The Long and Winding Road Lionel B. Harris, 2013-10-25 According to biblical doctrine God first created people in the universe with a hierarchy of holy angels with the highest order being identified as cherubim One of them who was anointed and perhaps the most elitist cherub amongst them knew he was created beautiful and perfect in his ways Alternately with pride and arrogance at the forefront that same being became the supreme architect and advocate for sin evil and untold suffering Henceforth the diabolical Satan was loosed upon the world Tragically from time to time beauty is in the fabled beast Handsome man and beautiful women may be pleasing to the eyes and their good looks may even grant them unearned favor but their inner nature is a virtual mystery They might be evil incarnated Meanwhile the not so attractive individuals are oftentimes ignored and generally devalued all dependent upon the beholder But possibly the inner core of that select person could render him or her almost angelic like

Lifes long and winding road is lined with so called beautiful and so called unattractive people However through faith and Gods grace and not the naked eye the lonely traveler may be able to distinguish which is which And thatll make lifes journey worthwhile All too often a young man fathers a child and assumes that that in itself validates his manhood Initially as a new dad he might even feel that all is right with the new world and his future looms bright In many cases its a heartfelt euphoria that defies description However when the novelty wears off and reality returns a rather lengthy journey commences To the mothers credit and merit she usually accompanies her offspring on lifes long and winding road but far too frequently the once proud father falters or completely vanishes along the way Arguably so its serious and impactuous tragedy for the

mother the absentee father the child and sometimes the world at large The good news is this however One size fits all meager gloomy or dire it might be does not necessarily dictate their impending future Through their own resilience paired with a burning desire to overcome their childhoods deficiencies they alternately walk a pathway less hazardous And sometimes when sincere loved ones step forward it renders lifes journey well worthwhile and almost superlative And thats a road well worth embarking upon

Supreme Discomfort Kevin Merida, Michael Fletcher, 2008-04-08 An impeccably researched and probing biography invaluable for any understanding of the courts most controversial figure The New York Times Book Review A sweeping compelling portrait of Supreme Court justice Clarence Thomas and an unflinching look at success and race in America Kirkus Reviews starred review from two Washington Post journalists There is no more powerful detested misunderstood African American in our public life than Clarence Thomas Supreme Discomfort is a haunting account of an isolated and complex man savagely reviled by much of the Black community not yet entirely comfortable in white society internally wounded by his passage from a broken family and rural poverty in Georgia to elite educational institutions and finally to the pinnacle of judicial power His staunchly conservative positions on crime abortion and especially affirmative action have exposed him to charges of heartlessness and hypocrisy Supreme Discomfort is a superbly researched and reported work that features testimony from friends and foes alike who have never spoken in public about Thomas before including a candid conversation with his fellow justice and ideological ally Antonin Scalia It offers a long overdue window into a man who straddles two different worlds and is uneasy in both and whose divided personality and conservative political philosophy will deeply influence American life for years to come

Dory's "Oh My God!" Stories D. J. Desai, 2009-08

'Til All These Things Be Done Suzanne Moyers, 2025-07-30 Set against the rich but often troubled history of Blacklands Texas during an era of pandemic scientific discovery and social upheaval the novel offers a unique yet eerily familiar backdrop to a universal tale of triumphing over loss Even as dementia clouds other memories eighty three year old Leola can't forget her fathers disappearance when she was sixteen Now as Papa appears in haunting visions Leola relives the circumstances of that loss the terrible accident that steals Papas livelihood sending the family deeper into poverty a scandal from Mamas past that still wounds and Leolas growing unease with her brutally bigoted society When Papa vanishes while seeking work in Houston and Mama dies in the boomerang Influenza outbreak of 1919 Leola and her young sisters are sent to an orphanage where her exposure of a dark injustice means sacrificing a vital clue to Papas whereabouts That decision echoes into the future as new details about his disappearance suggest betrayal too painful to contemplate Only in old age as her visions of Papa grow more realistic does Leola confront her long buried grief leading to a remarkable family discovery that could offer peace at last
