Captured once more Peck was sentenced to death and detained in Milans notorious Gestapo run San Vittore prison until escaping again this time into Switzerland Historian Peter Monteath reveals the action packed tale of one young Australian soldier and his remarkable war

A Hidden Child in Greece Yolanda Avram Willis,2017-05-01 Your story deserves to be widely heard Elie Wiesel Nobel Prize winning author and Holocaust survivor Six year old Yolanda Avram is rescued by righteous strangers during the Holocaust in Greece This is her story of courage and survival in the context of dozens of other rescues and shows Jews saving themselves and others in audacious and often heroic ways Her story is uplifting and focuses on those flickers of light in the vast darkness of evil known in Greece as the Persecution This little known saga of the common folk outwitting the Third Reich is a powerful and important story told simply and movingly in cinematic episodes The book is incandescent with empathy and gratitude What a

powerful and moving story it is Sir Martin Gilbert official biographer of Winston Churchill knighted by Queen Elizabeth II and author of eighty eight historical books *A Hidden Child in Greece* is a monumental story that documents her family's miraculous survival in a unique and moving way It gives life to the principle of human dignity and courage as a universal precept this book is a true light unto the nations Yaffa Eliach author and creator of the first university level Holocaust curriculum and the *Tower of Life* a 1 500 photograph permanent display at the US Holocaust Memorial Museum in Washington DC Willis is Anne Frank if Anne Frank had lived Diana Hume George author and educator For me the heart of this book is the family story the real power lays in the intimate story you are able to describe very simply and movingly Mark Mazower director modern European history Columbia University *Natural Born Heroes* Christopher McDougall, 2016-04-05 NATIONAL BESTSELLER From the bestselling author of *Born to Run* comes a book that inspires us to unleash the extraordinary potential of the human body and climb swim skip throw and jump our way to heroic feats Redefines the heroic ideal establishing heroism as a skill set rather than a virtue NPR Books Christopher McDougall's journey begins with a story of remarkable athletic prowess On the treacherous mountains of Crete a motley band of World War II Resistance fighters an artist a shepherd and a poet abducted a German commander from the heart of the Axis occupation To understand how McDougall retraces their steps across the island that birthed Herakles and Odysseus and discovers ancient techniques for endurance sustenance and natural movement that have been preserved in unique communities around the world His search takes us scrambling over rooftops with a Parkour crew in London foraging for greens with a ballerina in Brooklyn tossing heavy pieces of driftwood on a Brazilian beach with the creator of MovNat and finally to our own backyards McDougall traveled to Crete to examine the physical and mental capacity of Greek war heroes and studied natural movement endurance and nutrition to understand how regular people are capable of extraordinary athletic feats We can all adapt the tools of the athletes featured Real Simple Look for Christopher McDougall's new book *Born to Run 2* coming in December *A World at Total War* Roger Chickering, Stig Förster, Bernd Greiner, German Historical Institute (Washington, D.C.), 2005 This volume presents the results of a conference on the history of total war **Krētē**, 2007 **The Balkans 1940-41 (2)** Pier Paolo Battistelli, 2021-07-22 This concise yet detailed overview gives a balanced account of this key Blitzkrieg campaign in the Balkans during the opening years of World War II The Wehrmacht's last Blitzkrieg campaign was indeed a lightning war since German forces were required to seize both Yugoslavia and Greece before redeploying immediately to the East ready to attack the Soviet Union in a matter of weeks Although the plans for the conquest of Yugoslavia were developed in haste the campaign was extremely successful in a short space of time both Yugoslavia and Greece had fallen accompanied by the capture of large numbers of British Australian and New Zealand troops The 1941 Balkan campaign was an apparently brilliant military accomplishment that demonstrated once again the superiority of the Wehrmacht and its cutting edge campaigning skills This superbly detailed work details the opposing forces that took

part in this campaign documents their weapons and analyzes the effectiveness of their tactics It explores the initial Axis campaign against Yugoslavia the breakthrough of the Metaxas Line and advance into Macedonia and the withdrawal of Allied troops south Detailed battlescenes depict key moments in the land sea and air battles that took place in the Balkans vividly bringing to life events of almost 80 years ago *Professional Journal of the United States Army* ,1997 **1995** Massimo Mastrogregori,2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors
