Longarm 011 Texas Ranger

Vincent J. Francillon, Steven C. Smith

Longarm 011 Texas Ranger:

Longarm 011: Texas Ranger Tabor Evans,1980-12-15 *Longarm and the Texas Rangers* Tabor Evans,1979

Paperbound Books in Print ,1983 Vernon's Texas Statutes and Codes Annotated ,1982 **The Whole Story** John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences Whitaker's Cumulative Book List ,1983 *Film Composers Guide* Vincent J. Francillon,Steven C. Smith,1994 *Longarm in the Indian Nation* Tabor Evans,2011 Longarm in Leadville Tabor Evans,1981-01-01

Longarm in Leadville Tabor Evans,1979 *Longarm 372* Tabor Evans,2009-10-27 Longarm must tame a land where the law is lost Deputy Marshal Custis Long has been sent to the blood soaked rangelands of Texas to quell a rampage of violence It began when a powerful ranch fenced in its smaller neighbors and now the entire valley is about to explode like a powder keg But in a land where old feuds never die and new feuds come alive by the minute Longarm will have to slap leather and sling lead before he can lay down the law **Six-Shooters and Shifting Sands** Bob Alexander,2015-03-15 Many well read students historians and loyal aficionados of Texas Ranger lore know the name of Texas Ranger Captain Frank Jones 1856 1893 who died on the Texas Mexico border in a shootout with Mexican rustlers In Six Shooters and Shifting Sands Bob Alexander has now penned the first full length biography of this important nineteenth century Texas Ranger At an early age Frank Jones a native Texan would become a Frontier Battalion era Ranger His enlistment with the Rangers coincided with their transition from Indian fighters to lawmen While serving in the Frontier Battalion officers corps of Company D Frank Jones supervised three of the four great captains of that era J A Brooks John H Rogers and John R Hughes Besides Austin Ira Aten and his younger brothers Calvin Grant Aten and Edwin Dunlap Aten Captain Jones also managed law enforcement activities of numerous other noteworthy Rangers such as Philip Cuney P C Baird Benjamin Dennis Lindsey Bazzell Lamar Baz Outlaw J Walter Durbin Jim King Frank Schmid and Charley Fusselman to name just a few Frank Jones law enforcing life was anything but boring Not only would he find himself dodging bullets and returning fire but those Rangers under his supervision would also experience gunplay Of all the Texas Ranger companies Company D contributed the highest number of on duty deaths within Texas Ranger ranks **Lone Star Justice** Robert M. Utley,2002 In the annals of law enforcement few groups or agencies have become as encrusted with legend as the Texas Rangers The always readable historian Robert Utley has done a thorough job of chipping away these encrustations and revealing the Ranger s rather rag and bone catch as catch can beginning in a time when the Texas frontier was very far from being stable or safe A fine book Larry McMurtry author of Lonesome Dove From The Lone Ranger to Lonesome Dove the Texas Rangers have been celebrated in fact and fiction for their daring exploits in bringing justice to the Old West In Lone Star Justice best selling author Robert M Utley captures the first hundred years of Ranger history in a narrative packed with adventures worthy of Zane Grey or Larry McMurtry The Rangers began in the 1820s as loose groups of citizen soldiers banding together to chase

Indians and Mexicans on the raw Texas frontier Utley shows how under the leadership of men like Jack Hays and Ben McCulloch these fiercely independent fighters were transformed into a well trained cohesive team Armed with a revolutionary new weapon Samuel Colt s repeating revolver they became a deadly fighting force whether battling Comanches on the plains or storming the city of Monterey in the Mexican American War As the Rangers evolved from part time warriors to full time lawmen by 1874 they learned to face new dangers including homicidal feuds labor strikes and vigilantes turned mobs They battled train robbers cattle thieves and other outlaws it was Rangers for example who captured John Wesley Hardin the most feared gunman in the West Based on exhaustive research in Texas archives this is the most authoritative history of the Texas Rangers in over half a century It will stand alongside other classics of Western history by Robert M Utley a vivid portrait of the Old West and of the legendary men who kept the law on the lawless frontier A rip snortin six guns blazin saga of good guys and bad guys who were sometimes one and the same By taking on the Texas Rangers Utley an accomplished and well regarded historian of the American West risks treading on ground that is both hallowed and thoroughly documented He skirts those issues by turning in a balanced history An accessible survey of some interesting and bloody times Kirkus Reviews *A Texas Ranger* William MacLeod Raine,1911 *Longarm #401* Tabor Evans,2012-03-27 Longarm tries a little moonlighting As a personal favor U S Deputy Marshal Custis Long arrives in Good Hope Arizona to help his boss s old friend a former Texas Ranger named Don Carter But Carter is a proud obstinate son of a gun not likely to accept help though he s happy to give it especially to the down and out So Longarm poses as a drifter named Custis Short who s willing to work for food and Carter takes him in Longarm quickly learns that the former Texas Ranger has a gold claim and even though local big shot Kyle Burgen already owns half the county he wants Carter s mine as well When Burgen s raiders come in the night with guns and torches Longarm s waiting to cut them down to size *Firearms of the Texas Rangers* Doug Dukes,2020-08-14 From their founding in the 1820s up to the modern age the Texas Rangers have shown the ability to adapt and survive Part of that survival depended on their use of firearms The evolving technology of these weapons often determined the effectiveness of these early day Rangers John Coffee Jack Hays and Samuel Walker would leave their mark on the Rangers by incorporating new technology which allowed them to alter tactics when confronting their adversaries The Frontier Battalion was created at about the same time as the Colt Peacemaker and the Winchester 73 these were the guns that won the West Firearms of the Texas Rangers with more than 180 photographs tells the history of the Texas Rangers primarily through the use of their firearms Author Doug Dukes narrates famous episodes in Ranger history including Jack Hays and the Paterson the Walker Colt the McCulloch Colt Revolver smuggled through the Union blockade during the Civil War and the Frontier Battalion and their use of the Colt Peacemaker and Winchester and Sharps carbines Readers will delight in learning of Frank Hamer s marksmanship with his Colt Single Action Army and his Remington along with Captain J W McCormick and his two 45 Colt pistols complete with photos Whether it was a Ranger in 1844 with his

