Longman Companion To Napoleonic Europe:

The Longman Companion to Napoleonic Europe Clive Emsley, 1993 The impact of Napoleon on France and on Europe was immediate and enduring He dominated his age as his armies dominated the continent and no European country was untouched or unchanged by the events of these turbulent years Keeping one's bearings geographically militarily politically and chronologically in the prevailing turmoil is no easy matter even for the specialist and Clive Emsley's concise but authoritative guide to the Napoleonic age will be a boon to students scholars and general readers alike *Longman Companion to European Decolonisation in the Twentieth Century* Muriel E. Chamberlain, 2014-06-11 This new Companion brings together in one single volume all the essential facts and figures relating to European decolonisation in the twentieth century Professor Chamberlain has taken each European empire in turn the British French Dutch Portuguese Spanish Belgian and Italian and for each one she has provided a detailed chronology of the process of decolonisation in the individual states *The Longman Companion to European Nationalism 1789-1920* Raymond Pearson, 2014-09-25 A highly topical analysis of European Nationalism from the French Revolution through to the aftermath of the First World War when the nationalist issues and problems that dominate the political landscape of our own time were already fully established Covering an enormous range of peoples from the Icelanders to the Gypsies from Brittany to Wallachia the book presents a wealth of historical geopolitical information unavailable elsewhere Essential as a reference work it also provides a unique opportunity to survey systematically a crucial but fragmented subject in its full European context For historians political scientists departments of European studies and general readers *Longman Companion to Germany Since 1945* Adrian Webb, 2014-09-09 This new Companion provides a wealth of information on the history of Germany since the Second World War including much material which is not readily available Throughout equal attention is devoted to East and West Germany and covers political social cultural and economic developments The author provides information on for example political parties and office holders living standards crime and the environment Germany's relationship with the European Union and East Germany up to 1990 Attention is also devoted to topical issues such as opposition and dissent in the East terrorism neo nazism and racial violence An essential reference book for anyone studying or teaching postwar Germany in history or politics departments ***The Longman Companion to Britain in the Era of the Two World Wars 1914-45*** Andrew Thorpe, 2014-09-19 In the momentous period barely 30 years covered by this systematic reference guide the Edwardian world was transformed unrecognisably through war technological progress and social change into the Nuclear Age It saw the coming of mass democracy the apogee of empire the Depression the threat of fascism the development of suburban society and as yet scarcely understood the end of Britain's international hegemony Andrew Thorpe's superb contribution to the Companions series illuminates all this and much else It will be indispensable to anyone interested in the history and politics of modern Britain *The Longman Companion to America in the Era of the Two World Wars, 1910-1945* Patrick

Renshaw,2014-07-10 Between 1910 and 1945 the United States transformed itself into a Super Power By 1945 with rivals in Europe and Asia shattered by world war she dominated global economic financial and political arrangements and monopolised the atomic bomb This new Companion to History is an indispensable guide to this critical period in US history It includes chronologies listing all the major events both foreign and domestic social and economic history with many tables based on inaccessible data scores of mini biographies listings of the major office holders and maps **The Longman Companion to Nazi Germany** Tim Kirk,2014-06-11 Here is a wealth of factual and interpretative information about Germany between 1918 and 1945 Designed for maximum practicality it sets the Hitler years in their wider context with most sections spanning the Weimar Republic and the rise of Nazism as well as the Third Reich itself In addition to political chronologies and anatomies of the Nazi party and the police state there is detailed information on economy society and culture diplomacy rearmament and war and racial politics and the Holocaust Biographies glossary and a rich annotated bibliography complete an invaluable study aid *The Longman Companion to the Labour Party, 1900-1998* Harry Harmer,2014-09-25 A timely reference guide to the Labour Party which brings together the essential facts and figures about the Party since its foundation through to the New Labour of the 1990 s It is the essential reference book for anyone wanting reliable information on the Labour Party *Napoleon and the Transformation of Europe* Alexander Grab,2017-03-09 Creating a French Empire and establishing French dominance over Europe constituted Napoleon s most important and consistent aims In this fascinating book Alexander Grab explores Napoleon s European policies as well as the response of the European people to his rule and demonstrates that Napoleon was as much a part of European history as he was a part of French history *Napoleon and the Transformation of Europe* Examines the formation of Napoleon s Empire the Emperor s impact throughout Europe and how the Continent responded to his policies Focuses on the principal developments and events in the ten states that comprised Napoleon s Grand Empire France itself Belgium Germany the Illyrian Provinces Italy the Netherlands Poland Portugal Spain and Switzerland Analyses Napoleon s exploitation of occupied Europe Discusses the broad reform policies Napoleon launched in Europe assesses their success and argues that the French leader was a major reformer and a catalyst of modernity on a European scale *The Longman Companion to America, Russia and the Cold War, 1941-1998* John W. Young,2014-07-30 This reference guide throws light on almost every aspect of postwar international history from the rise of Mao s China to the Bosnian Civil War It provides a huge wealth of information on East West relations setting events crises and conflicts in their full international context **Europe Under Napoleon** Michael Broers,2014-11-18 Napoleon Bonaparte dominated the public life of Europe like no other individual before him Not surprisingly the story of the man himself has usually swamped the stories of his subjects This book looks at the history of the Napoleonic Empire from an entirely new perspective that of the ruled rather than the ruler Michael Broers concentrates on the experience of the people of Europe particularly the vast majority of Napoleon s subjects who were neither French nor

willing participants in the great events of the period during the dynamic but short lived career of Napoleon when half the European continent fell under his rule In a new edition of a highly acclaimed book Broers weaves together a myriad of regional experiences to produce a social history of the Napoleonic Empire with a truly panoramic scope Europe, 1783-1914 William Simpson, Martin Desmond Jones, 2000 Europe 1783-1914 is an accessible history of Europe from the advent of the French Revolution to the origins of the First World War covering political economic and social aspects of the period Each chapter is structured with concise backgrounds to events including tables of key dates a selection of primary documents and questions to test current interpretations of important themes and a guide to further reading Extensively illustrated with maps contemporary cartoons and portraits Europe 1783-1914 surveys the following main themes interspersed with studies of significant countries including France Italy Germany and Russia the impact of the French Revolution and Napoleon the Industrial Revolution Nationalism the 1848 Revolutions Imperialism Marxism the origins of the First World War Europe 1783-1914 is an essential and invaluable introduction to this turbulent and exciting period of European history The Routledge Companion to European History Since 1763 Chris Cook, John Stevenson, 2005 The Routledge Companion to European History since 1763 is a compact and highly accessible work of reference with a fully comprehensive glossary a biographical section a thorough bibliography and informative maps **The Napoleonic Wars 1803-1815** David Gates, 2011-06-08 Known collectively as the Great War for over a decade the Napoleonic Wars engulfed not only a whole continent but also the overseas possessions of the leading European states A war of unprecedented scale and intensity it was in many ways a product of change that acted as a catalyst for upheaval and reform across much of Europe with aspects of its legacy lingering to this very day There is a mass of literature on Napoleon and his times yet there are only a handful of scholarly works that seek to cover the Napoleonic Wars in their entirety and fewer still that place the conflict in any broader framework This study redresses the balance Drawing on recent findings and applying a total history approach it explores the causes and effects of the conflict and places it in the context of the evolution of modern warfare It reappraises the most significant and controversial military ventures including the war at sea and Napoleon's campaigns of 1805-9 The study gives an insight into the factors that shaped the war setting the struggle in its wider economic cultural political and intellectual dimensions The Longman Companion to the Conservative Party Nick Crowson, 2016-09-17 This Longman Companion provides a wide ranging compendium of essential facts and figures on the Conservative Party from its origins in the 1830s to the dawn of the 21st Century Central to the book are the detailed chronologies on the Conservative Party's years in government and opposition In addition it contains fascinating information on the Party's relationships with women ethnic minorities the trade unions Europe Ireland ideology social reform and empire *The French Revolution 1787-1804* P. M. Jones, 2021-09-30 Now in its fourth edition P. M. Jones The French Revolution has been extensively revised and incorporates the most recent research on race religion gender and citizens rights It also covers in detail the colonial repercussions of the

