Brennan, 2011 The first biography of Pat Nixon in 25 years Moves beyond the over simplified appraisals of this oft misunderstood first lady Offers a far more complex interpretation than the standard Plastic Pat caricature and depicts a complicated conflicted but ultimately effective first lady who balanced public responsibilities and private pain **Patricia Nixon** Jill C. Pat Nixon Mary C. Brennan, 2023-08-18 Pat Nixon may be the least understood of modern first ladies Although public opinion polls rated her one of our nation s most admired women few Americans really knew much about her This first scholarly biography of Thelma Ryan Nixon the first biography in thirty five years and the first to access her papers goes further than any other book to show readers the real Pat Nixon Lester David s *The Lonely Lady of San Clemente* painted her as a tragic figure while Julie Nixon Eisenhower s adoring *Pat Nixon The Untold Story* fell short of offering an objective portrait Now Mary Brennan moves beyond the oversimplified appraisals of this neglected first lady to provide a powerful study of a complex and fascinating presidential spouse Drawing on Mrs Nixon s recently opened papers as well as on recollections of both friends and adversaries Brennan debunks the myth of Plastic Pat and fleshes out the real woman behind the stories and stereotypes The Nixons had more in common with small town Americans than with Washington society and Brennan shows that part of Pat s difficulty in dealing with the political world was that she never quite left the normal Pat behind Political and social upheaval during her husband s presidency further complicated her role as first lady as she had to confront a shifting cultural terrain with the whole world watching Brennan emphasizes Pat s activism the first presidential

wife to serve as official government representative as well as the most traveled and examines her complicated relationship with her husband Often seen as a good soldier Pat in reality engaged in constant warfare with her husband and his advisers as she tried to protect her own schedule from interference from the West Wing Blending empathy and objectivity Brennan shows that Pat Nixon was a strong woman caught up in circumstances beyond her control who did as her ancestors had done gritted her teeth and got the job done as best she could This account of an embattled first lady opens a new window on the Nixon years and finally allows Pat Nixon to take center stage in her own life **Pat and Dick** Will Swift,2014-08-05 A study of the partnership between the thirty seventh President and his wife argues that the couple endured political and intimate disappointments during their fifty three year marriage but ultimately shared genuine affection Patricia Ryan Nixon, Memorial Tributes in the Congress of the U.S. United States. Congress. Joint Committee on Printing,1993 **Nixon's Secrets** Roger Stone,2014-08-11 Learn the inside scoop on Watergate the Ford Pardon and the 18 minute Gap Roger Stone The New York Times bestselling author of The Man Who Killed Kennedy the Case Against LBJ gives the inside scoop on Nixon s rise and fall in Watergate in his new book Nixon s Secrets Stone charts Nixon s rise from election to Congress in 1946 to the White House in 1968 after his razor thin loss to John Kennedy in 1960 his disastrous campaign for Governor of California in 1962 and the greatest comeback in American Presidential history Just as the assassination of JFK prevents a balanced analysis of Kennedy and his times the myth of Watergate prevents a reappraisal of our 37th President said Stone who s book on LBJ was the second biggest selling book during the 50th anniversary of Kennedy s murder Stone reveals how the Kennedy s wiretapped Nixon s hotel room the night before the Nixon Kennedy debate and stole Nixon s medical records from his psychiatrist s office Stone lays out how Kennedy running mate Lyndon Johnson stole Texas from JFK through vote fraud while Mayor Richard Daley stole Illinois and how JFK actually lost the popular vote Stone looks at the Nixon Presidency the desegregation of the public schools the progressive social programs Nixon s struggle to end the war in Vietnam the historic SALT arms reduction agreement with Russia the saving of Israel in the Six Days War the opening to China and the disastrous decision to take America off the Gold standard The mainstream media s interpretation of the facts surrounding the Watergate episode are a fantastic and grotesque distortion of historical truth said Stone cursory examination of the facts in Watergate will reveal that the actions which caused the fall of Nixon cannot be reduced to the simplistic account summarized by Bob Woodward and Carl Bernstein of the Washington Post The author outlines how White House Counsel John Dean planned pushed and covered up the Watergate break in then sought to avoid responsibility for it Stone examines the bungled Watergate break in to determine what exactly Nixon s agents were looking for and how the CIA infiltrated the burglar team and sabotaged the break in to gain leverage over Nixon Find out why Nixon demanded the CIA turn over the records of the Bay of Pigs and Kennedy Assassination Learn how a cabal of military and intelligence hard liners spied on and undermined Nixon to stop his pro peace d tente foreign policy his withdrawal of troops from Vietnam his arms limitation agreement with

the Soviets and his opening to Red China Discover how Vice President Spiro Agnew was setup to move him out of the line of presidential succession Stone makes the compelling case that General Alexander Haig orchestrated Nixon s removal from office in a coup d tat and brokered the deal for his pardon Finally the public will learn what is on the 18 minute gap in the White House Tapes Stone a Washington Insider for forty years outlines why FBI Man Mark Felt is not deep throat why there is no deep throat and why Bob Woodward and Carl Bernstein lie about it even today Stone reveals how Nixon used the dark secrets he knew to avoid prosecution by blackmailing Gerald Ford for a full free and unconditional pardon Nixon s secret would not only destroy his presidency it would save him from prison and allow him to launch his final comeback advising President Bill Clinton on Foreign Affairs despite Hillary s attempts to block him and her being fired from the 1974 House Impeachment Committee for lying and violating Nixon s rights
