Piano Sonatas - Centennial Edition Aleksandr Nikolayevich Scriabin,1993 Piano Collection **Educators Guide to Free Social Studies Materials** ,1976 **Subject Guide to Books in Print** ,1991 The Cambridge Companion to Schubert Christopher H. Gibbs,1997-04-17 This Companion to Schubert examines the career music and reception of one of the most popular yet misunderstood and elusive composers Sixteen chapters by leading Schubert scholars make up three parts The first seeks to situate the social cultural and musical climate in which Schubert lived and worked the second surveys the scope of his musical achievement and the third charts the course of his reception from the perceptions of his contemporaries to the assessments of posterity Myths and legends about Schubert the man are explored critically and the full range of his musical accomplishment is examined Music Lovers' Phonograph Monthly Review ,1926 **The Phonograph Monthly Review** ,1926 Guide to the Pianist's Repertoire Maurice Hinson,Wesley Roberts,2024-06-06 Guide to the Pianist s Repertoire continues to be the go to source for piano performers teachers and students Newly updated and expanded with more than 250 new composers this incomparable resource expertly guides readers to solo piano literature and provides answers to common questions What did a given composer write What interesting work have I never heard of How difficult is it What are its special musical features How can I reach the publisher New to the fourth edition are enhanced indexes identifying black composers women composers and compositions for piano with live or recorded electronics a thorough listing of anthologies and collections organized by time period and nationality now including collections from Africa and Slovakia and expanded entries to account for new material works and resources that have become available since the third edition including websites and electronic resources The newest Hinson will be an indispensable guide for many years to come *Music Trade Indicator* ,1927 **Beethoven** Oscar George Sonneck,1927 Western Music & Radio Trades Journal ,1928 *Silence, Sounds, Music* Florian Freitag,Laura Katharina Mücke,Peter Niedermüller,2025-02-20 This book examines the intersections of silence with immersive arts and experiences Silence and immersion may seem antithetical while immersion is supposedly induced by acoustic and other stimuli silence is commonly understood as the absence or opposite of sound Since the eighteenth century however silence has been established as a multifarious and polyvalent cultural concept Immersion in turn though often used as a simple all inclusive term has old and complex ontological and epistemological roots Organized into three parts this book brings critical historical and theoretical debates on silence into dialogue with different notions of immersion The 16 theoretical articles and case studies engage in discovering and questioning the continued prominence of both concepts in aesthetics culture and media Covering music film digital visual and performance art theater video games and theme parks the chapters discuss both highly canonical and rarely examined artifacts Written by scholars from Germany Austria France and Switzerland the interdisciplinary collection includes perspectives from musicology film studies cultural and media studies gender studies art history and philosophy Silence

Sounds Music addresses both an academic and a wider audience It will be of interest to anyone interested in music sound immersive experiences the so called experience economy and contemporary art and culture *Fullness of Dissonance* Daniel C. Melnick,1994 During the modern period the bond between music and literature constituted a crucial and influential idea for Conrad and Eliot Mann and Rilke and many other writers For modern novelists in particular this idea has provided the model and rationale for the experimental liberation of narrative form and its desired effect on the reader Critics later in the twentieth century have undertaken analyses of various contrapuntal sonata and other musical structures in fiction and some critics have studied the influence of various composers on novelists Fullness of Dissonance is concerned with the related matter of how the aesthetics of music influenced the writers and texts of modern fiction *Bibliographic Guide to Music* New York Public Library. Music Division,1997 [Music at the Turn of Century](#) Joseph Kerman,1990-01-01 Turn of the century modernists were involved implicated and often locked in a struggle with all the formidable legions of nineteenth century music The focus of this collection essays originally published in the journal 19th Century Music is upon modernism in relation to its immediate heritage Major composers whose reflections on the past come under consideration include Debussy Mahler Schoenberg Stravinsky Bartok and Ives while older composers such as Liszt and Wolf figure as precursors of modernist harmony and sensibility The contributors include many leading musicologists critics and music theorists known for their work on nineteenth and twentieth century music Some of the essays deal closely with the new musical languages that evolved in that era others deal with reception and performance issues Many of them bring together insights from various sub disciplines to achieve a richer kind of composite scholarship than is available to traditional musical studies [The NPR Listener's Encyclopedia of Classical Music](#) Theodore Libbey,2006-01-01 A resource on classical music provides coverage of composers works musical terminology and performers along with recommended recordings and access to an interactive Web site that allows readers to listen to sample works techniques and performers discussed in the reference *New York Magazine* ,1985-09-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea [A History of the Sonata Idea](#) William S. Newman,2018-01-01 This volume completes Newman s monumental study of the sonata It examines the evolution of the sonata idea from the precocious Romanticisms of Dussek before 1880 to the near exhaustion of Romantic music by the time of World War I Thoroughly documented illustrated by new extended lists of sonatas as well as the fullest bibliography of Romantic music literature yet published the book is invaluable to musicians Originally published in 1969 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered
