A Valentine Book

Look Back, My Love

Nicole and Curt had nothing in common.
In fact, Nicole didn't even like Curt.
Then how was it possible for her to feel
herself falling in love with him?

Jean Carew

Look Back My Love

Kyle Dillon Hertz

Look Back My Love:

Looking Backwards 2000 to 1887 Edward Bellamy, 2019-09-25 Reproduction of the original Looking Backwards 2000 to 1887 by Edward Bellamy **Looking Backward: 2000 - 1887** Edward Bellamy, 2003-01-02 Edward Bellamy's Looking Backward 2000 1887 1888 is one of the most influential utopian novels in English The narrative follows Julian West who goes to sleep in Boston in 1887 and wakes in the year 2000 to find that the era of competitive capitalism is long over replaced by an era of co operation Wealth is produced by an industrial army and every citizen receives the same wage This edition contains a rich selection of appendices including excerpts from Bellamy's Equality and other writings contemporary responses by William Morris Charlotte Perkins Gilman and others excerpts from utopian works by Morris and William Dean Howells and an excerpt from Henry George's Progress and Poverty Looking Backward Edward Bellamy, 2020-12-01 Julian West is an aristocrat in 19th century America He has all that he would ever need a happy engagement wealth and a pleasant place to live Because of his comfortable place in society Julian is unsympathetic to the plight of the middle and lower class and even looks to their protests and strikes with disdain and contempt One day to calm himself he decides to be put in a hypnotic sleep by his doctor in his own underground bunker This was routine for Julian but when tragedy in the form of a fire strikes Julian is presumed dead and left in the bunker A century later Julian is found but wakes to a world he could never predict With the help of the man that found him Doctor Leete and Leete's daughter Edith Julian becomes familiar with the 20th century American reality of equality between the sexes the abolition of poverty free education and fair working conditions Julian must then accept recognize his unempathetic views of the past now understanding that life is better when people of all genders classes and race can be happy But when Julian finds himself back in the 19th century he struggles to convince others of his knowledge and starts to wonder if the ideal 20th century was all a dream Looking Backward was one of the most commercially successful novels of the 19th century and upon its publication inspired mass political movement With the portrayal of the 20th century Bellamy advocates for equality and rejects war and capitalism By depicting a happy working environment where citizens had the freedom to choose their occupations receive fair wages and are able to retire at a reasonable time Bellamy raises awareness for the working class Looking Backward has since inspired the ideology of socialism and proposes solutions to problems that America still struggles with today This edition of Looking Backward by Edward Bellamy features a striking new cover design and is reprinted in a readable font With these changes the compelling plot and insight of Looking Backward is accessible and worthy of conversation *Catalog of Copyright Entries, Third Series*, 1967 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc The poetical works of Thomas Moore, ed. with a memoir by W.M.