revolution in both the Caribbean and the Indian Ocean Written with the needs of students in mind this volume recounts the dramatic years from 1787 to 1804 when the ancien régime was replaced by a constitutional monarchy and then a republic Jones covers the difficulties facing King Louis XVI in the run up to the attack on the Bastille and explains how the Revolution led to the creation of the First French Empire by France's most successful General Napoleon Bonaparte Wherever possible the actions and reactions of ordinary men and women who found themselves caught up in the turmoil are recorded By analysing the revolution's significance for both Europe and the world beyond the concluding section sets the revolution in a global context With study aids such as a chronology who's who glossary and an enlarged selection of documents to allow for research and discussion this book remains a useful tool for students interested in politics culture and society during the French Revolution

Napoleon's Empire Ute Planert, 2016-01-26 The Napoleonic Empire played a crucial role in reshaping global landscapes and in realigning international power structures on a worldwide scale When Napoleon died the map of many areas had completely changed making room for Russia's ascendancy and Britain's rise to world power

Gender, War and Politics K. Hagemann, G. Mettele, J. Rendall, 2010-09-08 This volume addresses war developing political and national identities and the changing gender regimes of Europe and the Americas between 1775 and 1830 Military and civilian experiences of war and revolution in free and slave societies both reflected and shaped gender concepts and practices in relation to class ethnicity race and religion

Napoleon Alan Forrest, 2012-12-11 From Alan Forrest a preeminent British scholar comes an exceedingly readable account of the man and his legend On a cold December day in 1840 Parisians turned out in force to watch as the body of Napoleon was solemnly carried on a riverboat from Courbevoie on its final journey to the Invalides The return of their long dead emperor's corpse from the island of St Helena was a moment that Paris had eagerly awaited though many feared that the memories stirred would serve to further destabilize a country that had struggled for order and direction since he had been sent into exile In this book Alan Forrest tells the remarkable story of how the son of a Corsican attorney became the most powerful man in Europe a man whose charisma and legacy endured after his lonely death many thousands of miles from the country whose fate had become so entwined with his own Along the way Forrest also cuts away the many layers of myth and counter myth that have grown up around Napoleon a man who mixed history and legend promiscuously Drawing on original research and his own distinguished background in French history Forrest demonstrates that Napoleon was as much a product of his times as their creator

Napoleon Alan Forrest, 2012-12-11 From Alan Forrest a preeminent British scholar comes an exceedingly readable account of the man and his legend On a cold December day in 1840 Parisians turned out in force to watch as the body of Napoleon was solemnly carried on a riverboat from Courbevoie on its final journey to the Invalides The return of their long dead emperor's corpse from the island of St Helena was a moment that Paris had eagerly awaited though many feared that the memories stirred would serve to further destabilize a country that had struggled for order and direction since he had been sent into exile In

this book Alan Forrest tells the remarkable story of how the son of a Corsican attorney became the most powerful man in Europe a man whose charisma and legacy endured after his lonely death many thousands of miles from the country whose fate had become so entwined with his own Along the way Forrest also cuts away the many layers of myth and counter myth that have grown up around Napoleon a man who mixed history and legend promiscuously Drawing on original research and his own distinguished background in French history Forrest demonstrates that Napoleon was as much a product of his times as their creator

Longman Companion To Napoleonic Europe Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the energy of words has been evident than ever. They have the ability to inspire, provoke, and ignite change.