Paterson on patrol for Indians north of San Antonio or a Ranger in 1916 with his LaRue 7 62 rifle working the Rio Grande looking for smugglers and terrorists the technology may have changed but the gritty job of the Rangers has not *Six Years With the Texas Rangers: 1875 to 1881* James B. Gillett, 2023-11-27 In *Six Years With the Texas Rangers 1875 to 1881* James B. Gillett provides an evocative narrative that elucidates the complexities and trials faced by one of the most storied law enforcement agencies in American history Written in an engaging first person style Gillett's account marries vivid storytelling with meticulous detail transporting readers to the rugged landscapes of Texas during a time fraught with lawlessness and conflict His reflections offer insights into the sociopolitical dynamics of the era showcasing the Rangers not only as enforcers of justice but also as pivotal figures in the turbulent narrative of the American West This work situated within the literary context of memoirs that spotlight frontier life and law enforcement is a rich tapestry of personal experience and historical documentation James B. Gillett a veteran of the Texas Rangers himself conveys a unique authority in recounting his experiences His firsthand knowledge acquired during a formative period of the Rangers is instrumental in shaping his perspectives on justice duty and morality in a rapidly changing landscape Gillett's background in law enforcement combined with his flair for narrative allows him to write with authenticity and depth making his story resonate with both historical accuracy and literary insight *Six Years With the Texas Rangers* is a compelling read for those interested in American history law enforcement and the complexities of frontier life Gillett's nuanced observations and richly detailed descriptions not only inform but also entertain offering readers a rare window into the life of a Texas Ranger This book serves as an invaluable contribution to the understanding of the American South and the enduring legacy of the Rangers making it a must read for history enthusiasts and literary buffs alike *Lone Star Lawmen* Robert M. Utley, 2007-03-05 Hailed as a rip snorter in six guns blazing saga of good guys and bad guys who were sometimes one and the same Robert M. Utley's *Lone Star Justice* captured the colorful first century of Texas Ranger history Now in the eagerly anticipated conclusion *Lone Star Lawmen* Utley once again chronicles the daring exploits of the Rangers this time as they bring justice to the twentieth century West Based on unprecedented access to Ranger archives this fast paced narrative stretches from the days of the Mexican Revolution where atrocities against Mexican Americans marked the nadir of Ranger history to the Branch Davidian saga near Waco and the recent bloody standoff with Republic of Texas militia Readers will find in these pages one hundred years of high adventure Utley follows the Rangers as they pursue bank robbers bootleggers moonshiners and horsebackers smugglers who used mule trains to bring liquor across the border We see these fearless lawmen taming oil boomtowns springing the ambush of Bonnie and Clyde facing down angry lynch mobs and tracking the Phantom Killer of Texarkana Utley also highlights the gradual evolution of this celebrated force revealing that while West Texas Rangers still occasionally ride the range on horseback and crack down on smugglers and rustlers East Texas Rangers who work mostly in big cities now ride in high powered cars and contend with kidnappers forgers and other urban criminals But East or West

today's Rangers have become sophisticated professionals backed by crime labs and forensic science Written by one of the most respected Western historians alive here is the definitive account of the Texas Rangers a vivid portrait of these legendary peace officers and their role in a changing West Texas Ranger Captain William L. Wright Richard McCaslin, 2021-10-15 William L Wright 1868 1942 was born to be a Texas Ranger and hard work made him a great one Wright tried working as a cowboy and farmer but it did not suit him Instead he became a deputy sheriff and then a Ranger in 1899 battling a mob in the Laredo Smallpox Riot policing both sides in the Reese Townsend Feud and winning a gunfight at Cotulla His need for a better salary led him to leave the Rangers and become a sheriff He stayed in that office longer than any of his predecessors in Wilson County keeping the peace during the so called Bandit Wars investigating numerous violent crimes and surviving being stabbed on the gallows by the man he was hanging When demands for Ranger reform peaked he was appointed as a captain and served for most of the next twenty years retiring in 1939 after commanding dozens of Rangers Wright emerged unscathed from the Canales investigation enforced Prohibition in South Texas and policed oil towns in West Texas as well as tackling many other legal problems When he retired he was the only Ranger in service who had worked under seven governors Wright has also been honored as an inductee into the Texas Ranger Hall of Fame at Waco

Buck Barry, Texas Ranger and Frontiersman James Buckner Barry, 1984-10-01 Although Jim Bowie and Davy Crockett were more celebrated Buck Barry did as much or more to tame the Old Southwest During a long and useful life he was a professional soldier stock farmer sheriff and member of the legislature His memoirs are never dull and no wonder In 1845 young James Buckner Barry joined the newly formed Texas Rangers and for the next twenty years his life was one of unremitting activity and danger These pages show him fighting outlaws and Indians from the Red River to the Rio Grande He served in the Mexican and Civil wars coming out as a lieutenant colonel Then he confronted the daily perils of ranching in Bosque County Texas Peace officer legislator he served his people well even to the neglect of his private advantage Such is the tribute of the historian James K Greer who edited Buck Barry's private papers and reminiscences and shaped them into this book
