Dillon Wallace,2014-06-15 With scant scraps of food remaining the three began a desperate struggle against starvation and the rapidly approaching and unforgiving winter as they raced home for their lives In the summer of 1903 Dillon Wallace had the privilege to accompany his friend Leonidas Hubbard Jr to explore a section of the unknown interior of Labrador The expedition had a disastrous ending and Hubbard fighting bravely and heroically to the last finally succumbed to starvation Before Hubbard s death Dillon Wallace gave him his promise that should he survive he would write and publish the story of the journey In *The Lure of The Labrador Wild* that pledge was kept While Hubbard and Wallace were struggling inland over those desolate wastes where life was always uncertain they entered into a pact that in case one of them fell the other would carry to completion the exploratory work that Hubbard had planned and begun Providence willed that it should become the duty of Dillon Wallace to fulfill this pact You will read the amazing record of this real life story in *The Long Labrador Trail*
