Go Figure! Johnny Ball, 2016-01-19 Numbers create the structure to our universe Without numbers computers would not work and cars would not go There would be no way to quantify things You wouldn't be able to ask How many or How much We would not understand time or distance Sports records wouldn't matter DK's Go Figure is a math book filled with the weird and wonderful side of math and numbers Discover why there are 60 minutes in an hour why daisies have to have 34 55 or 89 petals and why finding a prime number could make you a millionaire Go Figure is also packed with activities that children can try out on their own or with friends including brainteasers magic tricks and things to make while also learning about the simple puzzles that stumped the world's brainiest mathematicians for centuries Go Figure is a fun and quirky look at the magical world of numbers without the effort of a math textbook Reviews A dynamic book filled with puzzles and problems to solve School Library Journal A totally cool book about numbers by Johnny Ball convinces young readers that math is far from boring Think Discover Give it to teachers at many levels who will want to borrow from Ball's pedagogical toolbox Booklist

The Unending Mystery David W. McCullough, 2007-12-18 According to legend anyone who wandered into the labyrinth in Ancient Crete never came out again Some labyrinths may have offered patterns for an erotic spring dance Those on the floors of Medieval cathedrals represent mathematical perfection and walking their paths was a symbolic approach to the divine From ancient Mediterranean coin patterns to the great French cathedral labyrinths to contemporary cornfield mazes labyrinths and mazes have appeared all over the world but never have so many been created as in today's revival on farms and in parks churches hospitals and spas across the country In his charmingly quirky investigation of an image that has inspired countless beautiful patterns and mysterious practices David Willis McCullough offers an irresistible way to enjoy
