Longfellow A Rediscovered Life:

Longfellow Charles C. Calhoun, 2004 Charles C Calhoun's *Longfellow* gives life at last to the most popular American poet who ever lived a nineteenth century cultural institution of extraordinary influence and the one poet average nonbookish Americans still know by heart Dana Gioia Calhoun's *Longfellow* emerges as one of America's first powerful cultural makers a poet and teacher who helped define Victorian culture a major conduit for European culture coming into America a catalyst for the Colonial Revival movement in architecture and interior design and a critic of both Puritanism and the American obsession with material success *Longfellow* is also a portrait of a man in advance of his time in championing multiculturalism He popularized Native American folklore revived the Evangeline story the foundational myth of modern Acadian and Cajun identity in the U S and Canada wrote powerful poems against slavery and introduced Americans to the languages and literatures of other lands Calhoun's portrait of post Revolutionary Portland Maine where Longfellow was born and of his time at Bowdoin and Harvard Colleges show a deep and imaginative grasp of New England cultural history Longfellow's tragic romantic life his first wife dies tragically early after a miscarriage and his second wife Fannie Appleton dies after accidentally setting herself on fire is illuminated and his intense friendship with abolitionist and U S senator Charles Sumner is given as a striking example of mid nineteenth century romantic friendship between men Finally Calhoun paints in vivid detail Longfellow's family life at Craigie House including stories of the poet's friends Hawthorne Emerson Dickens Fanny Kemble Julia Ward Howe and Oscar Wilde among them

Longfellow's Imaginative Engagement Jeffrey Hotz, 2022-03-07 *Longfellow's Imaginative Engagement* is a first of its kind study of Henry Wadsworth Longfellow's late career poems and biography from 1861 until 1882 covering the poet's posthumous publications and the handling of his literary estate Using never before discussed archival materials from Harvard's Houghton Library and the Longfellow House Washington's Headquarters National Historic Site including unpublished poems and poem fragments this literary biography presents Longfellow's vibrant and complex final two decades After the tragic death of his beloved second wife Frances Fanny Elizabeth Appleton Longfellow reinvented himself as a creative artist transforming his loss and the nation's suffering in the Civil War and postwar period into compelling art In this book Jeffrey Hotz interprets the distinct phases of Longfellow's late career exploring his narrative poetry translations personal lyrics religious poetry aesthetic verse and end of life vision of mortality as a journey He considers Longfellow's friendships and family life publication strategies and literary reputation and the recurrent theme of longing for an ideal female figure in his poems and private life Interweaving unpublished poems and poem fragments with interpretations of published collections *Longfellow's Imaginative Engagement* examines the poet's complex voice which captured the public's imagination making him America's most famous poet in the nineteenth century

History, Abolition, and the Ever-Present Now in Antebellum American Writing Jeffrey Insko,2018-12-06 The Ever Present Now examines the meaning and possibilities of the present and its relationship to history and historicity in a number of literary texts specifically the writings of several figures in antebellum US literary history some but not all of whom associated with the period s romantic movement Focusing on nineteenth century writers who were impatient for social change like those advocating for the immediate emancipation of slaves as opposed to those planning for a gradual end to slavery the book recovers some of the political force of romanticism Through close readings of texts by Washington Irving John Neal Catharine Sedgwick Frederick Douglass Ralph Waldo Emerson and Herman Melville Insko argues that these writers practiced forms of literary historiography that treat the past as neither a reflection of present interests nor as an irretrievably distant other but as a complex and open ended interaction between the two In place of a fixed and linear past these writers imagine history as an experience rooted in a fluid dynamic and ever changing present The political philosophical and aesthetic disposition Insko calls romantic presentism insists upon the present as the fundamental sphere of human action and experience and hence of ethics and democratic possibility

Between the New Country and the Old World Erin E. Edgington,2025-09-12 Poet and provocateur William Chapman 1850 1917 wrote patriotic verse recounting the history of New France envisioning a glorious future for its descendants Despite his many literary achievements he was a two time laureate of the Acad mie fran aise and a nominee for the Nobel Prize in Literature Chapman is more often remembered for his explosive feud with Louis Fr chette a rivalry that pitted the two national poets against one another and played out in vicious invective across the pages of Quebec newspapers Chapman s lifelong quest to glorify French Canada and accumulate literary prestige in North America and Europe positioned him squarely between the new country and the old world Over the course of his forty year career Chapman published five collections of poetry *Les Qu becquoises* 1876 *Les Feuilles d rable* 1890 *Les Aspirations* 1904 *Les Rayons du Nord* 1909 and

Les Fleurs de givre 1912 whose very titles underscore his devotion to French Canadian identity as well as his literary ambition Integrating close readings of Chapman's verse with archival material related to his writing life Erin Edgington revisits his full oeuvre on its own terms and in context discerning the particular ways Chapman expressed the ideas of literary value and national literature that motivated him from a young age from juvenilia like *Les Mines d'or de la Beauce* 1881 to his polemical essays and his unfinished magnum opus *Le peuple canadienne* Between the New Country and the Old World challenges the prevailing narrative that has labelled Chapman a second rate forgettable poet showing how his life and work reveal important insights into literary fame poetics in a transitional moment at the turn of the century and the history of French literature in North America *On the Fringes of Diplomacy* Antony Best, 2016-05-23 In recent decades the study of British foreign policy and diplomacy has broadened in focus No longer is it enough for historians to look at the actions of the elite figures diplomats and foreign secretaries in isolation increasingly the role of their advisers and subordinates and those on the fringes of the diplomatic world is recognised as having exerted critical influence on key decisions and policies This volume gives further impetus to this revelation honing in on the fringes of British diplomacy through a selection of case studies of individuals who were able to influence policy By contextualising each study the volume explores the wider circles in which these individuals moved exploring the broader issues affecting the processes of foreign policy Not the least of these is the issue of official mindsets and of networks of influence in Britain and overseas inculcated for example in the leading public schools at the Universities of Oxford and Cambridge and in gentlemen's clubs in London's West End As such the volume contributes to the growing literature on human agency as well as mentalities studies in the history of international relations Moreover it also highlights related themes which have been insufficiently studied by international historians for example the influence that outside groups such as missionaries and the press had on the shaping of foreign policy and the role that strategy intelligence and the experience of war played in the diplomatic process Through such an approach the workings of British diplomacy during the high tide of empire is revealed in new and intriguing ways *Abraham Lincoln and the Virtues of War* Jean E. Friedman, 2015-07-20 This study introduces a new perspective on Lincoln and the Civil War through an examination of his declaration of our national values and the subsequent interpretation of those values by families during the war This volume is a completely new approach to Civil War history Historians rightly regard Abraham Lincoln as a moral exemplar a president who gave new life to the national values that defined America While some previous studies attest to Lincoln's identification with family virtues this is the first to link Lincoln's personal biography with actual histories of families at war It analyzes the relationship that existed between Lincoln and these families and assesses the moral struggles that validated the families' decision for or against the conflict Written to be accessible to students and the general reader alike the book examines Lincoln's presidency as measured against the stories of families North and South that struggled with his definition of Union virtues It looks at Lincoln's compelling case for democratic values among them justice patriotism

honor and commitment first stated in his 1861 speech before Independence Hall The work also uses case studies to demonstrate how virtue as practiced in families illuminated contested adapted and even transformed his concept giving new meaning to the virtues of war
