Proceedings ..., 1912
Proceedings of the ... National Conservation Congress at ..., 1912 The Anthroposophical Soul Calendar and the Incarnation Cycle of Man Roland Schrapp, 2020-12-09 This book takes a completely new look at the Anthroposophical Soul Calendar It is about the deeper meaning of the fifty two weekly verses which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner A dense veil of Isis was spread over them of which is well known that no mortal person can lift it Only the immortal psycho spiritual human being who knows himself at home in the extrasensory higher worlds is capable of doing this Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual cosmic realms until he reaches the experience of God from where he gradually

descends again into a new life on Earth enriched in spirit and fertilized in his soul If the reader embarks on this journey the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ By many quotations from Rudolf Steiner s lectures and books the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses

Understanding Watchman Nee Dongsheng John Wu,2012-04-01 This book situates Nee s view within the rich heritage of the Protestant Catholic and Eastern Orthodox spiritual traditions and thus renders Nee s thought more intelligible to Christians of both evangelical and more liberal persuasions In this book Dongsheng John Wu examines Watchman Nee s thought on the spiritual life focusing on the relationship between spiritual formation and spiritual knowledge Different ways of acquiring spiritual understanding are explored including the respective roles of divine illumination intellectual studies and life circumstances Understanding Watchman Nee begins by synthesizing strategic aspects of Nee s teachings as well as formative events and sources in the development of Nee s own spirituality and theology It then utilizes the critical work of contemporary theologian Mark McIntosh to bring Nee s voice into dialogue with some important figures in the history of Christian spirituality Such interactions reveal that Nee s crucial theological convictions exhibit strong parallels with related themes found in the church s spiritual or mystical treasures

Hidden In Plain Sight: A Study of the Revelation to John Uchenna Mezue,2015-10-03 The Revelation to John has been with us for about 2000 years and has been the subject of diverse attempts at interpretation The Revelation as given is a vision of the end time work of the Son of Man and the sole purpose is to prepare humanity for that mission and offer them the chance to recognise the last Envoy of God when He does come It is only with this understanding in view that the Revelation can be appreciated All the promised messages for the end time are now available to us and I believe we are in a better position to understand the message of The Revelation Indeed I believe that we urgently need to understand its message The urge and pressure amongst all striving human spirits to unravel the mysteries of The Revelation represents this need This study is not a substitute for The Revelation but may be regarded as a call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is

offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits

Great Spoil Stephen Yuille, 2019-07-31 Much of evangelicalism has forsaken a Word based approach to Christian spirituality so to help us recover a model of biblical piety J Stephen Yuille examines Thomas Manton s sermons on Psalm 119 Following a brief account of Manton as a leading Puritan committed to the ministry of the Word Yuille leads us on a careful investigation of Manton s understanding of blessedness the instrumentality of God s Word and the practice of spiritual duties At the foundation stands the conviction that as we love and obey God s Word the blessed God communes with us by His Spirit conveying sweet influences on our soul through His Word Manton s spirituality of the Word is a timely remedy for the subjective mysticism that expects God to speak through inner urgings apart from His Word Let us learn from Manton how to listen to the Bible as if we heard God speaking to us from heaven rejoicing like those who find great spoil Ps 119 162

Toward the Light! Michael Agerskov, 1920-03-01 Toward the Light is a message to humanity from the transcendental world An account of man s creation about the necessity of reincarnation for our spiritual development and the struggle between good and evil light and darkness
